BRIEF INFORMATION ABOUT THE ACTIVITY

TITLE OF THE ACTIVITY	BOOTCAMP ON DATA ANALYTICS
OBJECTIVE	The "BootCamp on Data Analytics" by M/s Dyashin Technosoft Pvt Ltd was instrumental in equipping students with practical skills and confidence essential for success in data-centric industries.
EVENT DETAILS	Mr. Praveen demonstrated hands-on experience and provided insights into data analytics tools and techniques. The session covered key concepts and practical applications, equipping participants with valuable skills for data-driven decision-making.
OUTCOMES	1. Fundamentals of Data Analytics: The bootcamp began with an in-depth exploration of foundational concepts in data analytics. Participants acquired a robust understanding of statistical analysis, data preprocessing, and data cleaning, laying a strong groundwork for practical applications. 2. Data Visualization Techniques: Practical workshops were dedicated to exploring various data visualization tools and techniques. Students actively engaged in creating impactful visualizations to effectively convey complex insights.

BRIEF INFORMATION ABOUT THE ACTIVITY

TITLE OF THE ACTIVITY	WORKSHOP ON “INNOVATIVE IOT DESIGN IDEAS”
OBJECTIVES	The objectives of the Workshop on “Innovative IoT Design Ideas” are to provide students with a comprehensive understanding of the fundamentals and architecture of the Internet of Things (IoT), explore the latest trends and technological advancements in the field, and develop practical skills through hands-on experience with IoT devices and platforms.
EVENT DETAILS	Dr. Sreenivasa Setty, a distinguished professor with over 30 years of experience, leads the session. The workshop explores the latest trends and innovations in Internet of Things (IoT) technology and provides hands-on experience in designing IoT solutions, offering valuable insights and practical skills for future applications.
OUTCOMES	Enhanced Knowledge of IoT: Students gain a deeper understanding of IoT fundamentals, architecture, and applications. Awareness of Current Trends: Insights into the latest trends and technological advancements in IoT. Practical Skills Development: Hands-on experience with IoT devices, sensors, and platforms, fostering practical skills in IoT design and implementation.
