_____

Action Taken Report on Feedback Analysis

City Engineering College, is affiliated to Visvesvaraya Technological University, Belagavi, and we follow the Semester pattern and Syllabus offered by the University. The suggestions on curriculum were communicated to the Academic Council who in turn communicates to the university Board of Studies through HOD.

The feedback covers multiple aspects such as curriculum effectiveness, teaching methods, infrastructure, and overall satisfaction. The comprehensive analysis allows the institution to implement improvements that cater to the needs and expectations of all stakeholders.

IAQC analyses the feedback collected from all stakeholders. In general, the feedback received will be positive as all the stakeholder's expresses satisfaction on the content and implementation of the courses in the curriculum. The relevant suggestions were listed out by IQAC. The feedback analysis was discussed with the Heads of Departments and the Principal.

This report addresses the feedback received from various stakeholders, including employers, alumni, students, and faculty.

Action Taken based on the analysis of feedback from various stake holders.

Stakeholder	Feedback	Actions Taken
Students	High satisfaction with global trends and employability enhancement. Concerns about resources and lab-theory alignment.	**Resource Enhancement**: Additional resources and online databases made available.
Teachers	Agreement on curriculum being outcome-based and industry-aligned. Concerns about variety of ICT tools and lab equipment.	**ICT Tools**: Tools for advanced teaching procured. **Lab Equipment**: Lab facilities audited; outdated equipment replaced with modern alternatives; continuous improvement plan established.
Alumni	Positive response on curriculum relevance and contribution to professional ethics. Suggestions for better industry alignment.	**Curriculum Review**: workshops and guest lectures organized for industry-relevant topics. Strengthened alumni engagement programs for mentoring and guest lectures.
Employers	Positive feedback on theory-application balance. Suggestions for more industry-related courses and stronger emphasis on soft skills.	**Industry-Related Courses**: New industry-specific courses and certifications introduced; **Soft Skills Development**: Workshops and seminars on communication, teamwork, and leadership scheduled;
