Constitution of Internal Complaints Committee

The College Internal Complaints Committee under the provisions of 'The Sexual Harassment of Women at the Workplace (Prevention, Prohibition and Redressal) Act, 2013' is constituted in the college.

The College has established the Anti-Sexual Harassment Redressal Cell. The Cell intends to take care of complaints from women and solve the problems according to UGC guidelines and Supreme Court orders. The Cell creates awareness on sexual harassment Redressal mechanisms. The Cell organizes seminars/special talks and speeches about sexual harassment in the campus. The Cell has formulated a committee called Internal Complaint Committee on Sexual Harassment.

Informal methods would be first adopted to resolve the problems amicably if necessary, the Committee will conduct detailed enquiry Humanistic approach will be adopted while dealing with the complaint. Safe and fearless environment will be created to speak openly about the harassment.

Sexual Harassment

Sexual harassment is a form of violence against women and a human rights violation It is a violation of fundamental rights as laid down in the Indian Constitution Such behavior transgresses common dignity and gender equality and denies equal opportunity.

Sexual harassment is about any unwelcome sexually determined behavior (whether directly or by implication) such as physical contact and advances, demand or request for sexual favors, sexually colored remarks, showing pornography, or any other unwelcome physical verbal or non-verbal conduct of a sexual nature.

According to The Supreme Court definition, sexual harassment is any unwelcome sexually determined behavior, such as –

- Physical contact
- A demand or request for sexual favors
- Sexually colored remarks
- Showing pornography
- Any other physical, verbal or nonverbal conduct of a sexual nature. Combating sexual harassment can be best achieved by building women's confidence (including conducting self-defense classes on campuses) Students should be enabled to protest against incidents as and when they happen. A sporadic incident can possibly be tackled right away, but all forms of abuse of power or sources of ongoing discomfort and fear based on unwanted sexual attention must be reported Compliance Committee.

Redressal Methods

1. Use a standard format for the recording of complaints --if there has been a series of incidents seek information about all previous incidents collect evidence like messages, emails and any other relevant documents, including itemized call records
