Report on

COVID-19 Awareness and Mask Distribution Programme

Date: 13th March 2020

Venue: College Campus

Number of participants: 64

On 13th March 2020, the NSS Club organized a COVID-19 Awareness and Mask Distribution Programme near CEC Admin Block. This initiative aimed to educate the college community about the pandemic and promote preventive measures to curb its spread.

Activities

1. Awareness Session:

- **Speakers:** Medical experts provided a comprehensive overview of COVID-19.
- **Content:** Information covered symptoms, transmission methods, and preventive measures. The importance of hygiene, social distancing, and mask-wearing was emphasized to ensure safety.

Visit to Indian Red Cross Society by NSS and YRC

Date: 14th June 2019

Venue: Indian Red Cross Society (IRCS) at Anand Rao Circle, Bangalore

No of participants: 12

On 14th June 2019, the NSS Programme Officer (NSS PO) and Youth Red Cross Programme Officer (YRC PO) of City Engineering College, along with student volunteers, visited the Indian Red Cross Society (IRCS) at Anand Rao Circle, Bangalore. This visit aimed to extend support and appreciation for the IRCS's continuous service to the nation.

The delegation was warmly welcomed by the IRCS officials, who provided an insightful overview of the organization's history, mission, and ongoing initiatives. The visit began with a tour of the IRCS facilities, where the students and officers observed various departments, including blood donation centers, disaster response units, and community health programs.

Report On “Saluting Our Heroes: Independence Celebration”

Date:15/08/2019

No. of participants:50

Independence Day, celebrated annually on 15th August, marks the historic occasion when India gained freedom from British colonial rule in 1947. It is a day of immense pride and patriotism for every Indian, symbolizing the sacrifices made by countless freedom fighters to secure the nation's independence. At City Engineering College, we commemorate this significant day with reverence and enthusiasm, reflecting on the values of freedom, unity, and national pride.

The celebration commenced with the flag hoisting ceremony, led by Dr. Ramamurthy, the Principal of City Engineering College. As the national flag was unfurled, the attendees joined together in singing the national anthem, honoring the nation's rich heritage and democratic values.

Sub: Participation in BBMP Survey for Swachh Bharath Abhiyaan.

We are pleased to announce that City Engineering College will be participating in a survey and awareness drive organized by the Bruhat Bengaluru Mahanagara Palike (BBMP) under the Swachh Bharath Abhiyaan initiative. This event will take place on **November 15th, 2019**, and aims to promote proper waste disposal practices and environmental hygiene within our community.

Important Note:

- All NSS volunteers are requested to participate in this important initiative.
- Volunteers will be briefed by BBMP officials at 8:30 AM on the day of the event.

Report on
BBMP Survey for Swachh Bharath Abhiyaan

Date: 15/11/2019

No of Students Participated:15

On November 15th, 2019, NSS Volunteers participated in the BBMP-organized survey and awareness drive under the Swachh Bharath Abhiyaan initiative near Hosakerehalli, Bangalore. The event aimed to promote proper waste disposal practices and enhance environmental hygiene within the community.

Objectives:

The primary objectives of the survey were to:

1. Gather data on current waste disposal habits.
2. Spread awareness about the importance of proper waste management.
3. Educate residents on the segregation of dry and wet waste.
4. Identify areas with improper waste disposal for future BBMP interventions.

Preparation and Organization

Prior to the event, BBMP officials conducted a briefing session for the NSS volunteers. The session included instructions on survey methods, awareness strategies, and the distribution of educational materials like pamphlets and posters.

Activities Conducted

1. Survey and Data Collection:

- Volunteers visited various neighbourhoods to collect data on waste disposal habits.
- They documented areas with improper waste disposal, particularly in vacant sites and road corners.

2. Awareness Campaign:

- Volunteers interacted with community members to educate them on proper waste disposal methods.
- Emphasis was placed on the environmental and health benefits of waste segregation.

Outcomes and Impact

- **Data Insights:** The collected data provided valuable insights into the waste management practices of the surveyed areas, aiding BBMP in planning future waste management strategies.
- **Community Awareness:** The awareness campaign successfully reached a wide audience, increasing residents' understanding and commitment to proper waste management. Many community members expressed their appreciation and intent to adopt better waste disposal practices.
- **Positive Feedback:** The initiative received positive feedback, with residents noting the effectiveness of the NSS volunteers in promoting environmental awareness.

Report on English Vocabulary Workshop

Date: 20/12/2019

Venue: Vasanthapura government school

No Of Students:10

City Engineering College students organized an English vocabulary workshop aimed at enhancing the vocabulary skills of Vasanthapura government school students on 20/12/2019. The event focused on improving the students' English language proficiency, helping them build a robust vocabulary, and encouraging better communication skills.

An introduction to the importance of a strong vocabulary in effective communication and academic success was discussed. Students shared their experiences with learning English and discussed the challenges they face.

Engaging word games like crossword puzzles, and word searches were made for making learning fun. Encouraged students to write short essays, stories, or paragraphs using new vocabulary. Students created and narrated stories using a set of given vocabulary words.

The English Vocabulary Workshop conducted by City Engineering College students was a successful initiative that effectively enhanced the vocabulary skills of government school students. The program not only improved their English language proficiency but also boosted their confidence in using English in daily interactions. The positive response from participants and school authorities highlights the importance of such initiatives in promoting language skills and academic success.

Report on Plastic Ban Awareness

Date: 20/09/2019

Venue: Singanayakanahalli Grama Panchayath, Bangalore.

No Of Students:15

City Engineering College students organized by NSS an Extension activity aimed at Plastic Pollution awareness program by educating the people on 20/09/2019. Plastic ban awareness campaigns aim to educate individuals and communities about the detrimental effects of plastic pollution on the environment and human health, as well as encourage them to adopt sustainable alternatives to single-use plastics. In recent years, the world has witnessed a surge in environmental consciousness as the detrimental impact of plastic pollution on our planet becomes increasingly evident. In response to this urgent crisis, our community is rallying together to raise awareness and take action through our "Breaking Free from Plastic" campaign.

Objectives:

- Educate the community about the environmental and health hazards posed by single-use plastics.
- Encourage individuals to reduce their plastic consumption and embrace sustainable alternatives.
- Advocate for policy changes and support initiatives aimed at reducing plastic production and promoting recycling.

The "Breaking Free from Plastic" campaign is not just about raising awareness; it's about catalysing real change. By coming together as a community, we have the power to break free from our dependence on plastic and pave the way towards a cleaner, healthier planet for future generations. Join us in making a difference today!

Subject: Embracing Nature: World Environment Celebration

Dear Students and Staff,

We are pleased to announce that the NSS Club will be organizing a celebration of World Environment Day on 5th June 2019. This event aims to raise awareness about environmental conservation and promote sustainable practices within our community.

Event Details:

- **Date:** 5th June 2019
- **Time:** 10:00 AM onwards
- **Venue:** College Campus

We encourage all students and staff to participate actively in the various activities planned for the day. Let us come together to celebrate this important day and take a pledge to adopt eco-friendly habits for a sustainable future.

Report on Embracing Nature: World Environment Celebration

Date: 5th June 2019

Number of Students participated:25

The NSS Club organized a vibrant celebration of World Environment Day on **5th June 2019**. The event aimed to raise awareness about environmental conservation and encourage sustainable practices among students and staffs. One of the key highlights of the event was the tree plantation drive. Students and staff actively participated in planting saplings around the campus, symbolizing their commitment to a greener future. This initiative not only beautified the campus but also contributed to the college's ongoing efforts to enhance biodiversity.

Figure 1 and 2: Students and staff participate in the planting saplings drive on World Environment Day.

The World Environment Day celebration at City Engineering College was a successful event that highlighted the significance of environmental protection. The activities organized not only educated participants but also inspired them to adopt sustainable practices, contributing to a greener and healthier planet.
