6. YOUTH DAY CELEBRATION

The Youth Day celebration at City Engineering College, on January 12, 2022, was a vibrant and inspiring event that brought together students and faculty to honor the spirit of youth and their contributions to society. The event was graced by the presence of the esteemed Principal, Dr. S Karunakara who played a pivotal role in organizing and leading the celebrations. The program commenced with a warm welcome address by Principal, who emphasized the importance of Youth Day and the significant role that young people play in shaping the future. She encouraged students to harness their potential, pursue their dreams, and contribute positively to the community.

The celebration featured a series of engaging activities, including cultural performances, speeches, and interactive sessions. Students showcased their talents through dance, music, and drama, reflecting the rich cultural diversity and creativity of the youth. These performances were met with enthusiastic applause and appreciation from the audience. One of the highlights of the event was a motivational speech by a guest speaker, an accomplished young entrepreneur, who shared insights on innovation, leadership, and the importance of resilience. The speaker's inspiring journey resonated with the students, motivating them to take bold steps towards their goals. Interactive workshops and panel discussions were also part of the celebration, providing students with a platform to discuss various issues relevant to youth, such as mental health, career opportunities, and social responsibility.

These sessions were moderated by faculty members and experts in different fields, ensuring a comprehensive and enlightening experience for the participants. In his closing remarks, Principal expressed his pride in the students' active participation and enthusiasm. He reiterated the college's commitment to supporting and nurturing young minds, fostering an environment where they can thrive and make meaningful contributions to society. The Youth Day celebration at City Engineering College, was a memorable and impactful event that not only celebrated the energy and potential of the youth but also reinforced the institution's dedication to their holistic development.

12.Unity Day Celebration

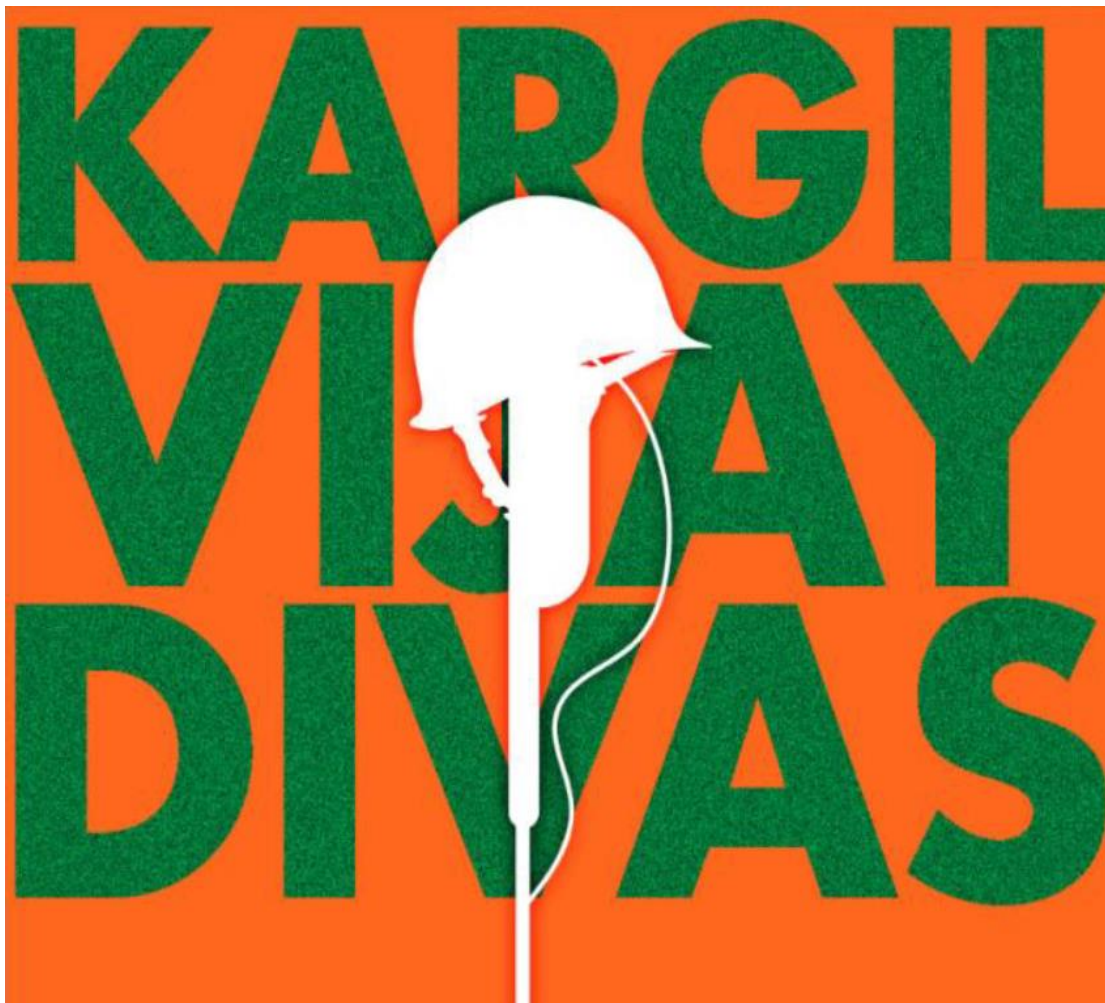

On October 31, 2020, City Engineering College celebrated Unity Day under the leadership of Principal Dr. Ramamurthy . The event aimed to promote unity and commemorate the birth anniversary of Sardar Vallabhbhai Patel. The celebration included various activities such as: Unity Run: Students and faculty participated in a Unity Run around the college campus to symbolize harmony and togetherness. Pledge Ceremony: Attendees took a pledge to uphold the values of unity, integrity, and national security. Cultural Programs: Students showcased their talents through cultural performances, including songs, dances, and skits reflecting the theme of unity. Guest Speaker: A notable speaker delivered a speech on the importance of unity and the role of Sardar Vallabhbhai Patel in the integration of India. Art and Essay Competitions: Competitions were organized for students to express their thoughts and creativity on the topic of national unity. Principal Dr. Malini emphasized the significance of the day and encouraged students to foster a spirit of unity and cooperation in their daily lives. The event was a success, bringing together the college community in a meaningful celebration.

13.Kargil Vijay Divas

The event began with a solemn tribute to the martyrs who laid down their lives during the Kargil War. A two-minute silence was observed to honor their sacrifice. The Principal delivered an inspiring speech on the valor of the Indian soldiers during the conflict. He shared insights into the challenges faced by the armed forces and highlighted the importance of Kargil Vijay Diwas in instilling a sense of patriotism and respect for the military.

14. Constitution Day Celebration at City Engineering College – November 26, 2021

On November 26, 2021, City Engineering College celebrated Constitution Day with great enthusiasm and reverence. The event, held in the college auditorium, was graced by the presence of Principal, who presided over the occasion and delivered an inspiring address.

Highlights of the Event

Welcome and Introduction: The celebration began with a warm welcome from the emcee, followed by a brief introduction to the significance of Constitution Day, also known as Samvidhan Divas. This day marks the adoption of the Constitution of India in 1949.

Principal's Address: The principal took the stage to deliver the keynote address. He emphasized the importance of the Constitution in shaping India's democracy and ensuring justice, liberty, equality, and fraternity among its citizens. He also highlighted the role of Dr. B.R. Ambedkar, the principal architect of the Constitution, and the efforts of the Constituent Assembly in drafting this historic document.

Reading of the Preamble: In a solemn and unifying moment, Principal led the gathering in reading the Preamble of the Constitution. This act reinforced the core values and principles enshrined in the Constitution, reminding everyone of their duties and responsibilities as citizens of India.

Student Speeches and Presentations: Students from various departments shared their insights on the importance of constitutional values in contemporary society. Their speeches covered topics such as the right to equality, freedom of speech, and the importance of secularism. Additionally, a group of students presented a skit depicting the historical events leading to the adoption of the Constitution, which was both educational and entertaining.

Cultural Performances: The event also included cultural performances that celebrated the diverse heritage of India. Students performed patriotic songs and dances, which added a festive and celebratory atmosphere to the occasion.

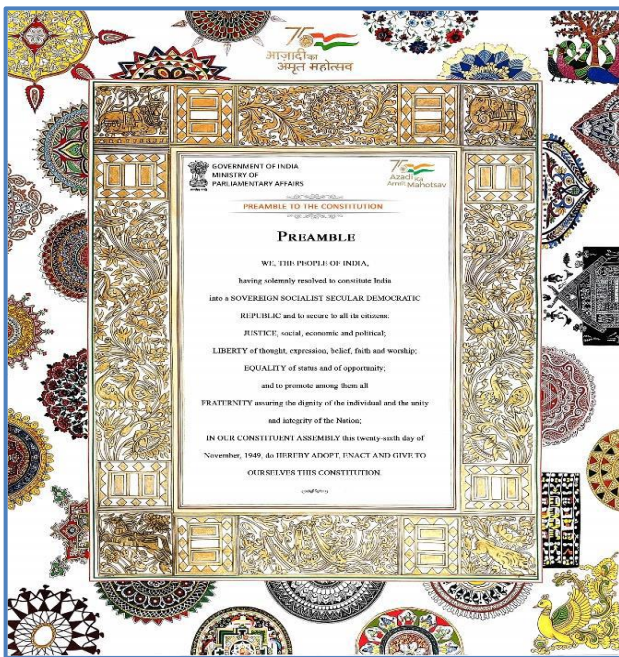

Conclusion: The celebration concluded with a vote of thanks, expressing gratitude to all participants, organizers, and attendees for making the event a success. Principal leadership

CITY
ENGINEERING COLLEGE

and vision were acknowledged for fostering a deep appreciation of the Constitution among the college community.

The Constitution Day celebration at Cit Engineering College was a memorable event that not only honored the legacy of the Indian Constitution but also inspired students and faculty to uphold and cherish the democratic values that define the nation.

15. Cooking Without Fire Competition

On 14th December 2022, City Engineering College hosted an engaging and innovative ‘Cooking Without Fire Competition’, providing a platform for students to showcase their culinary creativity without traditional cooking methods.

Event Highlights:

1. Creative Culinary Concepts:

Participants demonstrated their culinary skills by preparing dishes without the use of conventional heat sources. Emphasis was placed on creativity, presentation, and nutritional value.

2. Diverse Dish Display:

The competition featured a diverse array of dishes ranging from salads and appetizers to desserts. Students explored various cuisines, showcasing their versatility in non-cooked gastronomy.

3. Judging Criteria:

A panel of judges of faculty, assessed dishes based on taste, innovation, and presentation. Attention to detail and adherence to the theme of "cooking without fire" were key elements in the evaluation process.

4. Team Collaboration:

Participants worked in teams, fostering collaboration and teamwork in the culinary realm. Team dynamics and effective communication were essential components of the overall judging criteria.

5. Audience Interaction:

The event encouraged interaction between participants and the audience, allowing students to explain their culinary creations. This added a storytelling element to the competition, enriching the overall experience.

6. Awards and Recognition:

Winners were recognized for their outstanding culinary creations with certificates and accolades. Special mentions were given for the most innovative dish, best presentation, and teamwork.

7. Community Building:

‘The Cooking Without Fire Competition’ promoted a sense of community and camaraderie among students. The event provided a unique platform for students to connect over shared interests in culinary arts.

The City Engineering College ‘Cooking Without Fire Competition’ was a resounding success, demonstrating the culinary ingenuity of the student participants. The event not only celebrated creativity in the competition arena but also fostered teamwork and community spirit within the college. It served as a delightful and flavourful addition to the college's diverse array of extracurricular activities.
