CRITERION1- CURRICULAR ASPECTS

KEY INDICATOR -1.4.1 Feedback System

| Academic Year 2022-23 |

Action Taken Report on Feedback Analysis

City Engineering College, is affiliated to Visvesvaraya Technological University, Belagavi, and we follow the Semester pattern and Syllabus offered by the University. The suggestions on curriculum were communicated to the Academic Council who in turn communicates to the university Board of Studies through HOD.

The feedback covers multiple aspects such as curriculum effectiveness, teaching methods, infrastructure, and overall satisfaction. The comprehensive analysis allows the institution to implement improvements that cater to the needs and expectations of all stakeholders.

IAQC analyses the feedback collected from all stakeholders. In general, the feedback received will be positive as all the stakeholder's expresses satisfaction on the content and implementation of the courses in the curriculum. The relevant suggestions were listed out by IQAC. The feedback analysis was discussed with the Heads of Departments and the Principal.

This report addresses the feedback received from various stakeholders, including employers, alumni, students, and faculty.

Action Taken based on the analysis of feedback from various stake holders.

Stakeholder	Feedback	Actions Taken
Students	High satisfaction with global trends and employability enhancement Curriculum should include emerging global trends, enhance employability, integrate soft skills, increase ICT tool usage, and have well-equipped labs.	Introduced Value Added and Certification Courses, integrated soft skills training, increased ICT-based learning, and upgraded lab facilities.
Teachers	Agreement on curriculum being outcome-based and industry-aligned. Concerns about variety of ICT tools and lab equipment..	**ICT Tools:** Procured advanced teaching tools and provided faculty training on their use. **Lab Equipment:** Audited lab facilities, replaced outdated equipment with modern alternatives, and established a continuous improvement plan.
Alumni	Positive response on curriculum relevance and contribution to professional ethics. Suggestions for better industry alignment.	**Curriculum Review:** Organized workshops and guest lectures on industry-relevant topics to ensure better alignment with current industry practices. **Alumni Engagement:** Strengthened alumni engagement program

| Employers | Positive feedback on theory-application balance. Suggestions for more industry-related courses and stronger emphasis on soft skills. | **Industry-Related Courses:** Introduced new industry-specific courses and certifications to bridge the gap between academia and industry requirements.
Soft Skills Development: Scheduled workshops and seminars focused on developing soft skills such as communication, teamwork, and leadership. |
