The following were discussed in the meeting

➢ Dr.Thippeswamy H N, the Chairperson, commenced the meeting by extending a warm welcome to all members. He outlined the key objectives of the session, emphasizing the need to align academic activities with industry standards and adapt to the new curriculum.

➢ Preparation of Calendar of Events (COE) by Following VTU Guidelines

➢ Each department was instructed to plan and organize internships, field visits, and industry visits.

➢ The meeting included a review of the feedback analysis report from both students and faculty. This report provided insights into their experiences and perspectives, highlighting areas of strength and identifying opportunities for improvement.

➢ The AICTE activity points system aims to promote the holistic development of students, encouraging participation in activities beyond academics. Points can be earned through activities like social services. Each student must accumulate the specified number of activity points by the end of their course to be eligible for the award of the degree. The institution will ensure that students are aware of the opportunities available to earn these points. Departments will track and record the points accumulated by each student.
