## Memorandum of Understanding

13 Apr 2023

This Memorandum of Understanding (MoU) is made and entered into on [Date] between City Engineering College, represented by Matheen Shariff [Placement Head], hereinafter referred to as the "College", and Colt Assist Pvt Ltd, represented by Nandish kumar A T [COO], hereinafter referred to as the "Company."

### OBJECTIVE

The objective of this MoU is to provide placement opportunities to the students of the College in various companies through Colt Assist Pvt Ltd.

### RESPONSIBILITIES OF THE COMPANY

The Company agrees to

- Provide job descriptions and other details of available job openings to the College.
- Conduct campus interviews and select candidates for job openings.
- Provide job offers and appointment letters to the selected candidates.
- Conduct pre-employment training or orientation programs for the selected candidates, if required.
- Facilitate communication between the selected candidates and the respective companies.

### RESPONSIBILITIES OF THE COLLEGE

The College agrees to

- Provide a list of eligible students to the Company.
- Provide suitable facilities for conducting campus interviews.
- Coordinate with the Company to schedule interviews and other activities.
- Facilitate communication between the students and the Company.

### DURATION OF THE AGREEMENT

This MoU shall remain in effect for a period of 2 years from the date of signing, unless terminated earlier by mutual agreement or for any other valid reason.

### TERMINATION

This MoU may be terminated by either party upon 60 days written notice to the other party, in case of any breach of the terms of this MoU, or for any other valid reason.

Dear Sir,

Thank you for giving us the opportunity to discuss various services that we can provide to your esteemed institution. With more than 10 years of IT training experience and offering training through more than 100 centers in the country currently, we are poised to provide the best learning solution and related services. As we have our **Edureka Learning Center at BTM Layout 2nd Stage, Bangalore**, our solutions are already customized for you.

Our offerings to your institution include:

- Access to free online certification programs
- One free webinar/workshop and/or seminar per month
- Students will also be eligible for a 10% discount at our center on the production of college IDs and a recommendation letter from your desk.
- Free access to Elevayt, our placement platform that can connect your students to corporates across the country.
- We will also conduct job fairs/placement drives at certain intervals across the year in our center. Your students can enroll for the same for free by producing the college IDs and your recommendation letter.

As a special case, we can extend all the above to the last 3-year-alumni of your college.

We will position your institution as Veranda Academic Partner to all stakeholders in various corporates to help promote your students for placements.

We request your support in:

- Organizing free classes/workshops etc. in classrooms/auditoriums of the college
- Identifying places in your institute and website to display information regarding upcoming workshops, webinars, job fairs etc. so that we can work with you to make the students aware of such events.

We are confident that your students will find our end-to-end offering – course-to-placement support – beneficial. We look forward to a long-term association with **City Engineering College** !

With regards,

Sagar Rai

This MEMORANDUM OF UNDERSTANDING ("MOU") is entered on 2<sup>nd</sup> February of the Year 2023 between: Veterans India organization registered under Indian Trust Act, 1882 having its registered office at D-253, Madhu Vihar Near, Sector-3, Dwarka, New Delhi-110059. And Corporate Office Plot-C -713 B, First Floor, Sector-7 (Market), Dwarka, New Delhi 110077. India, of the FIRST PARTY;

AND

**(City Engineering College, Kanakpura Main Road, Doddakalasangra, Bangalore – 560 062)**

WHEREAS Veterans India is a National apolitical patriotic non-profitable organization of Veterans from all fields led by an Ex-Servicemen (which includes Gallantry Awardees, Martyr's families, Disabled Soldiers, Ex-Servicemen and their families) to inculcate patriotism, nationalism and integrity among citizens of the Nation especially youth and students.

City Engineering College, Bangalore affiliated to Visvesvaraya Technological University (VTU) is centrally located in Bangalore. The College has expanded over the last 19 years with sophisticated infrastructure as a part of the Institution's commitment to provide higher quality education in the area of Engineering. The highly facilitated landmark building – provides a perfect ambience for creativity and learning. City Engineering College is known for its academic excellence, friendly welcoming atmosphere and community spirit. Over large number of full time students study here in a wide range of programs. It is a centre of talented, experienced teachers who inspire and energize the students to achieve the best.

AND WHEREAS the parties, through professional interactions and collaboration seek to bring patriotism, nationalism and integrity in students of higher education Institutions ( HEIs) of India by merging veterans experience and guidance through higher education activities, both enter into this agreement to establish a strategic partnership in the areas given in more details in the succeeding paragraphs.

#### **Preamble and Objectives**

The objective of this MOU defines standards for the overall development of UG and PG students by bringing a Military touch that enables the youth to grow in all three dimensions (Mansa, Vacha and Karmana).

#### **Strategic Collaboration (Objectives, Scope & Outcome)**

  
PRINCIPAL  
CITY ENGINEERING COLLEGE  
Kanakapura Main Road, BANGALORE - 560 061

The Veterans India and (Name of College) under this MOU, shall collaborate towards:

1. Bringing nationalism and patriotism in higher education Institutions (HEIs)/Universities through activities based on veterans India themes and sharing experiences of Ex-Servicemen.
2. Personality development and Strategy building practices within higher education Institutions / Universities by involving local Veterans within higher education Institutions/ University vicinity.
3. Targeted preparation for SSB/CDS and other military examinations and interviews.
4. Modernizing NCC culture in higher education Institutions/ University vicinity by quick adoption model.
5. Connecting youth with veterans to make 2nd innings of veterans a better place full of knowledge and joy.
6. Adoption of Must Train method [Strategy and Tactics] for self-defense and national security.
7. Working together for the welfare of Gallantry Awardees, Martyr's families, Disabled Soldiers, Ex-Servicemen and their families.
8. Weekly/Monthly Activities to bring veterans from India and retired Military personnel into Induction level programs in higher education Institutions/Universities.
9. Monetary Compensation to Veterans for sessions they attend as speakers or expert to share their experience post-retirement.
10. All Sports/ physical fitness activities are to be conducted in collaboration with the Veterans India Youth Wing to meet the objective of the FIT India movement launched by the Honourable Prime Minister.
11. The college / Institute/ University shall provide premises in their campus free of cost and available manpower to Veterans India for patriotic activities as and when required besides above mention activities.
12. Facilitation of appropriate internship opportunities to the students in all applicable aspects of the organization including management and technology sectors in their Wings.

### Definitive Agreement

Any cost associated with the execution of the objectives of this MOU, if any, shall be mutually discussed and agreed to between the parties in a definitive agreement, before carrying out the activity.

### Tenure and Termination

This MOU is valid for five (5) years initially and will be deemed renewed for three years unless terminated otherwise.

This MOU shall commence as set forth above and remain in effect through the end of the term unless:

- a. Otherwise superseded by another agreement between the parties.
- b. The parties mutually agree to terminate this MOU.
- c. Either party gives the other 90 days' written notice of their intent to terminate this MOU.
- d. A breaching party has failed to cure a material breach of this MOU within 30 days following written notice of that breach given by the non-breaching party.

Each party is an independent contractor and no provision of this MOU grants either party any express or implied right or authority to assume or create any obligations or responsibility on behalf of or in the name of the other party or bind the other party in any manner or thing whatsoever.

Neither party shall assign or transfer the privileges and obligations under this MOU without the prior written consent of the other party.

The law of the Republic of India shall govern this MOU. Any dispute between the parties arising in connection with the performance of this MOU shall be resolved amicably between the parties through a process of negotiation before the use of any judicial remedy before the appropriate forum. Both parties irrevocably submit to the exclusive jurisdiction of the Courts at New Delhi, for any action or proceeding.

Bangalore - 560 056 Mob: 7676795276 Web.: www accuratinfosolution.com

## MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter referred to as the "MOU") is entered into on this the 2<sup>nd</sup> day of Jan 2023 at Bengaluru

### BY AND BETWEEN

City Engineering College, a college registered under the laws of India with its principal place of business at City Engineering College, Kanakapura Rd, near METRO Station, Doddakallasandra, Bikasipura, Bengaluru, Karnataka 560061

### AND

M/s ACCURATE INFO-SOLUTION, a company incorporated under the laws of India, having its registered office at #6, 1<sup>st</sup> main road, ITI Layout, Mallathalli, Nagarabhavi, Bangalore-560056, www accuratinfosolutions.in, represented by its Proprietor, Ms. Roopa Mahadev (herein after referred to as the "Company", which expression, unless repugnant to the context and meaning therein, shall mean and include its successors, representatives, nominees and assigns).

The term "Company" and "City Engineering College" are individually referred to as such or a "Party" and collectively referred to as the "Parties".

### WHEREAS

A. The Company, an Industry, established in the year 2019 and engaged in the business of *Academic Trainings, In-House Trainings, Corporate Trainings, One-to-One Trainings, Soft-Skills Trainings, Projects for Interns, Projects for BE & M.Tech, Career Guidance, Placement Assistance, Talent Acquisition, Resume writing, On-Job Support, Research & Development and Consultancy Services along with this we also train on Robotics and IOT.*

B. City Engineering College, Bengaluru which strives to enhance and strengthen its Industry-Institute Interaction and has taken various initiatives to compliment its educational excellence to meet the industry needs, has entered into various collaborative arrangements with other parties to enhance the knowledge and skills of the students in the Computer Science discipline.

C. The Parties are desirous to enter into this MOU to declare their respective intentions and to establish a basis of cooperation and collaboration between the Parties upon the terms as contained herein.

## **1. AREAS OF COLLABORATION**

1.1 The Parties have entered into this MOU to co-operate and collaborate between themselves to promote more effective use of each of their resources and provide each of them with enhanced opportunities. Each Party shall comply with applicable laws and internal guidelines/instructions, while performing under this MOU. The Parties agree to collaborate efforts in the areas of engineering and technology. (Specific area's undertaken by both the parties have to be disclosed (mention here)).

1.2 This MOU sets out the standard terms of co-operation and collaboration between the Parties. If necessary, the Parties may enter into definitive agreements, deeds or documents as may be required from time to time to give effect to the intention of the Parties contemplated herein. Notwithstanding anything contained herein, the Parties shall mutually set out the syllabus, scope and area of work, duration, etc., before commencing any collaboration activities.

1.3 The relationship between the Parties is that of principal- principal relationship. This MOU does not create any principal-agent, master-servant, partnership or joint venture relationship between the Department and the Company. Each Party being a separate legal entity shall obtain all approvals, consents, permissions and licenses required under applicable laws, if any, before undertaking any co-operation or collaboration activities contemplated under this MOU.

1.4 The Parties may set out guidelines or instructions to the students, who are beneficiaries under this MOU. The Parties agree that the concerned student/s will be personally liable for their acts or omission committed by them within the premises of the Company or in relation to the men and materials of the Company.

## **2.DURATION AND TERMINATION**

2.1 This MOU is for a period of 3 years with effect from .2<sup>nd</sup> Jan 2023. It can be extended further by mutual consultation and agreement.

2.2 It is agreed between the Parties that though this MOU is arrived at to facilitate co-operation for enhancing the quality of education in the area of Industrial applications, if, during the term of this MOU, for any reason the objective is not achieved or achievable, this MOU shall be terminated by either of the Parties, by giving a 30-day written notice to the other Party and no Party under this MOU shall have any kind of claim against the other Party.

2.3 Notwithstanding anything contained herein, either Party may terminate this MOU without cause by serving advance written notice of 60 days to the other Party.

2.4 Notwithstanding anything contained herein, either Party may terminate this MOU with immediate effect, in case of material breach of the terms of this MOU by the other Party.

2.5 This MOU is on a non-exclusive basis and that both Parties are at liberty to enter into similar arrangements with any third party for similar purposes without notifying the same to the other Party.

### **3. FINANCIAL ARRANGEMENTS**

3.1 This MOU shall not give rise to any financial obligation by one Party to another Party. Each Party shall bear its own cost and expenses in the implementation of this MOU.

3.2 Any payment offered to the student/s by the Company, whether stipend or otherwise, shall be directly paid by the Company to the student/s, and the Department will not be responsible for the payment/non-payment/delayed payment of any amount to the student/s.

### **4. CONFIDENTIALITY**

Each Party shall undertake to observe the secrecy of confidential information received from or supplied to the other Party during the period of implementation of this MOU or other agreements made pursuant to this MOU.

For purposes of this MOU, "confidential information" means any information whether prior to or hereinafter disclosed by a Party( the Disclosing Party) to the other Party( the Receiving Party) of this MOU involving technical, business, marketing, policy, know-how, planning, project management and other information, data and/or solutions in any form, including but not limited to any information which is designated in writing to be confidential or by its nature intended to be for the knowledge of the Receiving Party or if orally given, is given in the circumstances of confidence.

### **5. REVISION, VARIATION AND AMENDMENT**

Either Party may request in writing a revision, variation or amendment of this MOU. Any such revision, variation or amendment agreed to by the Parties shall be in writing and shall form part of this MOU and shall come into force on such date as may be determined by the Parties.

### **6. INTELLECTUAL PROPERTY RIGHTS**

Nothing contained in this MOU shall grant, imply or create in either Party any right, title or interest in or to the intellectual property, including but not limited to knowhow, inventions, patents, copyrights and designs, of the other Party. However, intellectual property developed by the joint efforts would be the joint property of the Parties and any financial benefits or otherwise arising out of it shall be shared proportionately by the parties in consonance with the efforts / inputs given by them.

### **7. GOVERNING LAW AND DISPUTE RESOLUTION**

The terms of internship with the Company is governed by Indian laws and shall be subject to the exclusive jurisdiction of courts at Bengaluru. Any dispute or difference shall be first discussed

between the Parties and resolved. If the dispute or difference is not resolved, the Parties shall refer the same to a sole arbitrator appointed by the Parties. The arbitration proceedings shall be in accordance with the Arbitration and Conciliation Act, 1996 and the seat of arbitration shall be Bengaluru.

IN WITNESS WHERE OF, the undersigned, being duly authorized there to, have signed this MOU in two original copies in English at the place and on the date(s) indicated below:

## MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding ("MoU") is entered into as of 13-12-2022 (the "Execution Date") by and between, City Engineering College (hereinafter referred to City Engineering College

AND

Gong Labs Private Limited ( PAN: AAJCG4095K and CIN: U72900HR2021PTC099211), a private limited company incorporated under the Companies Act, 1956, engaged in providing employment assistance & vocational training to students, having its registered office at D-201, Palm Springs, Sector 54, Gurgaon, Haryana -122002 (hereinafter referred to as "Coffeee.io", which expression shall unless repugnant to the context or meaning thereto shall mean and include its successors and permitted assigns) represented herein by its Director, Mr. Amit Veer.

Parties

WHEREAS:

A. Coffeee.io will provide an opportunity to the students to assess themselves for employability and subsequently be shortlisted by participating companies and get hired.

B. Pursuant to the foregoing, the Parties have agreed to enter into this MoU to set forth the terms and conditions of their arrangement in the following sections.

As a part of this MoU, both the parties have identified and hereto agree to the following responsibilities respectively:

### 1. RESPONSIBILITIES

#### 1.1 Responsibilities of Coffeee.io

A. Coffeee.io, with the help of City Engineering College will offer all the students to onboard themselves on the platform Coffeee.io, create a profile. The candidates will be required to share their email addresses and details of their educational qualifications, previous employments (if any) and all necessary details that may improve their chances of getting an employment.

B. There will be no financial implications involved between Coffeee.io and students during the "Term" (defined hereafter) of this MoU, the end-users will get the following benefits upon enrolling on Coffeee.io:

- Online self-assessments in various subjects which will enable the students to showcase their proficiency to the hiring companies across the country
- Opportunity to get a job and internships after undergoing the self-assessments if they fit into the criteria of the hiring companies and are able to successfully clear all the stages of hiring as defined by the hiring companies
- Educational content on Coffeee.io helping the students to further sharpen their skills, including learning videos, practise modules, live sessions by industry experts, live training by renowned educators and regular doubt clearing sessions
- Ability to engage with and learn from similar candidates and experienced industry leaders on Coffeee.io

*S. Karan*

PRINCIPAL

CITY ENGINEERING COLLEGE

Kanakapura Main Road, BANGALORE - 560 061

## 1.2 Responsibilities of City Engineering College

- A. To spread the awareness about the benefits of Coffeee.io among college students through all means possible in the capacity of college management like Issuing Notice, email, SMS, WhatsApp, Facebook, LinkedIn, etc
- B. To help Coffeee.io in promoting various Live Sessions, Skills Bootcamps, Aptitude Tests, etc among college students through all means possible so that a maximum number of students can be benefitted.
- C. Providing Coffeee.io a database of interested students on campus so that Coffeee.io can communicate with them effectively and continue to inform them about the benefits of the platform
- D. To ensure min 75% of students enrol on the platform and take Coffeee assessment

## 2. Other provisions:

A. This MoU shall be valid for an initial period of 1 (one) year from the Execution Date ("Term") unless terminated earlier by Parties.

B. Coffeee.io shall keep all the data collected from the students confidential and shall NOT share/disclose to anyone in any form whatsoever without prior written permission from the students. Coffeee.io also agrees that the data collected shall be used for the purpose envisaged in this MoU and not for any other purpose.

5. Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the Institution and its related wings.
6. First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to the second party in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.
7. The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.
8. ExcelR would be the training delivery partner for the second party on various trending technologies
9. Training & Development and dissemination of knowledge for students of second party & affiliated colleges and employees of both the organizations.
10. ExcelR would work with incubation centers/ innovation cells of second party(Case to case basis), to formulate the business cases and data collection process from various industry and academic bodies that are associated with the second party
11. Cooperation between both parties would be extended to any other area which may be mutually beneficial to both organizations.

**CLAUSE 2: SCOPE OF THE MoU**

12. The budding graduates from the institutions could play a key role in the technological up-gradation, innovation, and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
13. Curriculum Design: First Party will give valuable input to the Second Party in teaching/training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.
14. Software Technologies Training: The first party will provide the training to the students and Faculties of the second party on different technologies like Data Science, Data Analyst, Artificial Intelligence, Tableau, Python, etc., Research and Development
15. Skill Development Programs: First Party to train the students of the second Party on the emerging technologies in order to bridge the skill gap and make them industry ready.
16. Guest Lectures: First Party to extend the necessary support to deliver guest lectures to the students of the second Party on the technology trends and in-house requirements.

www.excelr.com

17. Faculty Development Programs: First Party to train the faculties of the second Party for imparting training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.
18. Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein
19. There is no financial commitment on the part of the second party to enroll the students and faculties for the different free trainings run by the first party under Everyday Learning Initiation.
20. The first party would extend the help in providing artifacts such as training records and certificates to the second party upon a written request from the second party. This information is limited to only the students of the second party and at the discretion of the first party.
21. In case, the second party wants to conduct customized commercial training then this agreement can be amended, adding annexure with mutually agreed terms.

### CLAUSE 3: INTELLECTUAL PROPERTY

22. The first party will have the sole rights on the curriculum and related content provided in the training and it cannot be replicated or copied without the consent of the first party.
23. Confidentiality: Except as may otherwise be required by law, each party will hold confidential, during and after the term of this Agreement, any confidential information disclosed to it or its representatives, and will not disclose any such confidential information to any third party.

### CLAUSE 4: VALIDITY

24. The period of the agreement is valid for a period of 2 years from the date of signing of this agreement
25. This agreement will be valid only at the intentions of the parties involved therein, this MOU could be dissolved or cancelled by either party any time by giving 30 days' notice and shall not have any legal bindings in nature. should either or all the parties to it opt to not act upon, the MOU loses its validity.

### CLAUSE 5: RELATIONSHIP BETWEEN THE PARTIES

26. It is expressly agreed that First Party and Second Party are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

CLAUSE 10

MISCELLANEOUS PROVISIONS

The Memorandum of Understanding (MOU) as outlined in this document is not intended to be a legally binding document. Rather, it is meant to describe the nature and cooperative intentions of City Engineering College and Transit to suggest guidelines for cooperation. Nothing, therefore, shall diminish the full autonomy of either party, nor may any constraints be imposed by either upon the other, and nothing in this MOU shall be deemed to create a partnership, joint venture, or agency relationship between the parties. Any other matter not included in this MOU which is necessary for the smooth functioning of the Scheme shall be finalized among City Engineering College and Transit on mutual terms and conditions. The Memorandum of Understanding is not intended to create any legal relation of employer-employee or of principal and agent amongst the parties.

AGREED AND SIGNATURE

This MOU shall be effective upon the signature of City Engineering College and Transit authorized officials.
