KEY INDICATOR: 4.2 Library as a Learning Resource.

Metric Number: 4.2.1 Library is automated using digital facilities using Integrated Library Management System (ILMS), adequate subscriptions to e-resources and journals are made. The library is optimally used by the faculty and students.

Integrated Library Management System (ILMS)

The Institute Library and information center is automated using LIBSOFT (Version 7.0). All transactions in the library are done through the barcode interface.

The highlights of ILMS are summarized below.

LIBSOFT 7.0

- Provides easy access to information for Library users.
- Reduce the time of processing of library books.
- Automation of all the administrative works viz acquisition of reading materials, cataloging and circulation of reading materials, serial control etc.
- Makes the service more quick, efficient and effective.
- Online Public Access catalog facility.

Digital Library:

The Institute library has a Digital Library which provides access to digital Resources. IP based authenticated access has been provided. 20 computers are available with LAN connectivity.

Subscription to e– resources:

The Institute library is a member of **VTU e – Consortium through which we can access IEEE, Springer, Taylor and Francis, Elsevier and many other e-books and Journals.**

REPORT - NATIONAL LIBRARY DAY CELEBRATION

The Department of Library and Information Centre at City Engineering College, Bangalore, successfully celebrated National Library Day on August 12, 2022.

Event Details:

Date: August 12, 2022

Time: 12:15 PM

Venue: City Engineering College, Bangalore

Chief Guest:

Dr. H.N. Thippeswamy
Principal, City Engineering College

Organizer:

B.N. Basavaraju
Chief Librarian,
City Engineering College, Bangalore

The celebration commenced with a tribute to **Dr. S.R. Ranganathan**, widely regarded as India's Father of Library Science. Emphasizing their continued relevance in today's digital age, the focus was placed on his Five Laws of Library Science.

The event's main focus was on the significance of National Library Day. Speakers stressed how this day serves to recognize the crucial role libraries play in fostering education, research, and

CITY
ENGINEERING COLLEGE

community engagement. In the Indian context, libraries are regarded as essential centers for safeguarding cultural heritage and promoting literacy.

Dr. Thippeswamy delivered an inspiring address, emphasizing the library's role in supporting academic excellence and lifelong learning. He encouraged students to make full use of the library's physical and digital resources.

Key outcomes of the event included:

- Raised awareness about the importance of libraries in academic pursuits
- Promoted library resources and services among students and faculties
- Encouraged reading habits and resource's arguments and research methods.
- To identify keywords that represent a research topic and use keywords to find useful information sources.
- Fostered a sense of community among library users

The event concluded with a Q&A session, where students enthusiastically engaged with the speakers, demonstrating a renewal.

This celebration of National Library Day not only honored the legacy of **Dr. Ranganathan** but also reinvigorated the college community's appreciation for the indispensable role of libraries in academic and personal growth.
