REPORT ON PARENT-TEACHER MEETING

The Department of Civil Engineering, City Engineering College, Bengaluru had organized the Parent-Teacher Interaction Meeting of Fifth & Seventh semester Civil on 18th December 2021 with a view to provide platform to parents and stakeholders to present their suggestions, guidance and ideas for developmental activities to grow together. The Parents enquired about the progress made by their wards. The concerned subject faculties, proctors and class teacher and HOD were also present and clarified all the doubts raised by the parents. The signatures of parent who visited on that day have been taken in the Parent-Teacher Meeting Register maintained in the department. The parent expressed their happiness about this type of meeting. The parents also felt the necessity of conducting this type of meeting in every semester.

Dr. H.N Thippeswamy, HOD of Civil Engineering Department requested the parents to keep in touch with mentors, class teachers and himself for regular updates. The meeting was concluded with snacks.

Report on Jal Shakti Abhiyan: Catch the Rain – 2022

NSS of City Engineering College, Bengaluru, organised Jal Shakti Abhiyan from April 04th to April 13th near Thittahalli & Chinnakurchi village to create awareness and bring together all stakeholders in a mass movement to conserve and recharge water. Water conservation and recharge is of utmost importance to ensure water security for our country to protect lives and livelihoods. Ministry of Jal Shakti has proposed implementation of "Jal Shakti Abiyan: Catch The Rain-2022". The campaign is to be implemented with the theme "Catch the Rain, where it falls, when it falls".

Sixth semester students of Civil Engineering Department were actively participated in the programme. Gopikishan J, Programme Coordinator, NSS, CEC welcomed the gathering. Vinaykumar S N, Manjunath K E, Jayanth K S, Assistant professors, CEC, initiated the activity among volunteers. The volunteers created Public Awareness about Rain Water Harvesting, Water conservation, Reuse & borewell recharge. Refreshments were distributed to public gathered. We heartily express our thanks towards the K.Gollahalli Grama Panchayath, Thittahalli & Chinnakurchi villagers & Head of the institute for their kind and cooperative support all the time for the success of the event.

EXTENSIVE SURVEY CAMP REPORT

The work for data collection should be done during vacation between 5th & 6th semester. In connection with this, the survey camp was conducted at Chinkurchi from 04/04/2022 to 14/04/2022. The data collections for works were conducted on these following topics.

- Old tank project
- New tank project
- Highway project
- Water supply and Sanitation
- Town planning

REPORT OF SEMINAR ON 18TH MAY 2022

The Department of Civil Engineering, City Engineering College organized the Seminar on **“Advances in Construction Management and Career opportunities for Civil / Mech Engineering students”** by Prof. K.V Prasad, Assistant Professor, NICMAR, and Hyderabad on 18/05/2022 at 11:00a.m in Seminar Hall, 4th Floor, Department of Civil Engineering. Mr. Vinaykumar S N, Asst. Prof., Dept. Of Civil Engg., welcomed the speaker and audience & introduced the speaker. Mr. Manjunath K E, Asst. Prof., Dept. Of Civil Engg., & Dr. Uma, Professor, Dept. Of Mechanical Engg., were also participated in the Seminar. Prof. K.V Prasad explained about the career opportunities in Construction, Real Estate, Infrastructure and Project Management (CRIP) areas to generate interest and also orient on the higher education possibilities in this field, NICMAR's presence in CRIP Sector/Programs.

Mr. Vinaykumar S N, Asst. Prof., Dept. Of Civil Engg., gave vote of thanks.
