	Stack Applications <b>Module 8:</b> Employability Skills		P6 - Healthcare Administration System (HAM): Develop a Hospital Website using Django Framework  P8 - Real Time Business Monthly Data Analysis  P9 - UniSys Portal: College Management System with Python Django  P10 - HealthCare Prediction on Diabetic Patient using Python
<b>Students whose attendance is less than 60%</b>		23	NA
<b>Students who haven't filled out the placement form on the LMS platform</b>	26 students out of 72 eligible students have not filled the placement interest form.		
<b>Students who got placed into Internship or Job with Edunet's Support</b>	1 (Placed in OLA)		

**Highlights:**

- Students have shown remarkable enthusiasm and engagement in training.
- Their active participation and ability to apply practical knowledge have been impressive, reflecting a genuine interest in the learning process.
- Good Infrastructure provided.
- Good support received from college faculties in terms of monitoring the student's attendance, providing the good infrastructure.

**Challenges Faced:**

- No challenges faced.

**Support required from the college:**

- Overall support during the training program was good.
- Please encourage the 26 students who haven't completed the placement form on the LMS platform to do so promptly. This will ensure they can access and receive notifications regarding the latest placement opportunities available on the platform. The data of these students is provided in Annexure 3.
- Further enhancements have been made to the LMS to enhance students' readiness for interview processes. I seek your help in organizing a virtual session with the students to introduce them to these new features and encourage their utilization.
- We will consistently share job openings through our LMS, and you will be informed accordingly. Your support in encouraging students to apply for these job openings is greatly appreciated.

**Feedback from the trainer:**

- The college was cooperative in completing the training program.
- The active and enthusiastic participation of students has surpassed expectations, reflecting a genuine interest in their educational journey.

# Introduction

Genplus (Formerly known as Genesis Training) as an organization is a brainchild of keen, enthusiastic, and driven individuals who are willing to push the boundaries of formal education, explore and create practical - implementable strategies for learning and retention.

## About us

Genesis is an innovative startup in the campus recruitment training industry. Create Values is our motto. In light of this, we offer training and evaluate the students, analyze the outcomes, identify areas that need development, and offer appropriate follow-up training programs.

## Vision

Our vision is to create a platform where learning is no longer a burden but a choice made by that specific learner to transform their dreams into reality.

## Mission

To enhance the level of excellence amongst students and pave the way for a better career opportunity.

# Leadership Team

**Naveen Nagaraj**  
Founder & Managing Director

**Varun Gowda**  
Vice President- Business Development

**Theertharaj**  
Chief Operating Officer

**Akshay Agasthya**  
Vice President- Learning & Development

# Program Summary

The primary objective of this Program is to prepare the students for campus and off-campus placements. This is achieved by assessing the students to identify their strengths and weaknesses to design and then deliver the necessary modules required to crack any recruitment drive.

## Program Details

- **Program Name:** Technical, Aptitude, Verbal Ability and Soft-skill
- **No of days:** 6 days
- **No of hours:** 36 hours
- **No of students trained:** 106
- **No of test given:** 7 (1 Pre Training Assessment, 5 Daily Quiz and 1 Post Training Assessment)
- **Start Date:** 21/09/2023
- **End Date:** 30/09/2023
- **Schedule Link:** <https://bit.ly/3ukyR2K>

# TRAINERS FEEDBACK

## TECHNICAL FEEDBACK ( SHRISHAIL ) :

The overall improvement in responsiveness and interaction among CS students is commendable. Both batches have shown increased interest in solving technical questions and executing coding tasks. There's noticeable progress in coding skills, logic building, and understanding of algorithms. However, students should focus on practicing foundational concepts more consistently. Overall, the responses have improved, but continuous practice and application of theoretical knowledge are essential for further enhancement.

## SOFT-SKILLS & VERBAL ABILITY FEEDBACK ( DINESH PARTHIBAN ) :

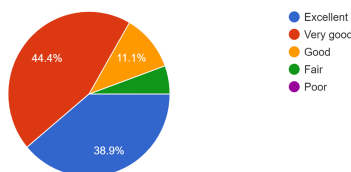

The students demonstrate a strong interest and enthusiasm for learning, but there is a need to enhance their reading skills and speed of comprehension. Improving vocabulary is also identified as an area for development. On a positive note, students are interactive and adept at solving questions, particularly at easy to medium difficulty levels. While they possess basic grammar knowledge, there's room for improvement, especially in tackling more challenging questions, which can be achieved through consistent practice.

## APTITUDE FEEDBACK ( RAKSHITHA ) :

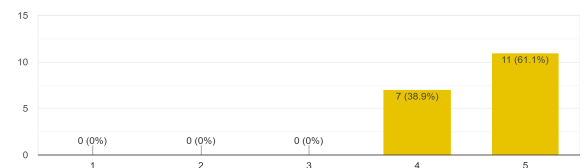

The students across various scenarios consistently display high levels of interactivity and eagerness to learn new concepts. However, a common area that needs attention is the improvement of basic math calculations. While some students take time to grasp concepts, others are quick learners. Overall, there is a collective need for strengthening foundational math skills to enhance their understanding and application of concepts.

# STUDENTS FEEDBACK

How would you rate your overall experience on your first day of training?  
18 responses

How would you rate the instructor's effectiveness in delivering the content?  
18 responses

## WRITTEN FEEDBACK FROM STUDENTS

- The sessions are good and no improvements are required as it good enough
- Yes, it was interactive and learned from real-time experiences.

# Conclusion

We thank you for the opportunity bestowed on us with this program. We are hopeful that we lived up to your expectations and the need of the hour.

We are eagerly looking forward to the next engagement and being of service to the institution and the students.

We want to extend our special thanks to **Mr. Matheen** (Training & Placement Officer) for your unwavering support and for providing us with the necessary details throughout the program:

Your collaboration and assistance have played a pivotal role in the success of this program. We are truly grateful for your support, and we look forward to future opportunities for continued partnership and growth.

Once again, thank you for your trust and support.

Kanakapura Main Road, Bangalore-560061

Just need to give some motivations

It's going great no such suggestions

Nothing much

Its good

Continue with the same way..

explain the concepts more precisely

Ntg

Your knowledge in the C program course is impressive, but I recommend incorporating practical examples, games, and hands-on activities to engage students better. Real-world applications and visual aids can make the learning experience more exciting and comprehensible.

The way placement trainers are doing there job that is enough for us because at this stage we need some brush up or quick revision and they are doing that .....so thank you to our palcement trainer and our college also .

Need to motivate about jobs

Super

No

All is going well and they are teaching concepts in more fun way .

.

It was good we wish to see mam in future classes

Need activities to build self-confidence

Could go a bit faster but dont know what sir has planned so yeah. Its fine i guess

Would be very happy if more classes and training sessions are taken.

-

no queries..... sir is teaching excellent

ATTESTED COPY

Kanakapura Main Road, Bangalore-560081

nothing

No suggestions bcoz the sessions are very clear and and good

It was good i would like it if it would've been a longer course

If the training session was extended for some more time it would be helpful

Excellent

The training went really well..can continue with the same phase

It was a memorable &Great experience.Suggestion-In one particular language we need depth like python,java,so it improves the technical skill.

Noice

All good

No suggestions,he is good already

Good training

It was amazing

.....

Teaching is gud

Nice

Nothing to say everything was excellent

More open

Overall good

Behaviour skill

The concepts were understanding and enjoyed while learning

Hope to have more of the classes

## ACTIVITY REPORT 2023-2024

NAME OF THE ACTIVITY: "Engineering Futures: Unlocking Opportunities through German Language Proficiency."			
DATE	FACULTY	DEPARTMENT	COORDINATOR NAME
29-02-2024	Mr Rishvanjas	CSE	Mrs.Tejaswini B N Mrs.SangeethaRao
TIME	VENUE	NUMBER OF PARTICIPANTS	NATURE: Outdoor/Indoor
2:000 PM	CSE Seminar Hall	177	Indoor

### BRIEF INFORMATION ABOUT THE ACTIVITY

TOPIC/ SUBJECT OF THE ACTIVITY	"Engineering Futures: Unlocking Opportunities through German Language Proficiency."
<b>OBJECTIVE</b>	The globalized nature of the engineering profession necessitates multilingual capabilities to foster better communication, collaboration, and career opportunities. German, being one of the major languages in the engineering world, offers numerous advantages to engineering students. In this seminar the students learnt the importance of learning German considering various professional, educational, and cultural aspects.
<b>METHODOLGY</b>	The following areas were concentrated and explained well by the speaker Mr. Rishvanjas <b>Language Courses:</b> Enrol in German language courses offered by universities, language institutes, or online platforms. <b>Language Exchange Programs:</b> Participate in language exchange programs to practice German with native speakers.

### BRIEF INFORMATION ABOUT THE ACTIVITY

<b>TOPIC/SUBJECT OF THE ACTIVITY</b>	<b>Report on “The International Day against Drug Abuse and Illicit Trafficking”</b>
<b>OBJECTIVE</b>	Addressing drug abuse and illicit trafficking aims to protect public health by preventing the spread of addiction and associated health issues, such as diseases and mental health disorders. It enhances public safety by reducing crime rates linked to drug trafficking and usage, including violence and organized crime activities. Supporting economic stability is another objective, as minimizing drug-related healthcare costs, lost productivity, and law enforcement expenditures is crucial. Promoting social welfare involves shielding individuals and communities from the negative social impacts of drug abuse, such as family breakdowns and community disintegration. Strengthening legal frameworks and law enforcement agencies is essential to effectively combat drug trafficking and related criminal activities. Raising public awareness and education about the dangers of drug abuse, along with the importance of prevention and treatment, is also vital. Providing rehabilitation programs and support services helps individuals recover from addiction and reintegrate into society. Finally, fostering international cooperation enhances global efforts to tackle drug trafficking networks and ensures a coordinated response to the international drug trade. These objectives collectively aim to mitigate the harmful effects of drug abuse and illicit trafficking on individuals, families, communities, and societies as a whole.

## METHODOLGY

The International Day against Drug Abuse and Illicit Trafficking, or World Drug Day, is marked on 26 June every year, to strengthen action and cooperation in achieving the goal of a world free of drug abuse. Each year, individuals like yourself, entire communities, and various organizations all over the world join in on this global observance, to raise awareness of the major problem that illicit drugs represent for society.

Together, we can tackle the world drug problem!

Every year, UNODC issues the World Drug Report, full of key statistics and factual data obtained through official sources, a science-based approach and research.

UNODC continues to provide facts and practical solutions to address the current world drug problem, and remains committed to attaining a vision of health for all based on science

UNODC invites everyone to do their part, by taking a firm stance against misinformation and unreliable sources; while committing to sharing only the real science-backed data on drugs and saving lives.

NSS club of City Engineering College, Bengaluru, organised NO DRUG DAY on 26th June 2023 and two guests from Subramanyapura police station Sub Inspector **SRINIVAS** and his team along with our respected principal of our college **Dr. THIPPESWAMY H N**, HOD's, staff and students.

We heartily express our thanks to the Principal of our college **Dr. THIPPESWAMY H N** for his kind and cooperative support all the time and all the staff and students.

<p><b>OUTCOMES</b></p>	<p>The outcomes of drug abuse and illicit trafficking are profoundly detrimental to individuals and society. Drug abuse leads to severe health problems, including addiction, overdose, and the spread of infectious diseases. It also contributes to mental health issues such as depression, anxiety, and psychosis. On a societal level, drug abuse can result in increased crime rates, as individuals may engage in illegal activities to support their addiction. Illicit trafficking fuels organized crime, violence, and corruption, destabilizing communities and governments. Economically, it imposes a heavy burden through increased healthcare costs, lost productivity, and significant law enforcement expenses. Socially, drug abuse and trafficking can fracture families, erode social cohesion, and exacerbate poverty and inequality. The combined impact of these outcomes severely undermines public health, safety, and the overall well-being of communities.</p>

## METHODOLGY

Preventive health today is the most important need of the hour for health conscious people. In these times of high stress lifestyle, unlimited working hours and irregular food habits begin to take there to all. Our aim is to provide the best health care diagnostic facilities to detect disease at its earliest form.

A free medical health check-up camp for faculty, staff and students were organized on 23<sup>rd</sup> August 2023 at City engineering college campus.

Dr SHOBHA NAIDU madam and other team members were present on the eve of FOUNDERSDAY.

All the teaching staff members and non teaching staff members from all the branches were utilize the health check-up. Doctors advised them various medicines and consultation during the camp.

NSS of City Engineering College, Bengaluru, organised health check-up camp in our college campus on 23<sup>rd</sup> August 2023.

We heartily express our thanks to the Principal of our college **Dr. THIPPESWAMY HN**

For his kind and cooperative support all the time and all the staff and students.

## OUTCOMES

Organizing a blood donation and health check-up camp yields several beneficial outcomes. It enhances the blood supply for hospitals and clinics, ensuring patients in need of transfusions have access to safe and adequate blood. Participants gain valuable insights into their health status, leading to better health practices and preventive measures. Early detection of potential health problems is facilitated, allowing for timely medical intervention and treatment, which can prevent more serious conditions. The camp strengthens community bonds through collective participation in a noble cause, fostering a sense of unity and shared responsibility. It increases knowledge about various health issues, preventive measures, and the importance of regular health check-ups, leading to more informed health choices. Additionally, participants are often motivated to adopt healthier lifestyles, including better nutrition, regular exercise, and routine medical check-ups. The camp encourages volunteerism and philanthropy, as individuals feel a sense of fulfillment and pride in contributing to the well-being of others. Overall, it alleviates some pressures on the healthcare system by providing essential blood supplies and promoting preventive health measures.
