### BRIEF INFORMATION ABOUT THE ACTIVITY

TOPIC/ SUBJECT OF THE EVENT	<b>Prototype Development using Python</b>
<b>OBJECTIVE</b>	The objective of a workshop on Prototype Development using Python typically revolves around equipping students with the skills and knowledge to quickly and effectively create prototypes of software applications or systems using the Python programming language. The workshop aims to empower participants with the skills, confidence, and practical experience.
<b>DESCRIPTION</b>	Dr. Ezhilavan was leading the workshop on prototype development using Python, focusing on teaching participants how to build and refine prototypes efficiently with Python language. The session emphasized practical applications and coding techniques to streamline the development process.
