SWACHH BHARAT ABHIYAN CLEANLINESS DRIVE

Date: April 30, 2022

Participants: 4th Semester Students

Event: Swachh Bharat Abhiyan Cleanliness Drive at Govt. High School, Vasanthapura.

Number of participants:60

On April 30, 2022, the 4th semester students participated in cleanliness drive at Govt. High School, Vasanthapura. This initiative aimed to promote cleanliness, environmental conservation, and educate students on the importance of maintaining a clean environment.

Activities Conducted:

- **Cleaning School Premises:** The team cleaned the school premises, including classrooms, corridors, and playgrounds, to create a hygienic and dust-free environment.
- **Collecting Dry Leaves and Sweeping Paths:** Volunteers collected dry leaves and thoroughly swept the walking paths, enhancing the cleanliness of the school surroundings.
- **Waste Disposal Education:** Students were educated on the proper disposal methods to avoid pollution and maintain a clean environment., making it a commendable and appreciated effort.

Community Impact:

The activities carried out during this drive enlightened the school students on the importance of cleanliness and responsible waste management. The event demonstrated how collective efforts and volunteerism play a crucial role in maintaining clean and healthy surroundings.

Report on

Digitized Money Transaction Awareness Program

Date: 24/02/2022

Venue: Kodihalli

Number of students participated:15

On February 12, 2022, City Engineering College organized a Digitized Money Transaction Awareness Program in Kodihalli. The event aimed to educate residents about the benefits and usage of digital transactions. Students from various semesters actively participated in this initiative, showcasing their commitment to community service and digital literacy.

The students conducted educational sessions and practical demonstrations on various digital payment platforms such as UPI, mobile wallets, and internet banking. They provided step-by-step guidance on setting up these platforms and emphasized cybersecurity measures to prevent fraud. Pamphlets and brochures with detailed instructions were distributed, and workshops were held to enhance digital literacy among the participants.

The students also engaged in one-on-one interactions to address individual queries and concerns. The program successfully increased awareness and understanding of digital transactions, fostering greater acceptance and adoption within the community. This initiative has contributed significantly to promoting a cashless economy and enhancing financial inclusion in Kodihalli.

Report on NATIONAL YOUTH DAY BIRTH ANNIVERSARY OF SWAMI VIVEKANANDA

Number of participants:200

National Youth Day is celebrated on January 12, every year in India to honor the birth anniversary of Swami Vivekananda, one of the greatest philosopher and spiritual leader. Swami Vivekananda's thoughts have been a driving force for our nation because he contributed significantly in taking the country and society towards a new and developing direction.

Swami Vivekananda has an important contribution in giving a modern and inspiring interpretation of Hinduism and spirituality. He was the inspiration of youth and hence his birth anniversary is also celebrated as National Youth Day in the country.

In City Engineering College, NSS club organized **POSTER DESIGNING** Competition on leadership and personality development based on the message of Swami Vivekananda on January 12 2022 and our respected principal of our college **Dr. THIPPESWAMY H N** and all the staff members.

REPORT ON BASICS OF COMPUTER AND IMPORTANCE OF HIGHER EDUCATION

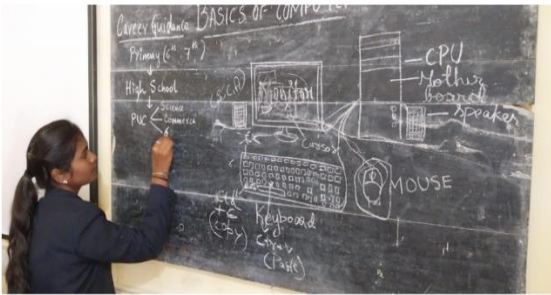

Date: 31st December 2021

Venue: Government Higher Primary School at Lakkavalli

No of participants- 10

On 31st December 2021 department of basic science and Humanities conducted one day activity on Basics Of Computer And Importance Of Higher Education for the Government Higher Primary School at Lakkavalli. The primary objective of this activity was to introduce school students to the basics of computers and to emphasize the importance of higher education in today's world. The initiative aimed to inspire young minds to pursue further education and equip them with foundational computer skills.

CEC Students explained the basics of the computer namely Monitor, CPU, Mouse, RAM and ROM. Basics of the computer namely how to switch on the system and painting, preparing a document in Word, painting and also how to search in Website are all explained by our students to the children of Government school. Our students also gave a talk on Importance Higher education in Future for the development of the country and computer knowledge is involved in it.

Students Explaining The Parts Of The Computer And Higher Education

Conclusion:

Students enlightened about the how computers make tasks easier and faster and also successful people who achieved their goals through higher education.

Sub: COVID-19 TESTING DRIVE

Dear Students and Staff,

To ensure the health and safety of our community, City Engineering College will conduct a COVID-19 testing drive on December 9th 2022 from 9:30 AM at the college campus. All students and staffs are requested to participate in this event. Everyone must wear masks, maintain social distancing, and follow the instructions of medical staff and volunteers. Your cooperation in this important initiative is greatly appreciated.

Report on COVID-19 TESTING DRIVE

Number of participants: 250

Coronavirus disease (COVID-19) is an infectious disease caused by the SARS-CoV-2 virus. Most people infected with the virus will experience mild to moderate respiratory illness and recover without requiring special treatment.

The best way to prevent and slow down transmission is to be well informed about the disease and how the virus spreads. Protect yourself and others from infection by staying at least 1 metre apart from others, wearing a properly fitted mask, and washing your hands or using an alcohol-based rub frequently.

Get vaccinated when it's your turn and follow local guidance. The city engineering college has taken the initiative to conduct the covid testing in our college campus for students and staff members.

In City Engineering College, NSS club organized the COVID TESTING DRIVE on **DECEMBER 9th, 2021** with the help of **BBMP (BRUHAT BENGALURU MAHANAGARA PALIKE)** and with the help of the doctor and our respected principal of our college **Dr. Thippeswamy H N** and all the staff members.

AWARENESS PROGRAM ON SAKALA SERVICE

Number of participants:60

Karnataka Sakala Services Act was passed in 2011 to provide guarantee of services to citizens in the Indian state of Karnataka with a stipulated time limiting to citizen related services. The act came to be known as Sakala act since November 2012. Karnataka is the tenth state to incorporate an act under Right to Public Services legislation.

The Sakala program is backed by a comprehensive information technology network, developed by the National Informatics Centre (NIC) to provide solutions and services and to monitor the services.

In City Engineering College, NSS club organized the AWARENESS ABOUT SAKALA SERVICE event on DEC 21st 2021. Total number of students participated **60**.

Subject: Call for Volunteers: Teaching Initiative at Uttarahalli Public School

Dear Students,

City Engineering College will be conducting a teaching initiative at Uttarahalli Public School on 18th December, 2021, and this is a great opportunity to develop your teaching skills, engage with the community, and make a positive impact. We encourage all interested students to register and be part of this rewarding experience.

Volunteer Responsibilities:

- Assist in conducting interactive teaching sessions.
- Help with engaging activities and Q&A sessions.
- Support the overall coordination of the event.

Report on

Empowering Young Minds: Teaching Initiative at Uttarahalli Public School

Date: 07/01/2022

Venue: Uttarahalli Public School

No. of Students: 25

On 18th December 2021, City Engineering College organized a teaching initiative for children at the public school in Uttarahalli. This program aimed to provide foundational lessons in mathematics, science, and English to enhance the educational experience of the students. Student volunteers from the CEC took part in this initiative, demonstrating their commitment to community service and educational development.

The sessions were interactive and engaging, utilizing visual aids and hands-on activities to simplify complex concepts. The college students focused on fostering a positive learning environment, encouraging curiosity and participation among the schoolchildren. This initiative not only benefited the young learners but also provided the college students with valuable teaching experience and a deeper understanding of community needs. The program was well-received by the school staff and students, who expressed their gratitude for the effort and knowledge shared. Such initiatives highlight the importance of

Figure 1 and 2: Engaging young learners with interactive lessons

collaborative efforts in improving educational standards and empowering future generations.

Figure 3 and 4: Childrens are engaged in hands-on activities

Outcomes:

- **Improved Understanding:** Public school children gained a better understanding of basic concepts in mathematics, science, and English.
- **Increased Engagement:** The interactive sessions resulted in higher student engagement and participation.
- **Practical Experience:** College students gained valuable teaching experience and a deeper understanding of community needs.

Report on

CLEANATHON AT MALLESWARAM

Date: November 27, 2021

Venue: Malleswaram

No. of participants: 30

No one wants to see ugly spots while they are on their way to work or college. People are certainly raising voices for lack of cleanliness, but the tone is often of a complaining one, where the government is blamed for everything. Also, in this fast paced life people do not have much time to spare for such issues.

On November 27, 2021, the NSS unit of City Engineering College organized a Cleanathon event at Malleswaram to promote cleanliness and environmental awareness. The event aimed to address waste management issues and enhance the cleanliness of the local area. Few organizations are shown interest on cleaning the city by one of the methods is wall painting so that no one will harm or spoil the walls.

Figure 1: Poster on "CLEANATHON"

CITY
ENGINEERING COLLEGE

The motive behind spending hours in painting a wall and making it look attractive is simple, to bring about a behavioural change. They believe that if they paint a wall and put messages of cleanliness, people will think twice before spoiling such an art, “The aim of targeting a person’s mindset through our paintings has hit the right chord as we have observed 80 per cent of success rate in these years.

Our college students are enthusiastically participated in this event “Cleanathon”.

Volunteers adding vibrant and informative drawings to local walls to promote cleanliness and environmental awareness.

CITY
ENGINEERING COLLEGE

Volunteers and community members proudly pose together after a successful Cleanathon event at Malleswaram.

The Cleanathon at Malleswaram was a significant step towards fostering a cleaner and more sustainable environment. The event demonstrated the power of collective effort in addressing local environmental challenges and set a precedent for future initiatives.

A group of students from City Engineering College conducted a diverse range of activities aimed at fostering holistic development among students at **G.H.P.S, Chikkakallasandra**. The program encompassed educational subjects such as Science, Math, English, and Hindi, alongside essential computer skills. They also emphasized the importance of personal hygiene and moral values, instilling in them the significance of good manners.

The students exhibited remarkable enthusiasm and talent throughout their activities, participating wholeheartedly in cultural events like dance, singing, drawing, and various games. To acknowledge their efforts, awarded winners with gifts and prizes, and every student received tokens of appreciation including chocolates, pens, and pencils.

SCHOOL BEAUTIFICATION ACTIVITY

Date:23/09/2021

Venue: Govt. School, Deepanahalli

No. of participants:20

The Computer Science and Engineering students led a School Beautification Activity at the Government School in Deepanahalli on September 23, 2021. Coordinated by the NSS club, the event aimed to enhance the school's environment and promote sustainability.

The 4th semester CSE students engaged in thorough cleaning of the campus. They removed litter, cleaned debris, and repainted old structures to refresh the campus's appearance. The students also designed and displayed informative posters about environmental conservation, aiming to raise awareness among their peers. This initiative not only beautified the school grounds but also fostered a sense of environmental stewardship and community spirit among the students, showcasing their dedication to improving their campus and surroundings.

Developing a Strategic Business Plan to Increase Village Income

Date: 22nd Oct 2021

Venue: Honnalgere Village

No of participants- 10

A group of engineering students of city engineering college participated in the activity "Developing a Strategic Business Plan to Increase Village Income" by Department of Basic Science and Humanities on 22nd October 2021 at Honnalgere village. The primary objective of this one-day activity was to engage with the village community and develop a strategic business plan aimed at enhancing the village's income. This initiative sought to empower villagers with actionable insights and that could be implemented to boost their economic well-being.

By focusing on agricultural innovation, skill development, entrepreneurship, and infrastructure enhancement, we aim to empower rural communities and pave the way for long-term prosperity. We can significantly enhance village income, create employment opportunities, and improve the overall standard of living in rural communities. The one-day activity was a successful step towards fostering economic development in the village through strategic business planning.

DIGITAL PAYMENT AWARENESS PROGRAM

Date: August 25, 2021

Location: Thoppaganahalli

Number of participants:20

Program Overview: On August 25, 2021, City Engineering College organized a Digital Payment Awareness Program in Thoppaganahalli. This event aimed to educate the local community about the benefits and usage of digital payment systems, thereby promoting financial inclusion and literacy. The program saw active participation from the 4th semester students who played a crucial role in the success of the event.

Activities Conducted:

1. Interactive Sessions:

- Students conducted interactive sessions explaining various digital payment methods, including UPI, mobile banking, and digital wallets.

2. Demonstrations:

- Live demonstrations on how to use popular digital payment apps like Google Pay, PhonePe, and Paytm were conducted to provide hands-on experience.

3. Awareness Campaign:

- Information was provided on the security measures to be taken while performing digital transactions to prevent fraud and scams.

CITY
ENGINEERING COLLEGE

Figure 1 and 2: Students demonstrating how to use popular digital payment apps like Google Pay and PhonePe.

Outcomes:

- Enhanced understanding of digital payment systems among the residents of Thoppaganahalli.
- Increased confidence in using digital platforms for financial transactions.
- Improved financial literacy and inclusion within the community.
- Greater awareness of digital transaction security measures.

NSS COORDINATOR

Mr. Gopikishan
