Multidimensional Training of Non-Teaching Staff for Enrichment in Working Capability and Well-being”

Date:19/11/2024

Venue:Seminarhall

The complete enrichment of students is said to be totally achieved only when the facilitators in academic, practical and administration all contribute towards the overall development of student and make them ready to face outer world. Therefore not only teaching fraternity, but also non-teaching staff has an important role to play. Generally only teaching staff or the faculty undergo training in order to enhance their knowledge and overall development, but there is hardly any training program for the non- teaching staff, Administrative Staff, and Lab Technicians resulting in downfall in overall growth of student. So it is recommended that for the best outcome the Institution should conduct training program for both teaching and non-teaching staff of City Engineering college.

Non-Teaching staff should contribute effectively towards the Mission/Vision and Objectives of the university/college. Intellectual & skilled development activities should incline to any or all academic, administrative, and Non-Teaching workers to stay updated. The Non-Teaching staff despite years of expertise within the university/college should targeted additional on establishing foundation for his or her career because it is needed for professional development characterized by their got to be trained on Developing and Achieving Personal Goals, Career coming up with and Goal Setting, Understanding Nonverbal Communication and Preventing Job Burnout. Non-Teaching workers educational program on **Multidimensional Training of Non-Teaching Staff for Enrichment in Working Capability and Well- being** will facilitate the Non-Teaching workers to spice up their Perfection and improve their Proficiency at Workplace.
