BRIEF INFORMATION ABOUT THE ACTIVITY

NAME OF THE ACTIVITY	Plastic Awareness Programs for street Vendors
OBJECTIVE	<p>The primary objective of the Plastic Awareness Program conducted by City Engineering College's CSE students was to:</p> <p>Raise Awareness: Educate street vendors about the detrimental effects of plastic pollution on the environment and human health.</p> <p>Promote Sustainable Practices: Encourage the adoption of eco-friendly alternatives to single-use plastics.</p> <p>Provide Practical Solutions: Distribute paper bags made from recycled newspapers to street vendors, offering a sustainable alternative to plastic bags.</p>
ACTIVITIES	<ul style="list-style-type: none">• Students interacted with vendors to educate them about the harmful effects of plastic on the environment and human health, highlighting the importance of adopting eco-friendly alternatives.• Distribution of Paper Bags: As part of the initiative, students made paper bags from old newspapers themselves. These eco-friendly bags were distributed among street vendors free of cost to encourage them to use these instead of plastic bags.
OUTCOMES	<ol style="list-style-type: none">1. Sustainable Practices: The program successfully introduced and promoted the use of paper bags made from recycled newspapers, reducing the reliance on single-use plastics in the local community.2. Community Involvement: The initiative fostered a sense of community involvement, with students and vendors working together towards a common goal of environmental conservation.

BRIEF INFORMATION ABOUT THE ACTIVITY

NAME OF THE ACTIVITY	Empowering Local Farmers by Distributing Beehive Boxes
OBJECTIVE	<p>City Engineering College proudly launched the "Empowering Farmers: Beehive Installation Initiative" on 03-05-2024, to support local farmers by introducing beekeeping as a sustainable source of income. The event, held on the college campus, aimed to educate and empower farmers through practical training and support in beekeeping practices.</p> <p>This initiative aligns with the institution's commitment to community development and environmental sustainability under Outreach Program to generate employability. This event is contributed by CECAA under Corporate Social Responsibility Act.</p>
EVENT DETAILS	<p>The event commenced with a welcome address by NSS Wing, Mr. Gopikishan, who emphasized the importance of sustainable agricultural practices and the role of the college in supporting local communities. Topics covered included the economic advantages of honey production, the role of bees in pollination, and the environmental benefits of maintaining healthy bee populations.</p>
OUTCOMES	<p>The main goal of this program is to generate employability among farmers which in turn would generate income and thus help them financially. The City Engineering College Alumni Association (CECAA) under Corporate Social Responsibility successfully organized the event.</p>

To,

The Principal,
City Engineering College,
Bangalore.

Subject: Appreciation for conducting extension community activities for the empowerment of local communities in Lingapura, K Gollahalli Panchayath, Kengeri Hobli.

On behalf of K Gollahalli Panchayath, Kengeri Hobli, we would like to extend our heartfelt appreciation to City Engineering College for their outstanding contribution to our community through the initiative to distribute Bee Comb Boxes to local farmers. This initiative has not only promoted sustainable agriculture but has also encouraged the development of honey production among our farmers, thereby supporting local farmers to increase their income.

In addition, your effort to provide training by an eminent person from GKVK Bangalore has been invaluable. This training has equipped our farmers with the knowledge and skills necessary to effectively manage their new bee comb boxes and maximize honey production.

Through your efforts, the farmers of Lingapura, K Gollahalli Panchayath have received valuable resources and support that will significantly contribute to their livelihoods and the local economy. Your dedication to community service and environmental stewardship is commendable and serves as an inspiration to others. We extend our gratitude for your commitment to making a positive impact in our community. Your initiative aligns perfectly with our shared goals of sustainable development and empowerment of local communities.

Once again, thank you for your invaluable contribution.

Warm Regards,

K Gollahalli Panchayath,

BRIEF INFORMATION ABOUT THE ACTIVITY

TITLE OF THE ACTIVITY	"Temple Cleaning Initiative: Swachh Bharat Campaign in Action"
OBJECTIVE	The objective is to mobilize volunteers and local communities in systematically cleaning and maintaining temple premises to promote cleanliness, hygiene, and civic responsibility. By raising awareness, encouraging active participation, and ensuring the upkeep of temple environments, the initiative aims to create a clean and welcoming atmosphere for worshippers and visitors, contributing to the broader goals of the Swachh Bharat Mission for a cleaner and healthier India.
OUTCOMES	Improved Hygiene: Temple premises are cleaner and more hygienic, reducing the risk of infections and diseases for worshippers and visitors. Awareness and Education: Enhanced awareness among devotees and the community about the importance of cleanliness and hygiene in religious spaces. Behavioural Change: Encourages responsible waste disposal practices and promotes cleanliness habits among worshippers and visitors. Enhanced Visitor Experience: Visitors experience a more pleasant and spiritually conducive environment, leading to increased satisfaction and repeat visits. Contribution to Swachh Bharat Mission: Aligns with

Day wise Report:

Day 1: Obtaining Authorization from the Panchayat Office

The students initiated the project by obtaining the necessary permissions from the local Panchayat office. This step ensured that their activities were authorized and supported by the local governing body.

Day 2: Project Area Survey and Assessment

A thorough survey of the designated project area was conducted. This involved assessing the extent of garbage accumulation, identifying key areas that needed immediate attention, and planning the logistics of the clean-up operation.

Day 3: Garbage Collection and Cleaning Drive

The students actively participated in collecting and cleaning the garbage. They focused on both solid waste and plastic waste, ensuring that the area was cleared of all types of litter.

Day 4: Community Awareness Campaign

To ensure long-term success and sustainability, the students conducted awareness campaigns. They educated the local community on the importance of proper garbage disposal, the benefits of maintaining a clean environment, and practical ways to manage waste effectively.

Day 5: Organic Waste Collection and Composting

Organic waste was segregated from other types of waste. The students set up composting facilities to process this organic waste, turning it into useful compost that can be used to enrich the soil.

Day 6: Controlled Combustion of Solid Organic Waste

Solid organic waste that could not be composted was subjected to controlled combustion. This process helped in reducing the volume of waste and managing it in an environmentally friendly manner.

Day 7: Project Outcome and Certification from Panchayat Office

Upon the successful completion of the project, the students documented the outcomes, highlighting the improvements in the cleanliness and hygiene of the area. They then approached the Panchayat office to obtain a letter of completion, which served as official recognition of their efforts and achievements.

Outcome:

Around 200 people of Arakere are helped through this extension activity.

Sub: Conducting an “CEC Campus Tour” as part of Extension activity on 06/01/2024.

This is to inform all the HODs and faculties that the Department of Computer Science and Engineering and CEC NSS team is organizing a "CEC Campus Tour" as part of our extension activities on 06/01/2024. We are excited to welcome students from Subramanyapura Government School, Bangalore, who will be participating in this tour.

The tour aims to showcase our campus facilities and academic environment to prospective students and visitors. This initiative is crucial in promoting our institution and providing an immersive experience of our academic offerings. We kindly request your cooperation in ensuring the success of this event. Please encourage interested students and faculty members to participate actively and assist in guiding the tour groups.

Activities Undertaken	<ol style="list-style-type: none">1. Physics Lab Visit: Experiment Conducted: The students were introduced to the difference between normal light and laser light by Prof. Nagashree, HOD, Dept. of Physics. The experiment included demonstrations showing the unique properties and applications of laser light compared to regular light sources. This hands-on activity helped students understand the basic principles of optics and light behavior.2. Chemistry Lab Experiment: Experiment Conducted: A titration experiment was performed in the chemistry lab. The students were given a demonstration on how to perform a titration, explaining the process of determining the concentration of a solution. This experiment highlighted the importance of precision and technique in chemical analysis by Dr. Rajasekhar, HOD, Dept. of Chemistry.3. Computer Lab Session: The students were given a basic introduction to computer components by our students volunteers and toppers. They learned about various hardware parts, including the CPU, monitor, keyboard, and mouse, as well as internal components like the motherboard, RAM, and hard drive. This session aimed to build foundational knowledge about computer systems and their functioning. Dr. Sowmya, Professor and HOD, from the Department of CSE highlighted the importance of computers and provided basic awareness to the students.4. Distribution of Books and Pens: The Principal and the Head of the Computer Science Engineering (CSE) Department distributed books and pens to all the visiting students. This gesture was to encourage and support their educational pursuits.5. Refreshments: Refreshments were provided to all the students at the college canteen. This included snacks and beverages, ensuring the students had a comfortable and enjoyable visit.

Feedback from School Students:

The students from Subramanyapura Government School were enthusiastic about their visit to City Engineering College. The overall feedback from the students was very positive, and they expressed gratitude for the opportunity to visit City Engineering College and participate in the activities. The teachers accompanying the students also appreciated the efforts of City Engineering College in organizing such an informative and well-structured visit. Overall, the event was a success, fulfilling its objective of fostering a spirit of learning and curiosity among young students. We look forward to organizing similar events in the future to continue our commitment to community engagement and educational outreach.

Day wise Report:

Day 1: Dengue Risk Awareness:

Children learned about Dengue as a serious illness spread by mosquitoes. They now recognize symptoms like fever and headaches and understand the importance of preventing mosquito bites by wearing protective clothing and using repellent.

Day 2: Awareness on Digital Literacy

Students learned about Computer basics cover such as understanding hardware (like the monitor, keyboard, and mouse), software (including operating systems and applications), and basic operations like file management, browsing the internet, and using common software programs such as word processors and spreadsheets.

Day 3: Safe and Unsafe Touches

Children learned to differentiate between safe touches (like hugs from trusted adults) and unsafe touches (like unwanted physical contact). Through interactive discussions and role-playing scenarios, they gained awareness of how to recognize, resist, and report inappropriate behaviour to trusted adults.

Day 4: Phonics Vocabulary

Children learned how to decode and pronounce words by recognizing phonetic patterns and blends. Through interactive games, reading exercises, and phonics drills, they practiced applying these skills in a fun and engaging way.

Outcome:

The Awareness Campaign for school children resulted in heightened awareness and understanding of important topics such as digital literacy or safe touches.

BRIEF INFORMATION ABOUT THE ACTIVITY

TITLE OF THE ACTIVITY	AIDS Awareness Rally
OBJECTIVE	The objective of an AIDS awareness rally is to raise awareness about HIV/AIDS, educate the public about prevention and treatment options, reduce stigma and discrimination associated with HIV/AIDS.
EVENT DETAILS	The AIDS Awareness Rally was organized with the objective of raising awareness about HIV/AIDS, educating the public on prevention and treatment options, and reducing the stigma and discrimination associated with the disease. Students marched through key areas holding banners and placards with messages promoting awareness.
OUTCOMES	Increased Awareness: Participants and the public gain a better understanding of HIV/AIDS, including transmission, prevention methods, treatment options, and the impact of stigma. Behavioral Change: Rally attendees may be more likely to adopt safer behaviours, such as using condoms consistently, getting tested regularly for HIV, and avoiding sharing needles, thereby reducing the risk of HIV transmission.

BRIEF INFORMATION ABOUT THE ACTIVITY

TITLE OF THE ACTIVITY	Community Service: Public Park Clean-up
OBJECTIVE	The objective of the community service – public park clean-up was to improve the aesthetic appeal of the public park by removing litter, debris, and other unsightly materials. To promote environmental stewardship by cleaning up trash and preventing pollution.
OUTCOMES	Improved Park Environment: The most immediate outcome is a cleaner and more aesthetically pleasing park environment. Removing litter, debris, and other waste enhances the park's appearance and makes it more enjoyable for visitors. Environmental Impact: By removing trash and waste from the park, students contributed to environmental conservation. This action helps prevent pollution of natural habitats,

water bodies, and wildlife that may be affected by improperly disposed waste.

Community Engagement: The clean-up event fosters community involvement and engagement. It encourages collaboration among students, volunteers, and local residents, promoting a sense of shared responsibility and pride in the community's public spaces.

Educational Experience: Participating in the clean-up provides students with hands-on learning opportunities about environmental issues, waste management, and the importance of conservation. It can deepen their understanding of how individual actions contribute to broader environmental health.

Promotion of Civic Responsibility: Engaging in community service instills values of civic responsibility and stewardship among students. It encourages them to take an active role in caring for their community and its resources.

Social Benefits: The event promotes social interaction and teamwork among participants. Working together towards a common goal strengthens bonds and builds relationships within the group and with the broader community.

BRIEF INFORMATION ABOUT THE ACTIVITY

TITLE OF THE ACTIVITY	Rashtriya Ekta Diwas Celebration
OBJECTIVE	Rashtriya Ekta Diwas (National Unity Day) was introduced by the Government of India and inaugurated by Indian Prime Minister Narendra Modi in 2014. The intent is to pay tribute to Patel, who was instrumental in keeping India united. It is to be celebrated on 31 October every year as annual commemoration of the birthday of Sardar Vallabhbhai Patel, one of the founding leaders of Republic of India.
EVENT DETAILS	NSS club of City Engineering College, Bengaluru, organised Rashtriya Ekta Diwas and Birth anniversary of Sardar Vallabhbhai Patel in our college campus. NSS team organized a poster design competition at our college. Faculty members judged the posters and prizes were awarded to three students. Additionally, the prizes were distributed during the event.
OUTCOMES	Promotion of National Unity: The celebration reinforced the importance of national unity and the contributions of Sardar Vallabhbhai Patel to India's integration. Increased Awareness: Students gained a deeper understanding of Sardar Vallabhbhai Patel's life, principles, and his pivotal role in uniting the nation.
