13. WOMEN'S DAY CELEBRATION

The Women's Day Celebration 2023 at college was an significant event, recognizing the contributions and achievements of women while fostering empowerment and equality.

CITY
ENGINEERING COLLEGE

The International Women's Day Celebration 2023 at CEC was a resounding success, leaving a lasting impact on all participants. The event provided a platform for meaningful discussions on gender equality, empowerment, and the role of women in shaping the future. Through engaging talks, cultural performances, and workshops, the celebration encouraged the college community to continue advocating for women's rights and supporting the advancement of women in all fields. The celebration concluded with a vote of thanks delivered by HOD CSE Dr. Sowmya, expressing gratitude to all the participants, guests, and volunteers for making the event memorable.

24. Ninja Act

The NINJA ACT event was organized at CEC on 12th May 2023, aimed at the purpose or goal of the event, was to showcase leadership development, team-building, innovation skills, or any specific activity related to NINJA ACT. The event was designed to foster discipline, agility, teamwork, or innovation among students, providing them with a unique platform to showcase their specific skills or talents.

CITY
ENGINEERING COLLEGE

The NINJA ACT event received overwhelmingly positive feedback from both participants and organizers. Students expressed their enthusiasm for the challenges, noting how the event pushed them beyond their comfort zones and helped them develop new skills. The event successfully achieved its objectives of fostering teamwork, discipline, and quick thinking among the students.

25. Mehendi Marvels

The Mehendi Competition was successfully organized at CEC on 15-05-2023 as part of the college's cultural events. The competition aimed to showcase students' creativity and artistic skills through traditional mehendi designs. The event attracted a large number of participants, each bringing their unique style and talent to the fore.
