**KEY INDICATOR:** 4.2 Library as a Learning Resource.

**Metric Number: 4.2.1** Library is automated using digital facilities using Integrated Library Management System (ILMS), adequate subscriptions to e-resources and journals are made. The library is optimally used by the faculty and students.

### **Integrated Library Management System (ILMS)**

The Institute Library and information center is automated using LIBSOFT (Version 7.0). All transactions in the library are done through the barcode interface.

*The highlights of ILMS are summarized below.*

#### **LIBSOFT 7.0**

- Provides easy access to information for Library users.
- Reduce the time of processing of library books.
- Automation of all the administrative works viz acquisition of reading materials, cataloging and circulation of reading materials, serial control etc.
- Makes the service more quick, efficient and effective.
- Online Public Access catalog facility.

#### **Digital Library:**

The Institute library has a Digital Library which provides access to digital Resources. IP based authenticated access has been provided. 20 computers are available with LAN connectivity.

#### **Subscription to e– resources:**

The Institute library is a member of **VTU e – Consortium through which we can access IEEE, Springer, Taylor and Francis, Elsevier and many other e-books and Journals.**
