MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter referred to as the "MOU") is entered into on this the 10th day of May 2022.

BY AND BETWEEN

Department of Computer Science & Engineering and Information Science & Engineering, the college established in 2001 and having its campus at Kanakapura Rd, near METRO Station, Doddakallasandra, Bikasipura, Bengaluru, Karnataka 560062. Represented by its Principal Dr. Thippeswamy H.N. (hereinafter referred to as the "Department", which expression, unless repugnant to the context and meaning therein, shall mean and include its successors, representatives, nominees and assigns);

AND

M/s iPEC Solutions Pvt. Ltd, a company incorporated under the laws of India, having its registered office at SK Complex, Uttarahalli Main Road, 5th Stage RR Nagar, Bengaluru, Karnataka, 560098, <https://ipecsolutions.com/>, represented by its Director, Mrs. Fathima Afroz (herein after referred to as the "Company", which expression, unless repugnant to the context and meaning therein, shall mean and include its successors, representatives, nominees and assigns).

The term "Company" and "Department" are individually referred to as such or a "Party" and collectively referred to as the "Parties".

WHEREAS

A. The Company, an Industry, established in the year 2019 and engaged in the business of Software development, design thinking, technology transfer, research and development as well as training cutting edge technologies.

B. Computer Science & Engineering and Information Science & Engineering, is an established department under CITY ENGINEERING COLLEGE, Bengaluru which strives to enhance and strengthen its Industry-Institute Interaction and has taken various initiatives to complement its educational excellence to meet the industry needs, has entered into various collaborative arrangements with other parties to enhance the knowledge and skills of the students in the Artificial Intelligence, Machine Learning and Data Science, Cyber Security discipline.

C. The Parties are desirous to enter into this MOU to declare their respective intentions and to establish a basis of cooperation and collaboration between the Parties upon the terms as contained herein.

1. AREAS OF COLLABORATION

1.1 The Parties have entered into this MOU to co-operate and collaborate between themselves to promote more effective use of each of their resources and provide each of them with enhanced opportunities. Each Party shall comply with applicable laws and internal guidelines/instructions, while performing under this MOU. The Parties agree to collaborate efforts in the areas of engineering and technology. (Specific area's undertaken by both the parties have to be disclosed (mention here)).

1.2 This MOU sets out the standard terms of co-operation and collaboration between the Parties. If necessary, the Parties may enter into definitive agreements, deeds or documents as may be required from time to time to give effect to the intention of the Parties contemplated herein. Notwithstanding anything contained herein, the Parties shall mutually set out the syllabus, scope and area of work, duration, etc., before commencing any collaboration activities.

1.3 The relationship between the Parties is that of principal- principal relationship. This MOU does not create any principal-agent, master-servant, partnership or joint venture relationship between the Department and the Company. Each Party being a separate legal entity shall obtain all approvals, consents, permissions and licenses required under applicable laws, if any, before undertaking any co-operation or collaboration activities contemplated under this MOU.

1.4 The Parties may set out guidelines or instructions to the students, who are beneficiaries under this MOU. The Parties agree that the concerned student/s will be personally liable for their acts or omission committed by them within the premises of the Company or in relation to the men and materials of the Company.

2. DURATION AND TERMINATION

2.1 This MOU is for a period of Three years with effect from 10th May 2022. It can be extended further by mutual consultation and agreement.

2.2 It is agreed between the Parties that though this MOU is arrived at to facilitate co-operation for enhancing the quality of education in the area of Industrial applications, if, during the term of this MOU, for any reason the objective is not achieved or achievable, this MOU shall be terminated by either of the Parties, by giving a 30-day written notice to the other Party and no Party under this MOU shall have any kind of claim against the other Party.

2.3 Notwithstanding anything contained herein, either Party may terminate this MOU without cause by serving advance written notice of 60 days to the other Party.

2.4 Notwithstanding anything contained herein, either Party may terminate this MOU with immediate effect, in case of material breach of the terms of this MOU by the other Party.

2.5 This MOU is on a non-exclusive basis and that both Parties are at liberty to enter into similar arrangements with any third party for similar purposes without notifying the same to the other Party.

3. FINANCIAL ARRANGEMENTS

3.1 This MOU shall not give rise to any financial obligation by one Party to another Party. Each Party shall bear its own cost and expenses in the implementation of this MOU.

3.2 Any payment offered to the student/s by the Company, whether stipend or otherwise, shall be directly paid by the Company to the student/s, and the Department will not be responsible for the payment/non-payment/delayed payment of any amount to the student/s.

4. CONFIDENTIALITY

Each Party shall undertake to observe the secrecy of confidential information received from or supplied to the other Party during the period of implementation of this MOU or other agreements made pursuant to this MOU.

For purposes of this MOU, "confidential information" means any information whether prior to or hereinafter disclosed by a Party(the Disclosing Party) to the other Party(the Receiving Party) of this MOU involving technical, business, marketing, policy, know-how, planning, project management and other information, data and/or solutions in any form, including but not limited to any information which is designated in writing to be confidential or by its nature intended to be for the knowledge of the Receiving Party or if orally given, is given in the circumstances of confidence.

5. REVISION, VARIATION AND AMENDMENT

Either Party may request in writing a revision, variation or amendment of this MOU. Any such revision, variation or amendment agreed to by the Parties shall be in writing and shall form part of this MOU and shall come into force on such date as may be determined by the Parties.

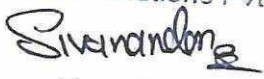

6. INTELLECTUAL PROPERTY RIGHTS

Nothing contained in this MOU shall grant, imply or create in either Party any right, title or interest in or to the intellectual property, including but not limited to knowhow, inventions, patents, copyrights and designs, of the other Party. However, intellectual property developed by the joint efforts would be the joint property of the Parties and any financial benefits or otherwise arising out of it shall be shared proportionately by the parties in consonance with the efforts / inputs given by them.

7. GOVERNING LAW AND DISPUTE RESOLUTION

The terms of internship with the Company is governed by Indian laws and shall be subject to the exclusive jurisdiction of courts at Bengaluru. Any dispute or difference shall be first discussed between the Parties and resolved. If the dispute or difference is not resolved, the Parties shall refer the same to a sole arbitrator appointed by the Parties. The arbitration proceedings shall be in accordance with the Arbitration and Conciliation Act, 1996 and the seat of arbitration shall be Bengaluru.

IN WITNESS WHERE OF, the undersigned, being duly authorized there to, have signed this MOU in two original copies in English at the place and on the date(s) indicated below:

Speaker - Mr. Shivaram, iPEC Solutions Private Limited

No of students attended: 108

iPEC Solutions aims to enhance the quality of education in the field of industrial applications by leveraging cutting-edge technologies and innovative teaching methodologies. This initiative seeks to bridge the gap between academic learning and industry requirements, preparing students to meet the demands of modern industrial environments.

Objective:

iPEC Solutions aims to improve education quality in industrial applications by integrating practical knowledge and industry-relevant skills into the curriculum.

1. Curriculum Modernization: Update educational content to include the latest industrial technologies.
2. Industry Collaboration: Partner with industry experts for curriculum design and student training.
3. Skill Enhancement: Equip students with practical skills needed for the industrial sector.

Outcomes:

The initiative by iPEC Solutions seeks to bridge the gap between academia and industry, ensuring students are well-equipped for the modern industrial environment.

MEMORANDUM OF UNDERSTANDING (MoU)

GLOBAL QUEST
TECHNOLOGIES

BETWEEN

**City Engineering College
AND
Global Quest Technologies**

This Memorandum of Understanding (hereinafter called as the 'MoU') is entered into on this the 27th day of August Month 2021. by and between.

City Engineering College (Computer Science and Engineering), the First Party represented herein by its Principal and **Global Quest Technologies** located in No:1800, 1st Floor,80 Feet Road, 8th Main, GKVK Campus Rd, opposite to Jakkur Aerodrome, Judicial Layout, Yelahanka, Bengaluru, Karnataka 560065

GSTIN: 29AAUFG3757E1ZW

The Second party, represented herein by its CEO Narendra.GR,
WHEREAS:

A) First Party is a Higher Educational Institution named: **City Engineering College (Computer Science and Engineering).**

B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.

C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education, Placement, Industrial Visit, Expert Lecture.

D) **Global Quest Technologies** , - the Second Party is engaged in **Software training IT Services such as Java Full stack developer, Python Full stack developer and software Testing, Placement training, placement assistance, internship, project work and R&D center.**

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1

CO-OPERATION

- 1.1 Both Parties are united by common interests and objectives, and they shall establish co-operation.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities.
- 1.3 The parties shall co-operate with each other and shall as promptly as is responsibly practical, relevant agreement.

Q

HM Zeta, 4th floor, 11th Main road, Aurobindo Marg,
4th T block east, Jayanagar 4th block, Bengaluru,
Karnataka- 560011.

The parties agree that Texas Review will provide the following services (but not limited) to the Final & Pre-Final year's students as follows

1. Appropriate course guidance & universities selection

Texas Review will help students in getting admissions with best universities through our expertise. We have a team of experts at our corporate office who do ceaseless research on the education system of all countries. We will give them list of universities which will suit students' profile and requirements.

2. Admission Process

Texas Review will guide the students by providing them with the appropriate checklist of the documents needed and will support and aid the entire process comprehensively, for the students.

3. Coaching Services

Texas Review will provide On-Campus (if required in future, based on mutual understanding) Coaching Facilities for courses like GRE; IELTS; GMAT; SAT; TOEFL; PTE; CRT and CAT; provided there is a batch of 20 or more students.

4. Documentation Guidance

Appropriate documentation plays a crucial role in students' visa approval; Texas Review provides thorough documentation guidance and appropriation of funds required, as per the respective Consulate/High Commission requirements of the country, the student is interested in.

5. Visa Counseling Sessions

Texas Review has guided numerous applicants through their visa process and with our strong record of visa success, we pride ourselves in providing a coherent and detailed overview on visa counseling and prep students with expected questions, basis their respective profile for the visa interview.

PRINCIPAL
CITY ENGINEERING COLLEGE
Kanakapura Main Road, BANGALORE - 560 061

6. Semester-wise Seminars/Webinars

Texas Review will conduct a seminar/Webinar every semester in the college campus, to give a detail overview and insights to students about the entire process, and our aid towards their migration. These seminars will be done department or batch-wise depending on the college's convenience and mutual understanding.

7. Mock Interview

Texas Review team of experts will organize a mock interview to the students who are processing to USA, UK, Australia, Canada, New Zealand etc., exactly as it would be done by the visa officials. During the interview students will experience a real-time feel of the environment with the same standards, as how it is in embassy, for the best-possible results.

8. Travel & Foreign Exchange:

Texas Review will also provide assistance with the various nuances of migration such as, in terms of their air tickets, Medical Insurance, foreign exchange at a reasonable price, among a few.

9. Post landing Services

Texas Review assist students even after a student arrives in the host country. Our services span across basic ones such as airport pick-up ranging to make-shift accommodations, student references, Part-time job opportunities etc.,

10. Liaison with Foreign Universities and Colleges

Texas Review will work on collaboration between foreign Universities and the Colleges for the following on a need-basis:

1. Student Exchange Programs.
2. Faculty Exchange Programs.
3. Training Programs.
4. Creation of HELP DESK in the Campus for student's operational convenience.
5. Foreign Delegates Visits and Seminars.
6. Industrial Visits and Educational Tours.
7. Students Tours for overseas universities campus visits

Skandan

CITY ENGINEERING COLLEGE
Kanakapura Main Road, BANGALORE - 560 061

11. Sponsorship for College Fests

Texas Review will actively sponsor on for college events, as per mutual understanding and terms decided upon, on a per-event basis.

Privileged Benefits to Students as part of this MOU:

- **6 Month Training Validity.**
- **Waiver for extra fee for additional 6 month validity in training.**
- **Exclusive fee-schedule and discounts for City ENGINEERING COLLEGE.**
[For detailed fee-structure and class-schedule, please refer attached Annexure – 1]
- **Highly qualified and certified trainers who are leading experts in their domain of education.**
- **Regular awareness and interactive activities for overall student enhancement.**
- **Augmenting students' scores - for students requiring additional help, or scoring low marks in mock tests.**
- **Regular updates provided to the college, which can be notified to students with the form of digital newsletters, magazines or circulars.**
- **Individual focused attention between Trainers and Students.**
- **Flexible Schedule for students, who can attend any batches on weekdays or weekends, online or offline.**
- **Unrestricted number of hours for additional practice and help sessions (offline and online)**
- **Since, Texas Review has an affiliation with the test-makers and aggregators – mainly British Council and Education Testing Service (ETS), all textbooks, study material, mock tests and additional questions are from a credible sources.**

The parties agree that City Engineering College will provide the following services and support (but not limited) to Texas Review

- Permission for conducting awareness programs on "Education Abroad" through seminars, workshops, spot admissions etc. on campus.
- Required infrastructure for conducting on campus training for GRE, GMAT, SAT, IELTS, TOEFL, PTE etc. courses. (if required in future, based on mutual understanding)
- Permission for setting up a help desk for students' operational convenience.
- Branding, co-branding and promotional activities on campus.
- Assigning a program coordinator for one-point communication and smooth functioning.
- Opportunity to conduct various educational or migration related events in the college campus.
- Association of Texas Review as 'education partner' for various college events.

Course Fees & Payment Pattern

The course fee per student for each course offered is decided and mutually agreed upon by both the parties. Furthermore, Texas Review will provide a lower than usual fee-structure for the students of the college, as part of this agreement.

The course fee and the payment pattern are available in the ANNEXURE – 1. The student shall pay the course fee directly to Texas Review before the start of the course. Student can make payment by **Cheques/DD/Cash** payable at Jayanagar branch in the name of **SK Training and consulting services** as per the schedule detailed in ANNEXURE – 1. As per our policies, no refund will be initiated once a student enrolls with us.

Recognised by Govt. of Karnataka, Approved by UGC, AICTE, New Delhi.

Memorandum of Understanding

This Memorandum of Understanding is entered on Friday 13th November 2021 by and between Edunet Foundation having its office at A-11- 1105, Arcadia South City 2, Gurgaon 122018, India (hereinafter referred to as "Edunet"); and City Engineering College having its address Kanakapura main road, Doddakallasandra, Near Metro station, Bangalore-560061 (hereinafter referred to as "Institution").

Whereas, Edunet is a non-profit organization with multiple programs, sponsored by government and corporate entities, which are offered free to learners across the education spectrum, including but not limited to the Tech Saksham Program (www.techsaksham.org) and Skills Build (www.skillsbuild.org).

Whereas, Institution is a premier institution with the following details:

Established (year):	2001
Recognition, NAAC rating, ranking:	Affiliated to Visvesvaraya Technological University (VTU) and approved by AICTE, NAAC rating B+.
Vision:	Making Remarkable Contribution by Disseminating Knowledge on Emerging Trends in Engineering and Technology through various Programmes, Innovation and Research so as to Excel in Quality both at National and International level and to provide Career Guidance & Training for Employment.

And whereas, the Parties seek to collaborate with each other to mutually complement their synergies and to jointly work on building capacity of learners through one or more of the programs managed by Edunet.

Now therefore, this Memorandum of Understanding (hereinafter called "MOU") witnesses the following.

- 1. Term and termination:** This MOU is valid for an initial term of 5 years from the Effective Date. It can be extended by further periods, as agreed to by the Parties from time to time. Either Party may terminate this MOU by giving the other minimum 30 days' notice. The MOU will be deemed terminated at the end of the notice period or after completing all ongoing activities so that the beneficiaries (learners and teachers) are not negatively impacted, whichever is later.
- 2. Non-binding nature of this MOU:** The MOU is not binding on either Party and each is working with the other out of sheer good-will and for the benefit of the learners.
- 3. Each Party is responsible for its own costs:** Both the Institution and Edunet will independently manage their cost towards fulfilment of obligations under this MOU.
- 4. Single Point of Contact (SPOC) for program co-ordination:** Both the Parties shall appoint a suitable

person who will serve as a single of contact on all matters related to program rollout. Individual learners and teachers may be in touch with corresponding trainers, mentors, advisors and peers during program rollout but all matters related to the execution of this MOU shall reside with the SPOC.

5. **Society for Inclusive Education (SIE):** This is a student led initiative managed and supported by Edunet, that seeks to provide ubiquitous high quality learning opportunities to underserved communities through government and private schools/colleges around India. The Institute will set up a chapter of Society for Inclusive Education on its campus. This chapter will make Edunet programs available to local underserved institutions and/or student communities through community work, classroom sessions, fund raisers to purchase equipment and free learning platforms. Office bearers will be chosen by the Institute in the first year. They may be either nominated or elected second years. The SIE chapter will have members from within the local student community who are willing contribute some time towards betterment of society. All members of SIE chapter at the Institution will be issued with appropriate certification that will help them meet their CAS/Community Work/SUPW requirements.
6. **Program Calendar:** The SPOCs from both Parties will work with their respective internal stakeholders to develop a calendar for the program(s) rollout at the start of every quarter. This calendar will then be synchronized and published for use by everyone.
7. **Responsibilities of Edunet and/or its program sponsors/partners:**
 - a. **Orientation sessions:** Edunet will conduct orientation sessions for learners and educators, at a mutually agreed schedule, to onboard them onto the program(s).
 - b. **Program materials:** Edunet will share all program materials with the institution and/or learners as required. All sharing will be online and/or through electronic media.
 - c. **Face to face, instructor led sessions:** For learners in the Tech Saksham Program, face to face ILT sessions will be organized on campus and will be delivered by Edunet Trainers to program beneficiaries
 - d. **Online instructor led sessions:** These sessions may take the form of webinars or mentoring workshops or technology bootcamps or innovation camps or career readiness workshops that will seek to assist learners in their career goals. These programs will be organized regular as per a regular calendar, published online and will be conducted by Edunet team members or program sponsors or external stakeholders as appropriate.
 - e. **Interaction with Industry experts:** Edunet will bring industry experts to the Institute to drive engagements with students through seminars/webinars or project mentorship.
 - f. **Online platform availability:** Online platforms for each of the programs of interest to the Institution will be made available to it. Links for these platforms will be made available to the Institution in a timely manner
 - g. **Assessments:** Edunet will conduct assessments, as required, for its programs prior to certification by Edunet and/or its industry partners and/or participating government agencies.
 - h. **For programs with career paths:** Edunet will provide linkages with local and regional industry, government and the local start-up ecosystem (incubators etc) that will help learners with gainful employment and/or entrepreneurial opportunities. Interactions will be encouraged in terms of classrooms sessions, workshops, internship opportunities, career opportunities and entrepreneurship opportunities.
 - i. **SIE support:** Edunet will support the SIE chapter in the Institute with all support required. A separate program manual and guidelines will be sent to the SPOC.
 - j. **Updates:** Edunet will keep Institution management updated with the progress of the program(s)
8. **Responsibilities of Institution:**
 - a. **Learner identification:** Institute will identify learners, volunteers and instructors who may participate in one or more programs offered by Edunet.
 - b. **Support with orientation sessions:** Institute will support Edunet conduct orientation sessions for

Skandan

- e. **Support with attendance:** Institute will ensure that program participants enthusiastically participate in chosen programs, with minimum attendance as agreed between the Parties.
- f. **Support with assessments:** Institute will ensure that assessments carried onsite are proctored and professionally managed.
- g. **SIE chapter:** The Institute will support the SIE chapter, led by its students, to the extent possible.

Report on
"Integrating Skill Building with the Existing Academic System"

Date: 15-11-2021

Venue: CSE Seminar Hall

Speaker - Mr. Ramakrishna, Edunet.

No. of students present:110

Objective :

Edunet's initiative is to integrate skill-building and vocational training within the existing academic system. This aims to enhance students' employability by providing practical, industry-relevant skills alongside traditional academic education.

Outcome :

- Students gain practical skills and certifications that improve their job prospects.
- Graduates are better prepared to meet job market demands, reducing the need for extensive on-the-job training.
- Students receive a balanced education that combines theoretical knowledge with practical skills.

Edunet's initiative successfully bridges the gap between academic education and industry needs, producing graduates who are both knowledgeable and skilled, ready to excel in the modern job market.

A Report on
Expert talk on " Latest Technology for a Sustainable Environment "
by E I Technologies Pvt Ltd

Date: 02-05-2022

Venue: CSE Seminar Hall

Speaker: Dr. N Ranganath, Chairman and Managing Director, E I Technology.

No of students: 40

The event has been organized in City Engineering College by the Department of Computer Science and Engineering, in collaboration with Department of Placement, with the speaker DR. N Ranganath, Chairman and Managing Director on 02-05-2022 at the CSE Seminar Hall.

Dr. Ranganath, a noted expert in environmental technologies, opened the event by addressing the critical role of technology in solving environmental issues. He emphasized the urgency of adopting sustainable practices and discussed various innovations, including:

- Renewable energy sources (solar, wind, and bioenergy)
- Water-saving technologies and smart irrigation systems
- Advanced recycling techniques for managing industrial and household waste
- Smart building technologies aimed at energy efficiency

Objective:

The main objective of the event, "Latest Technology for a Sustainable Environment," organized by E I Technologies Pvt Ltd, was to:

- Introduce students and professionals to cutting-edge technologies that promote sustainability and environmental conservation.
- Highlight the importance of integrating modern technological solutions in addressing environmental challenges.
- Educate attendees on how businesses and industries can adopt green technologies to reduce their carbon footprint.
- Foster discussions on innovations in areas such as renewable energy, waste management, water conservation, and eco-friendly materials.

Outcome:

- **Increased Awareness:** Participants gained a deeper understanding of the latest technological advancements aimed at environmental sustainability.

- **Practical Knowledge:** Students and attendees were introduced to real-world applications of green technologies in industries and everyday life.
- **Encouraged Innovation:** The session inspired participants to think creatively about how they can contribute to environmental sustainability through technological innovations.
