Independent Auditors' Report

To

The Members of
City Engineering College Alumni Association (CECAA)
Bangalore

Opinion

I have audited the accompanying financial statements of **City Engineering College Alumni Association (CECAA), Bangalore**, which comprise the balance sheet as at 31st March 2023 and the Income and Expenditure Account for the year then ended, and a summary of significant accounting policies and other explanatory information.

In my opinion and to the best of my information and according to the explanations given to me, the aforesaid financial statements give the information required by the Karnataka Societies Registration Act, 1960, in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Association as at March 31, 2023 and its excess of Income over expenditure for the year ended on that date.

Basis of Opinion

I conducted my audit in accordance with the Standards on Auditing (SAs) issued by ICAI. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. I am independent of the Association in accordance with the Code of Ethics issued by ICAI and I have fulfilled my other ethical responsibilities in accordance with the Code of Ethics. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the state of affairs and results of operations of the Association in accordance with the accounting principles generally accepted in India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

RAJKISHOR PRASAD
CHARTERED ACCOUNTANTS

In preparing the financial statements, management is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Association's financial reporting process

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Association's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion on the financial statements

Report on Other Legal and Regulatory Requirements

I report that: -

- a) I have obtained all the information and explanations which to the best of my knowledge and belief were necessary for the purpose of the audit;
- b) In my opinion proper books of account as required by law have been kept by the Association so far as appears from my examination of those books

RAJKISHOR PRASAD
CHARTERED ACCOUNTANTS

c) The Balance Sheet and the Income and Expenditure Account dealt with by this Report are in agreement with the books of accounts.

d) In my opinion the aforesaid financial statements comply with the accounting standard issued by the ICAI to the extent applicable.

BRIEF INFORMATION ABOUT THE ACTIVITY

TOPIC/ SUBJECT OF THE ACTIVITY	Alumni Meet - 2023
OBJECTIVE	The objective of an alumni meet is to foster a sense of community and connection among former students and their alma mater. It aims to provide a platform for alumni to network, share experiences, and reconnect with peers and faculty. Additionally, the meet seeks to engage alumni in the institution's growth and development, encouraging them to contribute their expertise, resources, and support to current students and institutional initiatives.
METHODOLGY	Meetings were arranged in the presence of the committee members and HODs of all departments. The agenda of the meeting was discussed and registrations and feedback forms were planned. Content development focuses on inviting distinguished alumni, organizing workshops, and planning interactive activities to foster engagement. During the event, there was smooth execution of the agenda which facilitated networking sessions, and provided opportunities for alumni-student interactions. Post-event, feedback was collected and

Cyber Threat Intelligence (CTI) is a critical component of modern cybersecurity strategies. It involves the collection, analysis, and dissemination of information about current and potential threats to an organization's information assets. The primary goal of CTI is to help organizations anticipate, prepare for, and respond to cyber threats effectively.

This report provides a detailed overview of CTI, including its key components, types, processes, tools, and benefits.

Some of the key components of Cyber Threat Intelligence that were explained are

- Threat Data Collection
- Threat Analysis
- Threat Dissemination

Various types of cyber threat intelligence like Strategic Intelligence, Tactical Intelligence, Operational Intelligence and Technical Intelligence were also explained. The benefits of Cyber Threat Intelligence were explained in detail. Students gained much knowledge from this talk.

Resource Person and Alumni Mr. Nikhil R briefing about the topic

Participation of students

Cyber Threat Intelligence is a vital element of modern cybersecurity strategies, providing the insights needed to understand and mitigate threats. By leveraging CTI, organizations can

improve their security posture, enhance threat detection and response capabilities, and foster a proactive defence culture. However, successful implementation requires addressing challenges such as data overload, system integration, skilled personnel, and trust in information sharing.

A Report

On

Student Alumni Interaction Program

On 03-12-2022, City Engineering College had the privilege of hosting an insightful talk by one of its distinguished alumni, Mr. Mujtaba Nayaz, currently working as Data Analyst, Infosys India Pvt Ltd, and Mr. Mohammad Faizal, Full Stack Developer, ATOS Syntel. The focus of the talk was on Database Management Systems (DBMS), a critical area in computer science and engineering. The event was attended by students from Computer Science and Engineering disciplines, eager to learn from the experiences and expertise of a successful alumnus.

The poster features the City Engineering College logo at the top left and the text 'CITY ENGINEERING COLLEGE' at the top right. Below this, the title 'STUDENT-ALUMNI INTERACTION PROGRAM' is written in blue. A central graphic shows two hands shaking, with a banner above them that says 'CEC ALUMNI' and 'FROM'. Below the handshake, the speakers are listed: 'Speakers: MR. MUJTABA NAYAZ (CEC Alumni) Data Analyst, Infosys Limited' and 'MR. MOHAMMED FAIZAL (CEC Alumni) Full stack developer ATOS Syntel'. The date and time are '03-12-2022 10:30AM', and the location is 'CSE- SEMINAR HALL'. At the bottom, it says 'Organized by Dept of CSE in association with CEC Alumni Association'.

Alumni Extended Support Plan

Mentorship Role: Alumni serving as mentors provide insights into their career paths, offering guidance, motivation, emotional support, and acting as role models for current students. They assist in exploring career options, setting goals, building networks, and identifying resources.

Volunteers and Judges at College Events: Alumni volunteers play a crucial role in leadership development, serving as the welcoming face of events. They engage guests, answer queries, and offer support. As judges, alumni bring expertise to competitions, ensuring fair and knowledgeable evaluation.

Speaker / Resource Person: Alumni invited as resource speakers share specialized knowledge to inform, educate, or inspire audiences. They are subject matter experts who contribute authoritative insights.

Action Plan

Goal 1: Financial Stability
