Sub: Regarding Permission to organize Ramadan Celebration

Respected Sir,

I am writing to request your permission to conduct a community event in celebration of the holy month of Ramadan on 3/6/19. The purpose of this event is to bring together our diverse community members to promote understanding and unity during this special time.

The proposed event will include activities such as traditional iftar meals, educational seminars on the significance of Ramadan in Islam, and cultural performances showcasing the rich traditions and customs associated with this holy month. We believe that this initiative will foster greater harmony and cooperation within our community.

I kindly request your support in granting permission for this important initiative. Your cooperation is vital in helping us celebrate Ramadan in a meaningful manner.

Yours Sincerely,

Coordinator / HOD

Report on Ramazan celebration

Date 3/06/2019

In a world marked by diversity, understanding, and unity, our college recently hosted a joyous and inclusive Iftar Meet celebration. Ramadan is considered one of the holiest months of the year for Muslims. In Ramadan, Muslims commemorate the revelation of the Qur'an, and fast from food and drink during the sunlit hours as a means of drawing closer to God and cultivating self-control, gratitude, and compassion for those less fortunate. Ramadan is a month of intense spiritual rejuvenation with a heightened focus on devotion, during which Muslims spend extra time reading the Qur'an and performing special prayers. This event served as a poignant reminder of the importance of solidarity, empathy, and communal harmony. It brought together students, faculty, and staff from various cultural and religious backgrounds in an atmosphere of togetherness.

During the celebration, attendees had the opportunity to engage in meaningful conversations about Ramadan's significance. They shared experiences and gained a deeper understanding of the spiritual reflection, self-discipline, charity, community bonding, and Quranic teachings.

Objectives:

The event not only celebrated diversity but also highlighted the universal values that Ramadan embodies—values such as

- compassion for others' struggles,
- self-discipline in personal conduct for spiritual growth,
- charity towards those in need regardless of background or belief.

By fostering an environment where people could come together to appreciate each other's traditions and beliefs while embracing common values such as empathy and unity.

Outcomes:

- The Iftar Meet was a beautiful demonstration of how different cultures can come together to celebrate shared humanity while honoring unique traditions.
- It exemplified how solidarity can be nurtured through mutual respect for each other's practices.
- The event showcased that despite our differences in faith or culture we can find common ground through empathy making it an important milestone towards building inclusive communities within educational institutions.

Sub: Regarding Permission to attend 'World Blood Donors Day'

Respected Sir,

We would like to attend 'World Blood Donors Day' organized by IRCS Bengaluru at IRCS head office, Bengaluru on 14th June 2019. World Blood Donors Day is an internationally recognized event that aims to raise awareness about the importance of voluntary blood donation and to celebrate the individuals who selflessly contribute to saving lives through their donations. Moreover, it aligns with our institute's commitment to corporate social responsibility and community engagement.

So, I request you to permit us to attend this program. Kindly do the needful.

Yours Sincerely

Department of YRC
Report on “World Blood Donor’s Day”

Date 14/6/2019

On occasion of ‘World Blood Donor’s Day’ IRCS Bengaluru organized the celebration program on 14th June 2019 at Head office IRCS Bengaluru. YRC officers and NSS officers from our organization attended this program. World Blood Donor Day is observed on June 14th each year to raise awareness about the importance of safe blood donation and to thank blood donors for their life-saving contributions.

Objectives:

- Promote voluntary, unpaid blood donations.
- Ensure the availability of safe blood for transfusions.
- Highlight the need for regular blood donations to save lives.
- Encourage more people to become regular blood donors.
- Recognize the critical role that blood donors play in healthcare systems worldwide.

Outcomes:

- Increased public awareness: The day helps to educate the public about the importance of regular blood donation and its impact on saving lives.
- Encouragement to donate blood: World Blood Donor Day serves as a reminder to people about the need for blood donors and encourages more individuals to give blood.
- Recognition of blood donors: It is an opportunity to recognize and thank voluntary unpaid blood donors for their altruistic contributions.
- Strengthening blood donation systems: The day promotes the development and improvement of blood donation systems to ensure a safe and sufficient blood supply for patients in need.
- Collaboration and partnerships: It brings together governments, organizations, and communities to work together towards ensuring sustainable blood donation practices.

Overall, World Blood Donor Day plays a significant role in promoting a culture of voluntary blood donation and saving lives around the world.

Report on Gender Sensitization

Date 19/08/2019

In order to create a gender-neutral workplace, a gender sensitization seminar was conducted in CSE seminar hall on 19/08/2019 at 10.30 A.M. Nagasree.G Asst. Prof., dept of Basic Science, CEC delivered lecture on Gender Sensitization. The session included a presentation, activities, and an interactive session to facilitate a deeper understanding of the topic.

Objectives:

This seminar aimed to promote awareness and understanding of gender issues among the audience. Session focused on basic concepts like difference in gender and sex, gender bias, gender stereotypes, patriarchy, gender equality, gender discrimination, etc. also the session focused on implications of gender discrimination such as gender-based violence and apprising the audience about laws like POSH that could safeguard the interests of employees. One of the most important aspects that was discussed in detail during the seminar was common gender stereotypes that affect the growth at a workplace and benefits of a gender-neutral environment.

The talk highlighted how there is a whole mechanism underlying the gender issues at a workplace and how being sensitized can help in achieving individual and workplace goals in a balanced manner creating a win-win situation for all. This required unlearning our biases and applying this approach in our day-to-day life and create a more happy and safe work environment.

Outcomes:

- **Increased Awareness:** Participants gain a deeper understanding of gender stereotypes, biases, and inequalities that exist in society.
- **Empathy and Understanding:** Improved empathy towards individuals of all genders, leading to more respectful and inclusive interactions.

- **Behavioral Change:** Participants may reflect on their own behaviors and attitudes, leading to changes in how they perceive and treat others based on gender.
- **Promotion of Gender Equality:** Encouragement of actions that promote equal opportunities and rights for people of all genders in various spheres of life, including education, employment, and social roles.
- **Reduction in Gender-Based Violence:** Awareness and understanding contribute to a reduction in gender-based violence and discrimination.

The speaker encouraged all staff members in making the workplace gender neutral and keep pace with the fast-changing gender norms in the society.

Overall, the seminar was attended by more than 70 staff members and very well-received by them. The session was a reminder of the importance of gender sensitivity in promoting diversity, inclusion, and well-being in the workplace and beyond.

Report on Health Awareness program for women

Date: 10/09/19

A seminar was organized by Women Empowerment Cell, CEC on 'Menstrual Hygiene' for all girl students on 10/09/19 at CSE seminar hall. The seminar featured **Ms. Srilakshmi Hegde**, a certified trainer, as the esteemed speaker. Ms. Hegde visited City Engineering College and conducted an informative and engaging session for the first-year students. The event aimed to empower students with knowledge on personality development and menstrual hygiene. The session on personality development covered key aspects such as communication skills, self-confidence, and overall self-improvement.

Additionally, Ms. Hegde addressed the importance of menstrual hygiene, breaking stigmas surrounding the topic, and providing practical advice for its maintenance. The seminar saw active participation from 120 girl students. The engagement level was high as students interacted with the speaker, asking questions and seeking clarifications on various aspects discussed during the session.

Objectives:

- **Promote Self-Confidence:** Encourage individuals to feel confident and comfortable with their bodies, including during menstruation, fostering a positive self-image.
- **Educate About Menstrual Hygiene:** Provide accurate information about menstrual hygiene practices, including proper sanitary product usage, hygiene tips, and debunking myths and taboos.
- **Empowerment Through Knowledge:** Empower individuals with knowledge about their reproductive health, menstrual cycle, and the importance of maintaining good hygiene to prevent infections and promote well-being.
- **Cultivate Empathy and Understanding:** Foster empathy and understanding among peers, colleagues, and family members regarding menstrual health issues, reducing stigma and promoting support networks.
- **Develop Communication Skills:** Enhance communication skills to discuss menstrual health openly and confidently, reducing discomfort and encouraging healthier dialogues.

CITY
ENGINEERING COLLEGE

Outcomes:

- Enhanced self-awareness
- Improved communication skills
- Increased confidence
- Better interpersonal relationships
- Overall personal growth.

Following the informative session, Whisper Choice promoters generously distributed sanitary napkins to the students. This initiative aimed to raise awareness about menstrual health and ensure that students have access to necessary resources for their well-being.

The seminar on 'Personality Development & Menstrual Hygiene' proved to be a successful and enriching event, providing students with valuable insights into personal development and an often- overlooked aspect of women's health. The College expresses gratitude to Ms. Srilakshmi Hegde for her informative session and Whisper Choice for their support in promoting menstrual hygiene awareness.

Report On 'Conflict Resolution Skills'

Date 06/01/2020

A seminar on 'Conflict Resolution Skills' was held on 6th January 2020 at CEC auditorium, Dr. H.N.Thippeswamy H.O.D Civil Dept delivered the talk.

Objectives:

- Understanding the nature of conflict: Participants should gain an understanding of the various types and sources of conflicts that can arise in personal and professional settings.
- Effective communication: The workshop aims to improve participants' ability to communicate effectively during conflicts, including active listening and assertive communication techniques.
- Developing empathy and perspective-taking: Empathy-building exercises can help participants see things from others' perspectives, fostering understanding and compassion in conflict situations.
- Negotiation skills: Teaching participants effective negotiation strategies, such as finding common ground or creating win-win solutions, can be an important objective.
- Managing emotions: Providing tools for managing emotions during conflicts, such as anger management techniques or stress-reduction methods, can be crucial for successful resolution.

These objectives aim to equip attendees with the knowledge and skills necessary to effectively manage conflicts while promoting positive relationships both personally and professionally.

Outcomes:

- Improved communication: Individuals learn to express themselves effectively and listen to others, leading to clearer and more productive communication.
- Increased understanding: Participants gain a greater understanding of others' perspectives and are better able to empathize with different viewpoints
- Reduced tension: Conflict resolution skills can help in de-escalating tense situations, leading to reduced stress and improved overall well-being.
- Enhanced teamwork: Individuals are better equipped to work collaboratively as they learn how to navigate conflicts in a constructive manner, ultimately strengthening team dynamics.
- Efficient problem-solving: Skills acquired can aid in resolving conflicts efficiently, leading to quicker solutions when issues arise.

In summary, the outcomes reflect an overall improvement in individual capabilities as well as potentially positive impacts on organizational dynamics when individuals possess strong conflict resolution skills.

Report on “International Women’s day”

Date 07/03/2020

International Women’s Day at CEC was celebrated on March 7th 2020. The theme of women’s day 2020 was ‘Each for Equal’. **Ms. Sowmya Reddy, member of legislative assembly, Karnataka**, graced the Dias as chief guest. Dr. K R Paramahamsa, Chairman, Smt. Geetha Paramahamsa, Vice-Chairperson, Mr. Rahul Kalluri, Executive Vice President and Ms. Monika, Vice-President, AMC-CITY Group attended the function and graced the Dias.

Program started at 12:00 PM with lighting lamp and invocation and continued with welcoming and introducing the guests. Chief Guest gave a speech on woman empowerment and wished all women whole heartedly. The Chief Guest was felicitated with garland and fruit basket. The function continued with felicitation of women staff, both teaching and non-teaching who served more than 10 years in CITY ENGINEERING COLLEGE. Dr. K R Paramahamsa gave the motivational speech to the women gathering. Ms. Monica addressed the gathering and wished each and every woman by giving plant sampling. The program ended with vote of thanks. After lunch, cultural programs were organized. The staff members participated with enthusiasm and enjoyed the day.

Objectives:

- **Promote Gender Equality:** Raise awareness about the importance of gender equality in all aspects of life, including education, employment, and decision- making.
- **Celebrate Women's Achievements:** Highlight and honor the accomplishments of women in various fields, from science and technology to arts and politics.
- **Empower Women:** Empower women by providing them with the tools, resources, and opportunities needed to succeed and thrive.
- **Advocate for Women's Rights:** Advocate for the protection of women's rights and work towards eliminating discrimination, violence, and inequalities faced by women

worldwide.

- **Educate and Inform:** Educate others about the challenges women face globally and the importance of taking action to create a more inclusive and equal society.

Outcomes:

- **Awareness and Advocacy:** Women's Day raises awareness about gender equality issues, women's rights, and challenges that women face globally.
- **Empowerment:** It empowers women by highlighting their accomplishments, leadership roles, and potential, inspiring them to pursue their goals and ambitions.
- **Inspiration:** Women's Day celebrations often feature stories and speeches from accomplished women, serving as inspirational role models for others.
- **Community Building:** It brings women together from diverse backgrounds, fostering a sense of solidarity, support, and unity among women.
- **Education and Dialogue:** Events and discussions on Women's Day promote dialogue about gender issues, encouraging both men and women to participate in conversations about equality and empowerment.

Report on 'BLOOD DONATION AND HEALTH CHECKUP CAMP'

Date: 28/03/2020

Human blood is an essential element of human life with no substitute. Voluntary blood donors are the cornerstone of a safe and adequate supply of blood and blood products. The safest blood donors are voluntary, non-remunerated blood donors from low-risk populations. Blood donors in India, as across the globe, are of three types; voluntary donors, replacement donors and professional donors. Most donations are as a result of replacement donations, which are non-remunerated donations, provided by the relatives of patients.

Professional donors are those who donate blood in exchange for money. Replacement and professional donors may be compelled to donate blood, though their health conditions are unsuitable to donate blood. They do not help maintaining a stock of blood for emergency situations. Moreover, they do not provide rare blood groups. These points are indicating the need and importance of voluntary blood donations.

The success of blood donation camp depends on people who organize the camp and blood bank team. Aim: The aim of this report is to discuss about the importance of voluntary blood donation and to guide the camp organizer, medical officer, and also other team members involving in voluntary blood donation camp to organize the camp efficiently.

NSS of City Engineering College, Bengaluru, organized Blood donation camp in our college campus on 28th March 2020 in association with **ROTARY CLUB KANAKAPURA** road and **BANGALORE MEDICAL SERVICE TRUST (BMST)**.
