A Report on Unity in Diversity: Republic Celebration

Date: **26th January, 2021**

Venue: **City Engineering College**

Attendance: **Limited due to COVID-19 pandemic restrictions**

Number of participants:**20**

Republic Day 2021 was observed at City Engineering College with a respectful and cautious celebration, taking into account the ongoing COVID-19 pandemic. The event was conducted with a limited number of attendees to ensure the safety and well-being of all participants.

The celebration began with the flag hoisting ceremony, led by Dr. Ramamurthy, the Principal of City Engineering College. The national flag was unfurled, and the gathering joined in the singing of the national anthem, paying tribute to the nation's rich heritage and democratic values.

In light of the pandemic, stringent safety measures were implemented during the event. All attendees were required to wear masks, maintain social distancing, and follow the prescribed hygiene protocols. The event was kept brief to minimize exposure, and the college ensured that all guidelines were strictly adhered to.

A Report on *Strengthening Minds: Mental Health Support Initiatives During the COVID-19 Pandemic*

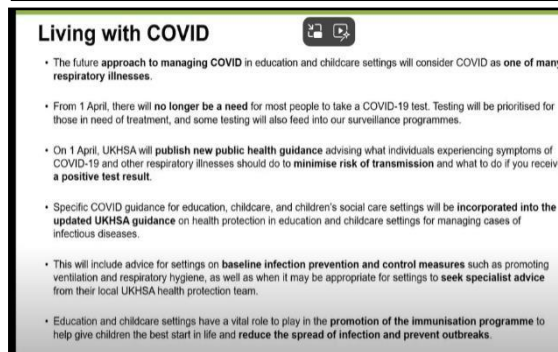

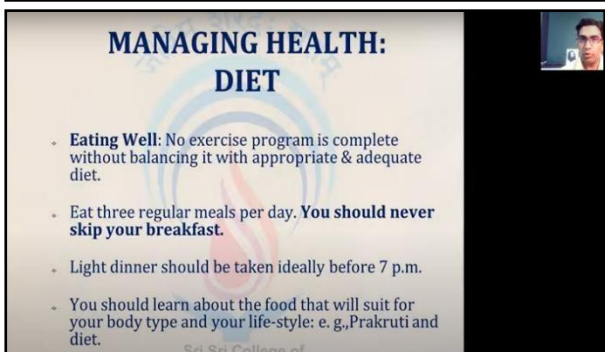

Date : 02-01-2021

Mode: Online mode through Google meet

Number of participants:120

The COVID-19 pandemic has brought unprecedented challenges to individuals and communities worldwide, not just physically but also mentally. In response to these challenges, a lecture on health tips and awareness was organized and invited Dr. N. Muralidhara, Professor and Head of the Department from Sri Sri Ayurvedic College. This initiative aimed to provide mental health support and promote wellness among students during these trying times.

- 1. Health Tips and Awareness Lecture:** Dr. N. Muralidhara, a respected expert in Ayurvedic medicine, delivered a comprehensive lecture focused on health awareness. He provided valuable insights into maintaining physical and mental health during the pandemic. Dr. Muralidhara emphasized the importance of a balanced lifestyle, proper nutrition, and regular exercise as essential components of overall well-being. He also highlighted the significance of mental health, particularly during the ongoing pandemic, and provided practical tips for managing stress and anxiety.

Objective:

The primary objective of the presentation was to educate students, faculty, and staff about the latest guidelines for COVID-19 prevention, the importance of following SOPs, and practical tips for staying safe during the pandemic.

Key Points Covered:

1. Overview of COVID-19:

Prof. N. Sunitha began the presentation with a brief overview of the COVID-19 virus, its transmission methods, and the symptoms associated with the infection. She emphasized the importance of early detection and timely medical intervention.

2. Standard Operating Procedures (SOPs):

The session detailed the essential SOPs recommended by health authorities, including:

- Wearing masks properly and consistently.
- Practicing social distancing.
- Regular hand washing with soap and the use of hand sanitizers.
- Avoiding crowded places and non-essential travel.
- Monitoring for symptoms and seeking medical advice if unwell.

Impact and Feedback:

The session was well-received by the participants, who appreciated the comprehensive information provided and the clarity with which the SOPs were explained. The presentation helped in reinforcing the importance of adhering to COVID-19 protocols and encouraged a proactive approach to health and safety during the pandemic.

A Report on “Protecting Our Planet: Sustainable Environment”

Date: June 5, 2020

Platform: Google Meet

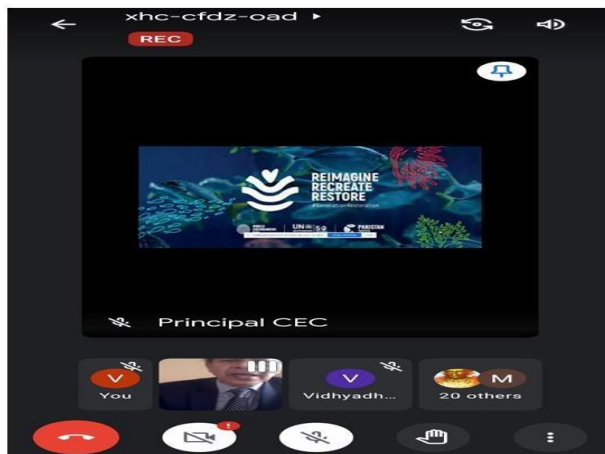

Chief Guest: Dr. Ramamurthy, Principal, City Engineering College

Number of participants: 100

Overview: City Engineering College NSS cell organized World Environment Day 2020 with a virtual gathering conducted through Google Meet, due to the ongoing global pandemic. The event focused on raising awareness about the environmental crisis and the importance of sustainability.

Dr. Ramamurthy, the Principal of City Engineering College, addressed the students and faculty on the occasion. In his speech, he highlighted the pressing environmental challenges the world faces today, including climate change, deforestation, and pollution. He emphasized the role of sustainability in mitigating these issues and urged the students to adopt eco-friendly practices in their daily lives.

The event concluded with a Q&A session, where students had the opportunity to ask questions and discuss the topics presented. The virtual meeting was a success, reinforcing the college's commitment to environmental education and sustainability.

A Report on “Saluting the Nation: Independence Celebration”

Date: **August 15, 2020**

Venue: **City Engineering College**

Attendance: **Limited due to COVID-19 pandemic restrictions**

Number of Participants: **15**

Overview: Independence Day 2020 was celebrated at City Engineering College with a solemn and minimal gathering, adhering to the guidelines set forth by health authorities due to the ongoing COVID-19 pandemic. Despite the limited attendance, the spirit of patriotism and the significance of the day were duly honored.

Flag Hoisting Ceremony

The event commenced with the flag hoisting ceremony, presided over by Dr. Ramamurthy, the Principal of City Engineering College. The national flag was unfurled amidst the singing of the national anthem, followed by a moment of silence to remember the sacrifices of the freedom fighters.
