DATE: 05-12-2022

### **Circular**

We wish to inform you that “**Full Stack Fundamentals BOOTCAMP**” is organized for 5<sup>th</sup> sem students on 07-12-2022 to 08-12-2022 by Dr. N P Netravati and Mr. Arya Nandann Singh M N in City Engineering College CSE Seminar hall.  
All are cordially invited.

## **A Report on: “Full Stack Fundamentals BOOTCAMP”**

**DATE:** 07-12-2022 to 08-12-2022

### **OBJECTIVE:**

The core objective of the workshop is to demystify the different topics in Full Stack fundamentals BOOTCAMP.

Participants are expected to:

- Learn basic Concepts of HTML, CSS, JavaScript
- Build couple of basic projects,
- Build a Todo application using popular technologies like React, Node, Mongoose, Express, Bootstrap.

### **METHODOLGY:**

A two days' workshop on “*Full Stack Fundamentals BOOTCAMP*” was successfully conducted in the city engineering college, from 7<sup>th</sup> to 8th December 2022 organized by Department of CSE/ISE/AIML. The workshop sessions received an overwhelming response from 5<sup>th</sup> semester students' participants.

The "Full Stack Fundamentals Bootcamp" is designed to give participants a hands-on introduction to building complete web applications.

It begin with an overview of what full-stack development involves, explaining the different parts that make up a web application and their roles.

**Front-End Development:** It starts by teaching the basics of HTML and CSS, which are used to create and style the web pages that user, see. Next, we introduce JavaScript to add interactive features.

**Back-End Development:** Moving on, we cover the server side of web development. This includes using Node.js and Express to create a server and build APIs that allow the web page to communicate with the server.

**Database Fundamentals:** We then explore how data is stored and managed using databases. Participants will learn about different types of databases (like SQL and NoSQL) and how to perform basic operations like creating, reading, updating, and deleting data.

**Deployment:** Finally, we cover how to get a web application online. Participants will deploy a simple application, making it accessible on the web.

**CITY**  
ENGINEERING COLLEGE

Throughout the bootcamp, participants will work on practical exercises and a mini-project that brings together all the skills they've learned, giving them a complete web application to showcase.

### OUTCOMES:

On successful completion of the workshop on **“Full Stack Fundamentals BOOTCAMP”**, by the end of the workshop, participants will have:

1. **Technical Skills:** Basic knowledge of HTML, CSS, JavaScript, Node.js, Express, databases, Git, and deployment. They'll be able to create and style a web page, build a simple server and API, manage a database, use version control, and deploy an application.
2. **Practical Experience:** Hands-on experience through exercises and a mini-project, allowing participants to apply what they've learned in real-world scenarios.
3. **Confidence and Readiness:** Improved readiness to pursue further studies or entry-level positions in web development, with a solid foundation in both front-end and back-end technologies.

**Resources and Networking:** Access to additional learning materials and connections with instructors and fellow participants for ongoing support and development.

<p><b>ABOUT THE COLLEGE</b></p> <p>City Engineering College, Bangalore affiliated to Visvesvaraya Technological University (VTU) is centrally located in Bangalore. The College has expanded over the last 20 years with sophisticated infrastructure as a part of the Institution's commitment to provide higher quality education in the area of Engineering. City Engineering College is known for its academic excellence, friendly welcoming atmosphere and community spirit.</p> <p><b>VISION</b></p> <p>Making Remarkable Contribution by Disseminating Knowledge on Emerging Trends in Engineering and Technology through various Programmes, Innovation and Research so as to Excel in Quality both at National and International level and to provide Career Guidance &amp; Training for Employment.</p> <p><b>MISSION</b></p> <p>M1. To encourage Knowledge Acquisition and Foster Innovation &amp; Research. M2. To Prepare Students for Immediate Employment, leading to Technological and Socio-economical growth. M3. To Provide Guidance for a Productive Career under various programmes.</p> 	<p><b>ABOUT THE DEPARTMENT</b></p> <p>The Department of Computer Science and Engineering was started in the year 2001 with an undertake of 60 and later increased to 180. The Department of Computer Science and Engineering provides quality education, laying a strong mathematical and scientific foundation with a focus on applications. The Department offers undergraduate program and has a comprehensive curriculum on topics related to software and hardware with an emphasis on theoretical and practical learning. It has well equipped, state of the art laboratories supported by high-speed internet and wireless networks.</p> <p>The students of CSE Department deliver value to the department with a dynamic character and active culture towards learning and delivering through assigned projects guided by faculty. The faculty members are highly qualified experienced and dedicated. All faculty members are masters, some doctorates and few are pursuing their Ph.D. from various reputed universities. All are inspired in delivering top class education blending their research in the area of information technology. The infrastructure of the department provides the student and staff a conducive learning environment.</p> <p>The Department regularly organizes industrial visit, conferences, workshops for the faculty and students training by in-house resources as well as industrial experts.</p>	  <p><b>CITY</b> <b>ENGINEERING COLLEGE</b> NAAC Accredited, Affiliated to VTU Kanakapura Road, Doddakallasandra, Bangalore - 560062</p> <p><b>Two Day Workshop</b> on</p>  <p><b>FULL STACK FUNDAMENTALS BOOTCAMP</b></p> <p><b>DATE: 7TH &amp; 8TH, DECEMBER 2022</b> <b>Organized by</b> <b>Dept. of CSE/ ISE/ AIML</b></p>
