CRITERION 4 – INFRASTRUCTURE AND LEARNING RESOURCES

KEY INDICATOR: 4.2 Library as a Learning Resource.

Metric Number: 4.2.1 Library is automated using digital facilities using Integrated Library Management System (ILMS), adequate subscriptions to e-resources and journals are made. The library is optimally used by the faculty and students.

Integrated Library Management System (ILMS)

The Institute Library and information center is automated using LIBSOFT (Version 7.0). All transactions in the library are done through the barcode interface.

The highlights of ILMS are summarized below.

LIBSOFT 7.0

- Provides easy access to information for Library users.
- Reduce the time of processing of library books.
- Automation of all the administrative works viz acquisition of reading materials, cataloging and circulation of reading materials, serial control etc.
- Makes the service more quick, efficient and effective.
- Online Public Access catalog facility.

Digital Library:

The Institute library has a Digital Library which provides access to digital Resources. IP based authenticated access has been provided. 20 computers are available with LAN connectivity.

Subscription to e– resources:

The Institute library is a member of **VTU e – Consortium through which we can access IEEE, Springer, Taylor and Francis, Elsevier and many other e-books and Journals.**
