Memorandum of Understanding

This Memorandum of Understanding is entered on 24th May 24 ("Effective Date") by and between **Connecting Dreams Foundation**, the implementation partner for the **VOIS for Tech program**, having its office at B-41 Arya Nagar Apartments I.P Extension, Delhi 110092, India (hereinafter referred to as "CDF"); and, City Engineering College having its address Near Doddakallasandra Metro Station (next to Konana Kunte Signal/Circle Stop) (Hereinafter referred to as "Institution").

Whereas, CDF is a non-profit organization with multiple programs, sponsored by government and corporate entities, that are offered free to learners across the education spectrum

Whereas, Institution is a premier institution with the following details:

Established (year):	2001
Name and Address:	City Engineering College having its address Near Doddakallasandra Metro Station (next to Konana Kunte Signal/Circle Stop)
Affiliations:	VTU, Belgaum

And whereas, the Parties seek to collaborate with each other to mutually complement their synergies and to jointly work on building capacity of learners through one or more of the programs managed by CDF.

Now therefore, this **Memorandum of Understanding** (hereinafter called "**MOU**") witnesses the following.

- 1. Term and termination:** This MOU is valid for an initial term of 1 year from the Effective Date. It can be extended by further periods, as agreed to by the Parties from time to time. Either Party may terminate this MOU by giving the other minimum 30 days' notice. The MOU will be deemed terminated at the end of the notice period or after completing all ongoing activities so that the beneficiaries (learners and teachers) are not negatively impacted, whichever is later.
- 2. Non-binding nature of this MOU:** The MOU is not binding on either Party and each is working with the other out of sheer good-will and for the benefit of the learners.
- 3. Single Point of Contact (SPOC) for program co-ordination:** Both the Parties shall appoint a suitable person who will serve as a single of contact on all matters related to program rollout. Individual learners and teachers may be in touch with corresponding trainers, mentors, advisors and peers during program rollout but all matters related to the execution of this MOU shall reside with the SPOC.
- 4. Program Calendar:** The SPOCs from both Parties will work with their respective internal stakeholders to develop a calendar for the program(s) rollout at the start of every quarter. This calendar will then be synchronized and published for use by everyone.
- 5. Responsibilities of CDF and/or its program sponsors/partners:**
 - a. Orientation sessions:** CDF will conduct orientation sessions for learners and educators, at a mutually agreed schedule, to onboard them onto the program(s).
 - b. Program materials:** CDF will share all program materials with the institution and/or learners as required. All sharing will be online and/or through electronic media.
 - c. Online instructor led sessions:** These sessions may take the form of webinars or

mentoring workshops or technology bootcamps that will seek to assist learners in their career goals. These programs will be organized regular as per a regular calendar, published online and will be conducted by CDF team members or program sponsors or external stakeholders as appropriate.

- d. **Interaction with Industry experts:** CDF will bring industry experts (as per availability) to the Institute to drive engagements with students through seminars/webinars or project mentorship.
 - e. **Online platform availability:** Online platforms for each of the programs of interest to the Institution will be made available to it. Links for these platforms will be made available to the Institution in a timely manner
 - f. **Assessments:** CDF will conduct assessments, as required, for its programs prior to certification by CDF and/or its industry partners and/or participating government agencies.
 - g. **Updates:** CDF will keep Institution management updated with the progress of the program(s)
6. Responsibilities of Institution:
- a. **Learner identification:** Institute will identify learners, volunteers and instructors who may participate in one or more programs offered by CDF.
 - b. **Support with orientation sessions:** Institute will support CDF conduct orientation sessions for all stakeholders.
 - c. **Support with attendance:** Institute will ensure that program participants enthusiastically participate in chosen programs, with minimum attendance as agreed between the Parties.
 - d. **Support with assessments:** Institute will ensure that assessments carried onsite are proctored and professionally managed.
 - e. **No fees:** Institute will not charge any extra fees from learners for participation in CDF programs. CDF will not charge any fees from the students/university for the program.

IN WITNESS WHEREOF, the parties hereto have executed this MOU on the Effective Date.

MEMORANDUM OF UNDERSTANDING (MOU)

Between

Amilo AI Pvt Ltd.

And

City Engineering College

This is an agreement between Amilo AI Pvt Ltd. (here in after referred to as "Amilo AI") and City Engineering College (hereinafter referred to as "City Engineering College").

I. PURPOSE AND SCOPE

The purpose of this Memorandum of Understanding (MoU) is to clearly identify the roles and responsibilities of each party as they relate to the collaboration and partnership in providing technology upskilling and placement training for students. This MoU is intended to educate, train, and prepare students from City Engineering College for careers in the tech industry through a strategic partnership with Amilo AI.

II. BACKGROUND

City Engineering College is a leading provider of engineering education and aims to equip its students with the necessary skills to excel in the rapidly evolving tech industry. Amilo AI, with its expertise in AI and Java Full Stack development, offers the Propel Mentorship program which includes tech webinars and a comprehensive placement training module.

III. PROGRAMME NAME

Propel Mentorship

The Propel Mentorship program consists of the following components:

1. Technology Upskilling Programs:

- AI and Java Full Stack Development courses.

2. Interactive Tech Webinars:

- Webinars on the latest technology trends and real-world applications.

PRINCIPAL
CITY ENGINEERING COLLEGE
Kanakapura Main Road, BANGALORE - 560 061

3. Personalized Mentorship:

- One-on-one mentorship for project development and career advice.

4. Placement Training:

- An intensive 2-week, 80-hour placement training program, covering resume building, interview skills, soft skills development, mock interviews, rapport building with HR's, and aptitude tests.

IV. AMILO AI'S RESPONSIBILITIES UNDER THIS MEMORANDUM OF UNDERSTANDING

Amilo AI shall undertake the following activities during the duration of the MOU:

- A. Design and develop evidence-based training courses and training materials.
- B. Provide trainers for all courses and webinars.
- C. Maintain attendance records and prepare necessary documentation.
- D. Deploy training courses and provide Certificates of Completion to students who successfully complete their courses.
- E. Assist City Engineering College with training retention strategies and help in placement and internship drives. We pick students from the program who deliver excellence and give them 3-month internships
- F. Based on his performance in the internship, The student will be hired as Junior SDE in a full-time job role at our organization or other associated companies.
- G. Develop a logistical plan for the execution of the above responsibilities.
- H. Maintain records of all program activities and provide information to relevant stakeholders as required.
- I. Participate in quarterly project progress meetings.
- J. Follow all relevant and applicable regulations as specified by the funder's administrative rules and grant agreement.
- K. Provide follow-up services as applicable.

V. CITY ENGINEERING COLLEGE'S RESPONSIBILITIES UNDER THIS MEMORANDUM OF UNDERSTANDING

City Engineering College shall undertake the following activities during the duration of this Memorandum of Understanding:

Skandan

PRINCIPAL
CITY ENGINEERING COLLEGE
Kanakapura Main Road, BANGALORE - 561 061

- A. Enrol interested students in the Propel Mentorship program.
- B. Basic check on performance and feedback of students who enrolled in the training program.
- C. Ensure the number of participants trained equals the number promised.
- D. Assist Amilo AI project manager with securing participant information.
- E. Monitor and ensure attendance of all training participants in all sessions.
- F. Provide a monthly report of training participants' progress.
- G. Participate in quarterly project progress meetings.
- H. Follow all relevant and applicable regulations as specified by the funder's administrative rules and grant agreement.
- I. Provide other documentation as requested, including proof of participation.
- J. Work with program partners to provide follow-up services to program participants.

VI. MUTUAL AGREEMENT

- A. Training will be provided only if the training grant proposal is funded.
- B. This Partnership Agreement may be modified by a written, signed, and executed notice by both parties. Either party may terminate this Partnership Agreement for any reason with 72 hours prior written notice to the other party.
- C. In case of partial funding, City Engineering College will negotiate a monetary contribution to the training.

VII. REPORTING REQUIREMENTS

Reporting requirements will include the documentation of participant activity, attendance records, and progress reports as stipulated by the funder.

VIII. RECORD RETENTION

Both Amilo AI and City Engineering College agree to maintain all records supporting this Partnership Agreement and related activities for three (3) years after the end of the contract term. Records will be made available upon request by either party.

This Memorandum of Understanding is executed on 22nd May 2024 between Aero Knotz Drones India Private Limited, Chennai and duly represented by its Co-Founder / MD Mr. M. Subash and having its principal office at Chennai, India

&

City Engineering College, Bangalore duly represented by its Principal Dr S Karunakara and having its campus, Doddakalasangra, Kanakapura Road, Bangalore 560061.

Whereas all the Party wish to work together to promote mutual business interests and this MoU sets forth the terms of their understanding.

1. Objective:

1. Providing industry based technical training to the students to improve their skills in the field of aeronautics.
2. To train the students to improve their creativity and innovations in the field of aeronautics.
3. To empower the technical work – force in institutions by providing them certificates and training.
4. To improve the skills and motivate the students in creative thinking, innovative thinking and idea generation through Incubation Center.

1.1 Aero Knotz Drones India Private Limited agrees to:

1. Providing Workshops, guest lectures, value added courses and training to the students of City Engineering College
2. Ensure competent skill – Training as per the curriculum designed by the industrial and academic experts in the field of aeronautics, by providing sufficient exposure to theory and practical knowledge.
3. Provide training in the Institute City Engineering College for desired duration to meet out the desired credits as per the Institution requirement, so as to allow students to have practical training and theoretical inputs during the training period.
4. Carry out all administrative works such as maintaining attendance register, practical training log register, theory note books, progress report etc., for credit based courses.
5. Carry out all paper work for claiming raw material consumables for the students as per mutual agreement.
6. Provide a Business Incubation Center in City Engineering College premises.
7. Extend their support for the student's project works, idea hackathon and other competitions through the incubation center.
8. Providing all the training related to drone recent advancements and trends to the students of City Engineering College

PRINCIPAL
CITY ENGINEERING COLLEGE
Kanakapura Main Road, BANGALORE - 560 061

1.2 The City Engineering College agrees to:

1. Provide necessary supports and place for providing incubation center in the campus premises.
2. Extend its services and facilities for providing practical training in relevant technical fields to their students, and to permit the incubation in-charge and supporting staffs of the training academy into their premises for effective monitoring of training.
3. Participate in extending any material support for the smooth conduct of skill training and incubation center of Aero Knotz Drones India Private Limited.
4. Pledge its support to arrange Workshops, Internship training and value added courses to the students of City Engineering College every year.
5. Pledge its support to allow academy's staff to undertake guest lecture to the students of City Engineering College.
6. Allow the students from other institutions to attend the workshops and training programs conducted by Aero Knotz Drones India Private Limited in the Institution's premises.
7. Provide necessary supports and facilities for the faculties of Aero Knotz Drones India Private Limited who is staying inside the Institution's premises.
8. Provide the necessary facilities for the movement of materials / equipment's in and from incubation center by the faculties of Aero Knotz Drones India Private Limited

2. Confidentiality and Non- Disclosure

Any software/ hardware material, product specifications, designs, financial, information, documents that arise by implementing programs listed in this MoU shall be deemed to be in private domain and they shall not be made public or shared with any other party without the prior written consent of the party which owns them.

3. Intellectual Property

Each party shall respect the other's intellectual property (IP) and shall not use any trade name, trade mark, symbol or designation belonging to the other, without prior approval. No Party shall acquire any right in the other Party's Intellectual Property pertaining to any information disclosed by the Party pursuant to this MoU, and any Intellectual Property so disclosed shall be owned, controlled and remain vested in the Party disclosing such Intellectual Property. No party shall hold out as an agent or representative of the other or create any liability for the other. The Parties shall indemnify the other for any breach of this clause. Sharing of the Intellectual property on joint activities, shall be decided there and then, Case by case.

4. Commercials:

Commercials will be discussed and finalized separately on case to case basis. Each Party would bear its own expenses and costs incurred in connection with all the level of training program activities mentioned in this to the MoU.

Skandan

PRINCIPAL
CITY ENGINEERING COLLEGE

5. Drone Lab:

Drones are great at teaching how various physics principles work – all that are connected to aerial movements and fluids. They are great at building fine control skills and visual coordination since you have to control them indirectly from the ground. Students can also learn various aspects of society and how the modern and futuristic world works with drones. For example, drones are used to carry out pathological testing in rural and mountainous areas.

5.1 Collaborate with Aero Knotz Drone Lab:

1. Gain hands-on experience with the latest drone technology and equipment in our advanced Drone Lab.
2. Receive guidance from experienced professionals in the field of drone technology. Learn from industry experts and enhance your skills.
3. Collaborate on exciting drone projects and research initiatives. Apply your knowledge to solve real-world challenges and make meaningful contributions to the industry.
4. Connect with professionals, researchers, and fellow students passionate about drones. Expand your network and explore career opportunities in the rapidly growing drone industry.

5.2 What We Seek from College Partners:

1. Curriculum Integration: Incorporate drone technology into existing academic programs or develop specialized courses related to drones.
2. Student Engagement: Encourage student participation in drone-related activities, workshops, and research projects.
3. Research Collaboration: Facilitate collaborative research projects between faculty members, students, and Aero Knotz experts.
4. Facilities Support: Provide access to facilities and resources for drone testing, experimentation, and project development.
5. Promotion and Outreach: Promote awareness of the collaboration and opportunities available to students interested in drone technology.

6. Joint Responsibilities of the Parties subject to mutually agreed schedule:

1. Ensure active participation and end to end support to achieve desired results
2. Set up joint progress tracking mechanism
3. Sync up on periodic basis
4. Provide further infrastructure support on a need basis
5. Follow ups with internal as well as external stakeholders

7. Terms and Conditions

1. None of the Parties during the term of this Agreement shall, without the prior consent of the other Party, disclose to third parties any confidential information, as well as information regarding the interests of the other Party, which became known due to the performance of this Agreement, or use the information for purposes not agreed upon in writing by the other Party.

Skoulas
PRINCIPAL
CITY ENGINEERING COLLEGE

2. The Parties by mutual agreement may make amendments and/or rectifications to this Agreement. The changes that are made in writing to this Agreement and duly signed by the Party will constitute an integral part of this Agreement.

3. Terms of this Agreement, either directly or indirectly, shall not give rights to the Parties to any other obligations that are not explicitly specified in this Agreement.

8. Dispute Resolutions

The parties will consult each other and attempt to resolve disputes or misunderstanding that arises in the administration as per the norms of Chennai jurisdiction.

9. Force Majeure:

No party shall be held responsible for non-fulfillment of its respective obligations under this agreement due to the exigency of one or more of the force majeure events such as but not limited to Act of god/War/Flood/Earthquake/Strike/Lockouts/Epidemic riots/ Civil Commotion etc, provided on the occurrence and cessation of such events, the party affected thereby shall give notice in writing to other parties within one month of occurrence or cessation. If the force majeure conditions continued beyond six months, the parties shall then mutually decide about the future course of action.

This Agreement is effective for 3 years from the date of the last executing signature by the Parties hereto as shown below and shall be automatically extended for a further year if neither Party makes a written declaration of its intention to terminate this Agreement (not later than thirty (30) calendar days before the estimated date of such termination). This Agreement is made in two copies, one for each Party. Each copy of this Agreement shall have equal legal force.

In witness whereof, the Parties hereto have caused this Agreement to be signed by their duly authorized representatives as of the date set forth below.

Memorandum of Understanding (MOU) between DataFlair Web Services Pvt Ltd and City Engineering College, Bengaluru

Date: 15th May-24

Parties:

1. **DataFlair Web Services Pvt Ltd, 140-d, Sudama Nagar, Indore, MP, hereinafter referred to as the "DataFlair."**
2. **City Engineering College, Bengaluru hereinafter referred to as the "College."**

Background:

The College is committed to providing high-quality education and enhancing the employability of its students.

DataFlair specializes in offering free certification courses on latest cutting-edge technologies, study material, interview questions, tests, projects, and industry-recognized certificates in various technical domains, thereby supporting skill development and employability through DataFlair portal.

Purpose:

The purpose of this Memorandum of Understanding is to establish a framework for collaboration between the College and the DataFlair Company to benefit the students of the College through the free Certification courses that the DataFlair Company is providing through its portal.

Terms of Collaboration:

1. **Course Access:** The DataFlair Company will provide free access to its certification courses, study material, interview questions, tests, projects, and industry-recognized certificates to the students of the College through DataFlair portal.
2. **Customization:** The College may request course customization to align with its curriculum and specific requirements. Such requests may be considered by the DataFlair Company on a case-by-case basis.
3. **Technical Support:** The DataFlair Company will provide technical support to ensure the smooth delivery of courses.
4. **Certification:** Upon successful completion of courses, students will receive industry-recognized certificates from the DataFlair Company, enhancing their employability.
5. **Collaboration:** The College and the DataFlair Company will collaborate on sharing the courses to all the students of the College every year (Not only to few batches) and making it mandatory for all students to do at least 1 course per semester.

Copyright © DataFlair Web Services Pvt. Ltd.

6. **Data Privacy:** Both parties will adhere to all applicable data protection laws and ensure the privacy and security of student data.
7. **Duration:** This MOU shall commence on the date of signing and remain in effect unless terminated by either party with prior 15 days written notice.
8. **Financial Obligations:** In this MOU between College and DataFlair Company, it is agreed and understood that no financial obligations or terms are involved in the collaboration. Neither DataFlair company nor College / Faculties / Students need to pay.
9. **Internship:** The company will provide Internship to the students of the College based on the requirements.

Responsibilities:

1. **The College:** The College will facilitate the provision of resources, including access to students, promotion of courses, and sharing course information with students periodically on official channels. The College shall make reasonable efforts to ensure that all new students are informed and all incoming students have access to these courses provided by DataFlair.
2. **The DataFlair Company:** The DataFlair Company will provide access to courses, study material, and certification through DataFlair portal.

Dispute Resolution:

Any disputes arising from this MOU shall be resolved through amicable negotiations between the parties.

Amendment:

This MOU may only be amended in writing and signed by both parties.

MEMORANDUM OF UNDERSTANDING (MOU)

This Memorandum of Understanding ("MOU") is made and entered into as of 14th May 2024 by and between:

Dyashin Technosoft Pvt. Ltd., a company incorporated under the Companies Act, 2023, with its registered office at 32/33/5B, 1st Floor, Annapurna Block II, Kanakapura Road, J.P Nagar, Bengaluru-560 078 (hereinafter referred to as "Dyashin").

City Engineering College, an educational institution affiliated with Visvesvaraya Technological University (VTU) and located at Doddakalsandra, off Kanakapura Main Road, Bangalore -560062 (hereinafter referred to as "College").

WITNESSETH:

WHEREAS, Dyashin is a leading provider of information technology (IT) solutions and services, and is committed to fostering innovation and talent development in the IT & Engineering services sector; and

WHEREAS, College is a premier engineering college dedicated to providing quality education and preparing students for successful careers in the field of engineering; and

WHEREAS, both Dyashin and College share a common interest in collaborating to bridge the gap between academia and industry, and to equip students with the necessary skills and knowledge to thrive in the ever-evolving IT landscape.

NOW, THEREFORE, in consideration of the foregoing premises and the mutual covenants contained herein, the parties agree as follows:

1. Collaboration Programs

Dyashin and College agree to collaborate on the following on-campus learning programs:

1.1 Campus Internship Program (CIP):

This program will provide students with industry-relevant work experience through hands-on projects, mentorship, and industry exposure.

1.2 Campus Projects Program (CPP):

This program will allow students to work on real-world projects with industry partners, applying their classroom knowledge to practical challenges.

PRINCIPAL
CITY ENGINEERING COLLEGE
KANAKAPURA MAIN ROAD, BANGALORE - 560062

1.3 Faculty Mirroring Program (FMP):

Dyashin will deploy skilled developers as faculty members in College, ensuring students gain practical industry knowledge alongside theoretical concepts.

1.4 Faculty Development Program (FDP):

Dyashin will offer training sessions for College faculty, led by industry professionals, to equip them with the latest technological advancements and pedagogical approaches.

1.5 Student Success Program (SSP):

Dyashin provides comprehensive support, mentorship, and resources to empower students to thrive academically and personally throughout their college journey.

2. Responsibilities

Dyashin:

- Develop and provide program curriculum for CIP, CPP, SSP and FDP.
- Identify and assign mentors for CIP, CPP and SSP programs.
- Select and deploy qualified personnel for the FMP.
- Facilitate industry exposure opportunities for students participating in the programs.
- Provide resource materials and training content for the FDP.

College:

- Facilitate student participation in the programs based on selection criteria agreed upon by both parties.
- Provide necessary infrastructure and learning facilities for program execution.
- Appoint faculty coordinators to oversee program implementation within the College.
- Promote the programs among students and faculty.
- Facilitate communication between Dyashin and student participants.
- Ensure adherence to all applicable academic regulations and guidelines.

3. Term and Termination

This MOU shall be effective as of the date first written above and shall continue for a period of five (5) years, unless earlier terminated by either party upon thirty (30) days prior written notice to the other party.

This MOU may be terminated by either party upon written notice in the event of a material breach by the other party that is not cured within thirty (30) days of written notice.

4. Confidentiality

Both parties agree to hold in confidence all confidential information received from the other party in connection with this MOU.

5. Intellectual Property

All intellectual property rights developed or arising from the collaboration programs shall be owned by the party that created them.

PRINCIPAL
CITY ENGINEERING COLLEGE
Kanakapura Main Road, BANGALORE - 560 061

6. Dispute Resolution

Any dispute arising out of or relating to this MOU shall be settled amicably through discussions between the parties. In the event that the parties are unable to resolve the dispute amicably, the dispute shall be referred to arbitration in accordance with the Arbitration and Conciliation Act, 1996.

7. Entire Agreement

This MOU constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes all prior or contemporaneous communications, representations, or agreements, whether oral or written.

8. Amendments

This MOU may be amended only by a written agreement signed by both parties.

9. Governing Law

This MOU shall be governed by and construed in accordance with the laws of India.

IN WITNESS WHEREOF, the parties have executed this MOU as of the date first written above.

Dated: 31th January 2024

VR Academy, No. 30, 2nd Main Road, 7th Cross, N. R. Colony, Bengaluru – 560 019

Hereafter referred to as VR Academy and CITY ENGINEERING COLLEGE, here in after referred as CEC believing that the process of collegiate education can be enriched and national understanding strengthened, and recognizing the benefits to their respective departments from the establishment of educational links and cooperation, conclude this agreement.

The Memorandum of Understanding (MoU) as outlined in this document is not intended to be a legally binding document. Rather, it is meant to describe the nature and cooperative intentions of institutions involved and to suggest guidelines for cooperation. Nothing, therefore, shall diminish the fully autonomy of either institution, nor may any constraints be imposed by either upon the other, and nothing in this agreement shall be deemed to create a partnership, joint venture, or agency relationship between the parties.

The memorandum of understanding shall remain in force for a period of THREE (3) year from the date of the last signature and will be renewed automatically for periods of the same duration unless it is revoked with the understanding that it may be terminated by the appropriate authorities of either party giving THREE (3) month notice to the other party in writing, unless an earlier termination date is mutually agreed upon. The MoU may be amended or extended by written consent of the two parties.

VR ACADEMY and CEC wishing to establish relations between both institutions; hereby agree to cooperate with each other in areas of mutual interest as follows:

1. The purpose of this agreement is to develop academic and educational cooperation and promote mutual understanding between VR ACADEMY & CEC.

Skaram

PRINCIPAL
CITY ENGINEERING COLLEGE
Kanakapura Main Road, BANGALORE - 560 061

2. VR ACADEMY and CEC shall strive together to provide effective learning spaces in tandem with the programmes offered by CEC.
3. VR Academy shall endeavor to provide Value Added Courses and Skill Courses as per the broad vision of the NEP-2020 and it shall make efforts to align the same according to industry demand and as per University/UGC/AICTE requirements. The courses may be sponsored, partly funded or charged. Such programmes and courses shall be announced and made available to CEC.
4. CEC shall cooperate by providing required infrastructure (Lab, Classrooms, Computers etc.), as per course requirement which is necessary for successful implementation of the desired programme.
5. Both VR ACADEMY & CEC agree and shall endeavor to promote collaborative activities in academic areas of mutual interest on a basis of equality and reciprocity, which shall be as per the scope listed below:
 - a) Promoting skill-based learning and certification as added value.
 - b) Providing lab setup as per batch size for the delivery of course.
 - c) Concluding learning outcome.
6. VR ACADEMY undertakes to support the students of the institution for internship / placement activity.
6. The terms of cooperation for each specific activity implemented under this MoU shall be mutually discussed and agreed, prior to the initiation of that activity. Any such implementation agreements will form appendices to this Memorandum of Understanding.
7. The development and implementation of specific activities based on this Agreement will be separately negotiated and agreed between the faculties of the department which carry out the specific projects. Both institutions agree to carry out these activities in accordance with the laws.
8. Financial and/or funding considerations shall become the subject or specific discussion and agreement within the framework of a separate implementation of agreement, if any.
9. It is understood that the implementation of any of the types of cooperation stated in clause 3 shall depend upon the availability of resources, concurrence and financial support at the universities concerned.
10. Should any collaborative research activity under this Agreement result in any potential for intellectual property, both VR ACADEMY & CEC shall seek an equitable and fair understanding as to ownership and other property interests that may arise.

MEMORANDUM OF UNDERSTANDING (MOU)

This Memorandum of Understanding ("MOU") is made and entered into as of 20th Jan 2024 by and between:

CyberEye Academy, a company incorporated under the MSME Act, 2006, with its registered office at No 281/1, 1st floor Isro layout main Road Next to Isro layout bus stand Bangalore 560078 India (hereinafter referred to as "CyberEye"),

City Engineering College, an educational institution affiliated with Visvesvaraya Technological University (VTU) and located at Doddakalsandra, off Kanakapura Main Road, Bangalore-560062 (hereinafter referred to as "College").

BACKGROUND: The purpose of this MOU is to establish a collaborative relationship between CyberEye Academy and the Computer Science Department of City Engineering College to facilitate mutual cooperation in the field of education, training, and development.

WITNESSETH:

WHEREAS, CyberEye is a leading provider of information technology (IT) solutions and services, and is committed to fostering innovation and talent development in the IT & Engineering services sector; and

WHEREAS, College is a premier engineering college dedicated to providing quality education and preparing students for successful careers in the field of engineering; and

WHEREAS, both CyberEye and College share a common interest in collaborating to bridge the gap between academia and industry, and to equip students with the necessary skills and knowledge to thrive in the ever-evolving IT landscape.

NOW, THEREFORE, in consideration of the foregoing premises and the mutual covenants contained herein, the parties agree as follows:

1. Collaboration Programs

CyberEye and College agree to collaborate on the following on-campus learning programs:

1.1 Campus Internship Program (CIP): This program will provide students with industry-relevant work experience through hands-on projects, mentorship, and industry exposure.

1.2 Campus Projects Program (CPP): This program will allow students to work on real-world projects with industry partners, applying their classroom knowledge to practical challenges.

1.3 Faculty Mirroring Program (FMP): CyberEye will deploy skilled developers as faculty members in College, ensuring students gain practical industry knowledge alongside theoretical concepts.

PRINCIPAL
CITY ENGINEERING COLLEGE
Kanakapura Main Road, BANGALORE - 560 062

1.4 Faculty Development Program (FDP): CyberEye will offer training sessions for College faculty, led by industry professionals, to equip them with the latest technological advancements and pedagogical approaches.

1.5 Student Success Program (SSP): CyberEye provides comprehensive support, mentorship, and resources to empower students to thrive academically and personally throughout their college journey.

2. Responsibilities

CyberEye:

- Develop and provide program curriculum for CIP, CPP, SSP, and FDP.
- Identify and assign mentors for CIP, CPP, and SSP programs.
- Select and deploy qualified personnel for the FMP.
- Facilitate industry exposure opportunities for students participating in the programs.
- Provide resource materials and training content for the FDP.

College:

- Facilitate student participation in the programs based on selection criteria agreed upon by both parties.
- Provide necessary infrastructure and learning facilities for program execution.
- Appoint faculty coordinators to oversee program implementation within the College.
- Promote the programs among students and faculty.
- Facilitate communication between CyberEye and student participants.
- Ensure adherence to all applicable academic regulations and guidelines.

3. Term and Termination

This MOU shall be effective as of the date first written above and shall continue for a period of five (5) years, unless earlier terminated by either party upon thirty (30) days prior written notice to the other party. This MOU may be terminated by either party upon written notice in the event of a material breach by the other party that is not cured within thirty (30) days of written notice.

4. Confidentiality

Both parties agree to hold in confidence all confidential information received from the other party in connection with this MOU.

5. Intellectual Property

All intellectual property rights developed or arising from the collaboration programs shall be owned by the party that created them.

6. Dispute Resolution

Any dispute arising out of or relating to this MOU shall be settled amicably through discussions between the parties. In the event that the parties are unable to resolve the dispute amicably, the

PRINCIPAL
CITY ENGINEERING COLLEGE

PYGENICARC Programs MoU

This Memorandum of Understanding ("MoU") is entered into on 10th January, 2024, at Bengaluru.

BY and BETWEEN

PYGENICARC, BENGALURU - having its registered office at # 203, SB Orchids view, Uttarahalli, Bengaluru - 560061 and represented by the office of the Managing Director, PYGENICARC and assignees of First Party.

AND

City Engineering College, Bangalore has its registered campus at Kanakapura Rd, near METRO Station, Doddakallasandra, Bikasipura, Bengaluru, Karnataka 560062, and represented by The Principal, hereinafter referred to as "Institution" (which expression shall wherever the context so admits include its successors in interest, faculties, administrators, management and assigns) of the Second Party.

WHEREAS PYGENICARC offer programs and courses to the institutions that are in line with VTU guidelines and designed along with industry experts for the students. Exposing students to various opportunities available in the industry to build their competitiveness will enhance the learner's 21st-century skills. Industry experts and academic stakeholders for knowledge sharing and co-creating solutions that positively impact the community.

WHEREAS City Engineering College, Bangalore with the vision to provide learning opportunities, ensure excellence in education, research and facilitate an inspiring world-class environment to encourage creativity. The institute is committed to disseminating knowledge, and through its ingenuity, brings this knowledge to bear on the world's great challenges. CEC is dedicated to providing its students with an education that combines academic study and the excitement of discovery kindled by a diverse campus community.

Skanday
PRINCIPAL
CITY ENGINEERING COLLEGE
Kanakapura Main Road, BANGALORE - 560 062

For the purposes of this MoU, PYGENICARC, and City Engineering College, Bangalore shall be individually referred to as "Party" and collectively as "Parties".

1. PREAMBLE

Whereas both the Parties have under this MoU agreed to collaborate with each other or jointly with third parties for enhancing learner's 21st-century skills, Future Tech, Entrepreneurial Mindset, Societal Problem Ideation, Prototyping, and IP creations. The partnership shall help in shared resources, mentors and industry experts that can aid the institution in setting up an innovation ecosystem in their region thereby enhancing the outcomes of their own institution. The mutual platform was created for students to explore, experiment and excel in their field of interest thereby enhancing the quality of learning for students which in turn helps in NBA, NAAC accreditation and NIRF, ARIIA ranking.

2. PROPOSED MODES OF COLLABORATION

- a. PYGENICARC shall curate industry-standard curriculum and training for the purpose of imparting industry-specific knowledge to the students of the First year up to the Third year at the nearest PYGENICARC Innovation Hub. Students from the institution can opt-in for the specific courses of their interest.
- b. PYGENICARC shall facilitate students of respective engineering branches of City Engineering College, Bangalore to take up internship/experiential learning through field visits, in collaboration with local stakeholders.
- c. PYGENICARC shall facilitate students of respective engineering branches of City Engineering College, Bangalore to take up workshops, webinars, hackathons, and Industry Talks with guidance from available resource persons & experts.
- d. PYGENICARC will seek assistance on occasions to connect with local or influencers or associations that shall enable better community engagements.
- e. IPs generated during the program will be mutually shared between the institution/organizations participating and innovators of the idea. This is done to encourage more intellectuals and organizations to participate in developing innovative ideas for the development of communities.

In addition to the above, recently the Government of Karnataka has implemented the "Skill Labs Scheme" for students of engineering colleges with the intention of training the students to be industry ready. The fee structure for each student/year will be decided by the affiliating university viz. VTU, Belagavi..

Based on the evaluation made by VTU, the fees will be fixed to individual institutions as per the eligibility criteria. Hence, City Engineering College, Bangalore has decided to collaborate with PYGENICARC, purpose of upskilling the students for the

PRINCIPAL
CITY ENGINEERING COLLEGE
Kanakapura Main Road, BANGALORE - 560 061

21st Century needs, to enhance learner's skill sets. The track record of PYGENICARC with its committed trained manpower has given very good results in conducting summer internship programs for the institutions. PYGENICARC is also ready to offer skill-enhancing programs as per the proposal approved by VTU (Ref. No 3175), Belagavi. Hence, the following agreements are made between City Engineering College, Bangalore and PYGENICARC to provide quality training to the students and the same is monitored for its effective implementation.

3. RESPONSIBILITIES OF PYGENICARC

As the new NEP 2020 structure has emphasized experiential learning rather than rote learning, it is imperative to look into courses that focus on unleashing the creative potential of youth demography. With this objective, PYGENICARC has taken the below responsibilities,

- a. Design, develop and deliver the structured programs/courses in an effective way to the students.
- b. To nurture the competitiveness of the students through experiential and hands-on learning thereby enhancing the employability of the youth.
- c. To maintain and record data of the students, such as the attendance, assignments, completion of training modules, certificates, project reports, internship/ workshop/ webinars/ events attended, evaluation and the details of the trainer/ experts; submitted to Institution for official records.
- d. To enhance the skill of the students by exposing them to various opportunities available in the industry and community.
- e. To provide the certificates to the enrolled students, who complete the program with the required criteria.
- f. Resolve/ Guide the students on technical/ non-technical issues faced during the project execution.
- g. Conduct industry webinars/ talks, hackathons, workshops, etc., at the respective innovation hub for the students.
- h. Based on the merit, PYGENICARC would assist conversion of ideas to prototypes of students who have undergone training by PYGENICARC.
- i. Providing access to the best resources in the community and industry for the student innovators to build prototypes for the right ecosystem partner.

This in turn increases the innovation index of the institution – the number of ideas built, business pitches submitted, and processes shared with partnering colleges to build their research and innovation vertical – which will help them to enhance their NIRF, ARIIA ranking and also adhere to the NBA requirements.

Skarav

PRINCIPAL
CITY ENGINEERING COLLEGE
KUNJIKUDURU MAIN ROAD, BANGALORE - 560 061

4. RESPONSIBILITIES OF City Engineering College, Bangalore

- a. To bring to the notice of all students in the institution the offerings of PYGENICARC.
- b. To provide infrastructure support at your institution to conduct events and activities.
- c. Motivate and encourage the students to take up the program/ course/ workshop/ webinars/ hackathons conducted by PYGENICARC.
- d. To actively take part in the outreach/ discussion meets/ gatherings activities conducted by PYGENICARC for the institution.
- e. Quarterly feedback on the improvements shown by the students through the PYGENICARC program for the mutual benefit of the parties.
- f. To provide a Single Point of Contact who will be responsible for supporting the PYGENICARC team for smooth functioning. All reporting to the institution will be done through the Single Point of Contact.

5. COMMERCIALS

- a. City Engineering College, Bangalore will pay fees collected from the students enrolled for the PYGENICARC program on the agreed terms and will be limited to the amount approved for each program.
- b. The office of the Principal/ Finance officer will verify the bill submitted by PYGENICARC and make the payment on or before the commencement of the program modules
- c. Any change in the mode of payment needs to be mutually discussed prior and agreed upon by both Parties.

6. NO OBJECTION

Either parties are free to sign MoUs with multiple Companies, Government organizations and Educational Institutions and PYGENICARC and City Engineering College, Bangalore will have no obligations towards the same. The Agreement shall be subject to the jurisdiction of the courts at Bengaluru.

PRINCIPAL
CITY ENGINEERING COLLEGE
Kanakapura Main Road, BANGALORE - 560 061.

7. CONFIDENTIALITY

- a. During and for a period of 3 years, both the Parties shall keep confidential all knowledge, and information they acquire during their association. Such communication, information that is desired by the party sending the information to be kept confidential, shall inform the confidential nature of such information to the receiving party. Confidential information includes, without limiting the generality of the foregoing, information relating to intellectual property like courses offered, design of the courses, contents of the tutorials, webcasts, and podcasts, details regarding the fee payable, and/ or such other information to which the Institute may have access in the course of the association and terms of agreement which forms as part of this agreement.
- b. The obligations above shall not extend to any confidential information for which the receiving party can prove that this information:
 - is in the public domain at the time of disclosure or comes within the public domain without fault of the receiving party.
 - is already known or become known to the receiving party
 - is received from a third party having no obligations of confidentiality to the disclosing party
 - is independently developed by the receiving party; or
 - is required to be disclosed by law or court order.

8. NON-EXCLUSIVITY

The relationship of the parties under this MOU shall be nonexclusive and both parties, including their affiliates, subsidiaries and divisions, are free to pursue other agreements or collaborations of any kind. However, when entering into a particular agreement, the participants may agree to limit each party's right to collaborate with others on that subject.

9. TERMS AND TERMINATION

This MOU, unless extended by mutual written agreement of the parties, shall expire 3 years after the effective date specified in the opening paragraph. This MOU may be amended or terminated earlier by mutual written agreement of the parties at any time. Either party shall have the right to unilaterally terminate this MoU upon 60 days prior written notice to the other party. However, no such early termination of this MoU, whether mutual or unilateral, shall affect the obligations of the participants under any Research Agreement, Confidentiality clause as referenced in clause 7 above, or any other agreement entered into pursuant to this MoU, which obligations shall survive any such termination.

PRINCIPAL
CITY ENGINEERING COLLEGE

10. RELATIONSHIP

Nothing in this MoU shall be construed to make either party a partner, an agent or a legal representative of the other for any purpose.

The use of the name, logo and/or official emblem of any of the Parties on any publication, document and/or paper or marketing collateral is allowed with prior permission by either party.

11. ASSIGNMENT

It is understood by the Parties herein that this MoU is based on the professional competence and expertise of each party and hence neither Party shall transfer or assign this Agreement, or rights or obligations arising hereunder, either wholly or in part, to any third party.

MEMORANDUM OF UNDERSTANDING [MOU]

This Memorandum of Understanding (hereinafter called as the 'MOU') is entered into on this the 10th day of – January – Two Thousand Twenty-Four (2024).

between

The Administrative Management College (AMC), Bengaluru a college affiliated to Bengaluru University and having the institution at Kalkere, Baneerghata Road, Bengaluru – 560083 referred to as the college / Institution.

City Engineering College, Bengaluru a college registered under Visvesvaraya Technological University and having the institution at Doddakallasandra, Bengaluru – 560061. referred to as the college / Institution.

A. Objectives:

The goal is to foster collaboration and to facilitate advancement of knowledge on the basis of reciprocity, best effort, mutual benefit, and frequent interactions. Both the institutions agree:

- a) To exchange information on educational programmes.
- b) To exchange information on teaching, learning material and other literature relevant to their educational and research programmes in Commerce and Management streams.
- c) To jointly organize short-term continuing education programmes on topics of mutual interest and to invite each other's faculty to participate therein after approval from the management
- d) To jointly organize seminars, conferences, or workshops on topics of mutual interest and to invite each other's faculty to participate therein.
- e) To jointly propose and engage in training programmes and to invite each other's faculty to participate therein.

B. Research, Development and Consulting:

Both the institutions agree to help identify and invite faculty members from the other institution to participate in research or development programmes. The terms and conditions for such participation will be worked out by mutual agreement between them.

C. Exchange of resources:

Both the institutions agree to encourage collaboration between faculty from the two institutions. Specifically, institutions will encourage members of their faculty to undertake short visits to, or take up fixed-term visiting assignments at, each other's institution as per the existing norms. Terms and conditions for each visit or an assignment, including those concerning stipend, travel, and housing, name of the concerned faculty member will be worked out between them.

D. Student Exchange:

Both the institutions agree that student exchange will be guided by principals listed below.

A home institution refers to the institution where a student is a full-time student, and from where he/she is expected to graduate. A host institution refers to an institution that receives a student for a brief period of time to undertake a pre-determined programme of study or research.

- a) Exchange students will be selected by mutual agreement between the home institution and the host institution.
- b) An exchange student will continue to be treated as full-time student at his/her home institution.
- c) An exchange student will be considered as full-time "exchange" student at the host institution.
- d) His/her programme of study at the host institution will be determined by mutual consultation between his/her principal at the home institution and his/her "interim" academic advisor identified by the host institution.
- e) The host institution will evaluate an exchange student's performance in each course or module, award a letter grade or marks, and issue a letter to that effect.
- f) The home institution shall award certificate after due completion of the course to the students.
- g) The exchange students will pay tuition and other fees at their home institution.

PRINCIPAL
CITY ENGINEERING COLLEGE
Hanakapura Main Road, BANGALORE - 560 061

E. Joint Conferences, workshops and short-term courses:

Both the institutions agree to help identify and invite faculty members from the other institution to participate in conferences, workshops and short-term courses. The terms and conditions for such participation will be worked out by mutual agreement between them.

F. Co-ordination:

Each institution shall appoint one member of its teaching faculty to coordinate the programme on its behalf who will periodically review and identify ways to strengthen cooperation between the two institutions.

G. Tenure and Termination:

This MoU will take effect from the date it is signed by representatives of the two institutions. It will remain valid for five years, and may be continued thereafter after suitable review and agreement. Either institution may terminate the MoU by giving written notice to the other institution one month in advance.

H. Arbitration Clause:

Should there be a dispute relating to any aspect of academic cooperation, the principals of both the institutions will jointly resolve the dispute in a spirit of independence, mutual respect, and shared responsibility.

This MoU is signed subject to approval of the respective academic/administrative bodies.

MOU MEMORANDUM OF UNDERSTANDING:

NOW therefore the two parties have agreed to cooperate as follows:

PARTIES

This Memorandum of Understanding (hereinafter referred to MOU) is between City Engineering College, with an address of Doddakallsandra, off Kanakapura Main Road, Bangalore -560062, Bangalore, Karnataka, India and Avriant Private Limited – UNITE, with an address of #1c, 6th cross, 2nd floor, 3rd block Jayanagar Bangalore, Karnataka 560011, India and #10 Claremont Street Worcester MA Boston 01610, USA Collectively referred to as the “Parties”.

PURPOSE

- The purpose of this MOU between City Engineering College and Avriant Pvt Ltd – UNITE is to help students with industry tech skills which help increase the employability job opportunities in Students.
- While bridging the gap between the college and corporations, this program is intended to provide successful placement assistance.
- Transitioning the students into Industry skilled professional, who are ready for the employability during/post-graduation.
- Students will gain professional etiquette from working professionals and industry SME’s across the globe.

PRELIMINARY DISCUSSIONS

The two parties have discussed the possibilities for collaboration, including (details refer - “Professional Program Annexure”), subject to negotiation of the appropriate contractual terms and to the necessary funding being available.

PRINCIPAL
CITY ENGINEERING COLLEGE
Kanakapura Main Road, BANGALORE - 560062

WHEREAS the City Engineering College has objectives as to provide the best learning facility to students and one of the top-notch colleges in Karnataka. It is the institute of excellence in engineering education and research, producing socially responsible professionals. Creating a conducive environment for learning and research. Establishing industry and academia collaborations. Ensuring professional and ethical values in all institutional endeavors.

WHEREAS the Avriant Private Limited – UNITE, our mission is to empower students through technology education and bridge the gap between college and the corporate world. We provide comprehensive technical skills that equip students with the necessary skills, knowledge, and industry exposure to succeed in their careers. Through expert guidance, practical training, and networking opportunities, we strive to unlock their full potential and help them transition seamlessly into a professional career.

WHEREAS both institutions desire to establish relations in College to Corporate transition of Students. The program is built around Industry Based Course curriculum for students, which will increase / accelerate the employability of the students before they graduate.

ADMINISTRATIVE RESPONSIBILITIES - Avriant Pvt Ltd - UNITE

- Prior to Admission, provide an orientation program for incoming students.
- Register the students for the duration of the Professional Certificate Program.
- Create the academic credentials of students who would like to participate in the program.
- Provide the names of courses that are essential to students' curricular plan.

PRINCIPAL
CITY ENGINEERING COLLEGE
Kanakapura Main Road, BANGALORE - 560 061

- Endeavour to ensure that students are admitted to courses regarded as essential to their academic program.
- Assigning an academic advisor to all incoming students.
- Conducting effectively professional course module successfully, across all the semesters for Eng and Master students.
- 100 % placement assistance to all the students registered for his professional certifying course college to corporate course transformation. Reciprocal placement assistance of students in paid/un-paid internships and co-ops.
- Provide the CITY ENGINEERING COLLEGE with a final transcript of the student's academic performance at UNITE (Joint supervision of Postgraduate projects).
- Both institutions further agree to bear the cost of administering the program on such terms as shall be mutually agreed upon from time to time.
- The total cost of each course will differ according to the location of the host country and the nature of the course being taught.
- Joint conferences and workshops.
- Online, Hybrid Classes with National International Industry Experts and Professors, Subject Matter Expertise.

FINANCIAL PATTERN

- Both Parties understand that all financial arrangements between the Parties have mutually agreed.
- The Fund will be collected from students during Admission or from the admission fund or individually based on CITY ENGINEERING COLLEGE decision.
- Prior participation in the program, Students should have been paid Tuition and fees to CITY ENGINEERING COLLEGE.
- Payment will be made to Avriant UNITE, split across monthly.

S. Karan

PRINCIPAL
CITY ENGINEERING COLLEGE
Manjappa Main Road, BANGALORE - 560 051

LOGISTIC REQUIREMENT UNDERSTANDING

- Required dedicated space for UNITE COE (Centre of Excellency) team.
- We will be utilizing all the amenities of the college for facilitating the program on need basis (ex: Library, Computer Labs, Seminar halls, Projectors, Audio-Video Conferencing Equipment)

COMMENCEMENT, RENEWAL

- This MOU will be effective from the date of the signature hereto
- And will remain in force for a time period of five years, with a possibility for renewal at the end of the five-year-period, subject to the Parties' written agreement.

TERMINATION OF MEMORANDUM

The memorandum of Understanding may be terminated with immediate effect by mutual agreement between the parties or by either party giving the other not less than six months' notice in writing.

LIMITATION OF LIABILITY

Except for loss or damages caused through gross negligence or intent, the Parties shall have no liability to each other hereunder. Under no circumstances will either party be liable for any indirect, special, consequential, or punitive damages (including lost profits) arising out of or relating to this Agreement or the transactions it contemplates (whether for breach of contract, tort, negligence, or other form of action) in case such is not related to the direct result of one Party's negligence or breach.

PRINCIPAL
CITY ENGINEERING COLLEGE
Kanakapura Main Road, BANGALORE - 560 061

ASSIGNMENT

The Parties hereby agree not to assign any of the responsibilities in this Agreement to a third party unless consent to by both Parties in writing.

SETTLEMENT OF DISPUTES

The parties shall first use reasonable endeavors to amicably settle disputes arising out of or in connection with this Collaboration Agreement. Where a dispute has not been amicably resolved the parties shall enter structured negotiation with the assistance of a mediator acceptable to both sides. Where mediation fails the parties shall settle the dispute through arbitration, such arbitration shall be conducted under the rules of arbitration of the Indian Chamber of commerce by one or more arbitrators appointed in accordance with the said rules. The award of the arbitration shall be final and binding upon the parties.

ENTIRE AGREEMENT

This Agreement contains the entire agreement and understanding among the Parties hereto with respect to the subject matter hereof, and supersedes all prior agreements, understandings, inducements and conditions, express or implied, oral or written, of any nature whatsoever with respect to the subject matter hereof. The express terms hereof control and supersede any course of performance and/or usage of the trade inconsistent with any of the terms hereof.

IMPLEMENTATION

All laws, rules and regulations issued by all parties shall be strictly observed at all times.

PRINCIPAL
CITY ENGINEERING COLLEGE

Memorandum of Understanding

This Memorandum of Understanding is entered on 30th Sept 23 ("Effective Date") by and between Edunet Foundation having its office at A-11- 1105, Arcadia South City 2, Gurgaon 122018, India (hereinafter referred to as "Edunet"); and,

City Engineering College having its address Near Doddakallasandra Metro Station (next to Konana Kunte Signal/Circle Stop) Doddakallasandra, Bangalore – 560 062

(hereinafter referred to as "Institution").

Whereas, Edunet is a non-profit organization with multiple programs, sponsored by government and corporate entities, that are offered free to learners across the education spectrum, including but not limited to Next Gen Employability Program (<https://nextgen.edunetworld.com>)

Whereas, Institution is a premier institution with the following details:

Established (year):	2001
Vision:	Making Remarkable Contribution by Disseminating Knowledge on Emerging Trends in Engineering and Technology through various Programmes, Innovation and Research so as to Excel in Quality both at National and International level and to provide Career Guidance & Training for Employment

And whereas, the Parties seek to collaborate with each other to mutually complement their synergies and to jointly work on building capacity of learners through one or more of the programs managed by Edunet.

Now therefore, this Memorandum of Understanding (hereinafter called "MOU") witnesses the following.

- 1. Term and termination:** This MOU is valid for an initial term of 1 year from the Effective Date. It can be extended by further periods, as agreed to by the Parties from time to time. Either Party may terminate this MOU by giving the other minimum 30 days' notice. The MOU will be deemed terminated at the end of the notice period or after completing all ongoing activities so that the beneficiaries (learners and teachers) are not negatively impacted, whichever is later.
- 2. Non-binding nature of this MOU:** The MOU is not binding on either Party and each is working with the other out of sheer good-will and for the benefit of the learners.
- 3. Single Point of Contact (SPOC) for program co-ordination:** Both the Parties shall appoint a suitable person who will serve as a single point of contact on all matters related to program rollout. Individual learners and teachers may be in touch with corresponding trainers, mentors, advisors and peers during program roll-out but all matters related to the execution of this MOU shall reside with the SPOC.
- 4. Program Calendar:** The SPOCs from both Parties will work with their respective internal stakeholders to develop a calendar for the program(s) rollout at the start of every quarter. This calendar will then be synchronized and published for use by everyone.

Skandha

5. Responsibilities of Edunet and/or its program sponsors/partners:

- a. **Orientation sessions:** Edunet will conduct orientation sessions for learners and educators, at a mutually agreed schedule, to onboard them onto the program(s).
- b. **Program materials:** Edunet will share all program materials with the institution and/or learners as required. All sharing will be online and/or through electronic media.
- c. **Online instructor led sessions:** These sessions may take the form of coursework sessions, webinars or mentoring workshops or technology bootcamps or innovation camps or career readiness workshops that will seek to assist learners in their career goals. These programs will be organized regular as per a regular calendar, published online and will be conducted by Edunet team members or program sponsors or external stakeholders as appropriate.
- d. **Interaction with Industry experts:** Edunet will bring Industry experts to the Institute to drive engagements with students through seminars/webinars or project mentorship.
- e. **Online platform availability:** Online platforms for each of the programs of interest to the Institution will be made available to it. Links for these platforms will be made available to the Institution in a timely manner.
- f. **Assessments:** Edunet will conduct assessments, as required, for its programs prior to certification by Edunet and/or its industry partners and/or participating government agencies.
- g. **For programs with career paths:** Edunet will provide linkages with local and regional industry, government and the local start-up ecosystem (Incubators etc) that will help learners with gainful employment and/or entrepreneurial opportunities. Interactions will be encouraged in terms of classrooms sessions, workshops, Internship opportunities, career opportunities and entrepreneurship opportunities.
- h. **Updates:** Edunet will keep Institution management updated with the progress of the program(s)

6. Responsibilities of Institution:

- a. **Learner identification:** Institute will identify learners, volunteers and instructors who may participate in one or more programs offered by Edunet.
- b. **Support with orientation sessions:** Institute will support Edunet conduct orientation sessions for all stakeholders.
- c. **Support with attendance:** Institute will ensure that program participants enthusiastically participate in chosen programs, with minimum attendance as agreed between the Parties.
- d. **Support with assessments:** Institute will ensure that assessments carried onsite are proctored and professionally managed.
- e. **No fees:** Institute will not charge any extra fees from learners for participation in Edunet programs. Edunet will not charge any fees from the students/university for the program.

IN WITNESS WHEREOF, the parties hereto have executed this MOU on the Effective Date.

Annexure 1:

Program Brief:

India has one of the largest as well as the youngest workforce in the world. This is potentially one of the most integral factors that can make the country a global economic giant. But the current gap between skills required by the industry and the skill level of the incoming/existing workforce is making the situation that could potentially head towards disaster with a rise in unemployment despite availability of jobs as well as steady enrollment in higher studies.

To mitigate this, the proposed program aims to bridge the skill gap by providing students from tier 2/3 institutes, typically from underserved communities, with future skills that bring up their employability index. The program proposes to impart future skills such as cognitive thinking, problem-solving, effective communication, teamwork, etc. along with IR 4.0 skills centered around Data Analytics and Cloud Computing ensuring current career readiness along with future readiness. The program also aims to drive the capacity building of teachers to achieve a ripple effect to broaden the reach of the program. The program will be deployed in a blended format with experiential learning elements such as expert talks, bootcamps, and project-based learning

Program Implementation:

Duration: August 2023 to July 2024

Target number of learners: In the state of Telangana, Tamil Nadu, Kerala, Maharashtra, Andhra Pradesh & Karnataka the program aims to train 3000 students from Engineering and /or Sciences background

Student training will be a structured and exhaustive engagement program for the pre-final and final year students, with a strong focus on helping them develop the relevant digital technology skills through a project-based learning methodology. The program will enable the students to

- build strong foundational and industry relevant skills in the respective technology vertical through hands-on experiences
- learn complimentary skills through self-paced learning opportunities and modular engagements like expert talks, bootcamps, etc.
- reinforce their learning through mandatory project work aimed at building technical solutions for real-world cases under mentorship of master trainers/industry experts.
- Enhance their overall employability and provide with opportunities for internships/ jobs/micro-entrepreneurship.

Student training to be divided into two cohorts –

- Cohort 1 for students from engineering colleges to train them program content and provide access to employment opportunities through jobs/internships to eligible students
- Cohort 2 for learners from non-engineering institutions to build their capacity on fundamentals and provide access to employment opportunities through jobs/internships to eligible students
