2. Career Development for Students
PRE-ASSESS®

This is a standard Assessment recognized by Industry. Several companies use sectional and total scores achieved in this as a parameter in their recruitment process. A sample list is available below. This offering helps increase corporate opportunities available for the students in final year. A snapshot of the report generated post the PRE-ASSESS® is also given below.

Figure 5: Sample list of companies recruiting based on scores achieved in the PRE-ASSESS®.
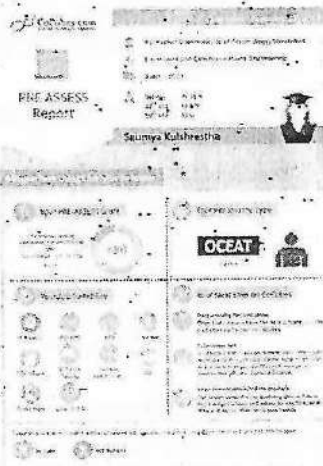

Figure 6: First page of the Individual Student Report generated on completion of the PRE-ASSESS®.

PRE-ASSESS® Process Conduction Guidelines

- PRE-ASSESS® is a 3 hour extensive exam with 5 different sections.

- In order to generate a report and be applicable for even one job- it is mandatory to give the Aptitude, Computer Fundamental and Psychometric Test. If this is not done, no report will be generated and said student will not be able to apply for any company.

- Syllabus of the PRE-ASSESS® is available here: http://www.cocubes.com/college-offering.aspx#college-PRE-ASSESS®ment

- PRE-ASSESS® is conducted on a day/date convenient to the Institute- barring a Monday.

- List of students with slots for each must be shared at a minimum of 10 days before the PRE-ASSESS® is scheduled. Failure to do so, may result in poor experience of the college and students. If this list is not shared 4 days before the scheduled PRE-ASSESS®, CoCubes.com can cancel the PRE-ASSESS® and the Institute (and every registered student in the institute) will loose one PRE-ASSESS®.

- If,any student whose slot has been shared by the Institute at D-10, fails to appear in the given slot on said day, that student will loose one PRE-ASSESS® from the count of PRE-ASSESS® allocated to the Institute.

- PRE-ASSESS® is invigilated by the CoCubes.com team.

- The PRE-ASSESS® is conducted at the college premises only if the college registers more than 200 students.

- We strongly recommend that the college conduct 2 slots while conducting the PRE-ASSESS® on any given day.

- PRE-ASSESS® may be needed to split over 2 or more days to ensure every student registered student in the batch is able to take the same. We require that the 2 or more days be within a 7 day period.

- Scores of PRE-ASSESS® are valid for a period of 12 months following the last date of PRE-ASSESS®.

- Different sections are important for different job profiles. Hence, it is recommended that the students prepare and give all the sections in PRE-ASSESS®.

- Applying on a job via the PRE-ASSESS® and then being shortlisted for interviews, requires the student to go for the interview. If the student fails to go for the interview without prior intimation of the same (atleast 3 days before the date of interview), will lead to the individual students login being disabled for period of one month.
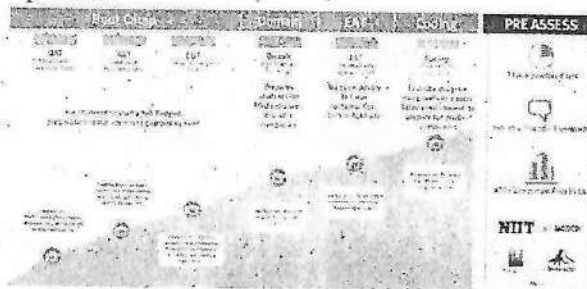

- Report of the PRE-ASSESS® will be generated within 7 Business Days of conduction of the PRE-ASSESS®.

If the second PRE-ASSESS® is applicable:
- There must be a minimum gap of six months between the first and second PRE-ASSESS®.
- Sectional best of two PRE-ASSESS® scores will be the final score of the student.
- Second PRE-ASSESS® will be conducted on a date/time as determined by CoCubes.com.
