REPORT ON ANNUAL DAY ‘KALARAVA 2022’

Annual day ‘KALARAVA 2022’ was celebrated in the college. It was organized in open ground for CEC students on 08.07.2022. Thuthumadike film team were guests on the day of KALARAVA.

Dr.Thippeswamy H N, Principal, greeted the team OF ‘THUTHUMADIKE’ FILM. The Principal and Chief guests inaugurated the annual day program by lighting the lamp. On the occasion of KALARAVA, they promoted their film and students were excited to meet the film industry people. Also, Guests distributed prizes to students for various events conducted during the cultural week. HOD’s also encouraged the students by distributing the prizes for cultural and sports events. Students performed and exhibited their talents on the day of KALARAVA. Refreshments were given to students.

Two Days Guest Lecture on “Startup & its Opportunities and “Solar Energy for a Sustainable Future”

Department of CSE / ISE / AI-ML conducted a Guest Lecture on Startup and its Opportunities and Solar Energy for a Sustainable Future were Ms. Neha Sharma, Dr. C N Ramchandra.

Indian technology like IT BT and Renewable energy where thousands of startups and entrepreneurship from young generation of technically qualified Engineers. The FDP was focuses mainly on solar energy and startup opportunities for a sustainable future.

Outcomes:

- Provide insight into the dynamics of startup ecosystems, including the stages of startup development, key players, and the role of innovation.
- Highlight various opportunities within the startup landscape, such as emerging markets, technological advancements, and underserved niches.
- Educate participants about the importance and benefits of solar energy in achieving sustainability goals and reducing environmental impact.

Workshop on “Full Stack Fundamentals BOOTCAMP”

A two days’ workshop on “Full Stack Fundamentals BOOTCAMP” was successfully conducted in the city engineering college, from 7th to 8th December 2022 organized by Department of CSE/ISE/AIML. The workshop sessions received an overwhelming response from 5th semester students’ participants.

Objectives

- Equip participants with foundational knowledge in full stack development, including both client-side and server-side technologies.
- Cover essential technologies and frameworks used in full stack development, such as HTML, CSS, JavaScript, and frameworks like react for the front end, and Node.js, Express, and databases like MongoDB or SQL for the back end.
- Train participants in practical skills, including coding, debugging, and deploying applications. Focus on building real-world projects to apply theoretical knowledge.

Outcomes

- Graduates will gain proficiency in both front-end and back-end technologies, enabling them to build and maintain full stack web applications.
- participants will have a portfolio of completed projects showcasing their skills, which can be used to demonstrate their capabilities to potential employers.

CITY ENGINEERING COLLEGE

Presents

A Workshop

On

Space Incubation: Challenges and Opportunities

Resource Person

Mr. Nishant Kumar

Deputy Director, Capacity Building & Public Outreach,
ISRO, HQ, Bangalore

Organized by

Department of CSE & ISE

In Association with Institution's Innovation Council (IIC)

Date: November 29th 2022

Time: 11.00 AM to 12.30 PM

Venue: CSE Seminar Hall

Date: November 29th, 2022

Workshop on Space Incubation Challenges and Opportunities.

Organizing such a workshop was the goal to empower and equip participants with the knowledge, connections, and resources needed to thrive in the space industry, ultimately contributing to the growth and advancement of space exploration and technology.

To encourage the creativity of the human mind for the benefit of all and to ensure that the benefits arising from exploiting a creation benefit the creator through the Global Space Economy at a glance.

Objectives

- **Identify Challenges:** Highlight and discuss the primary challenges faced by space startups and innovators. Identify and analyze new opportunities within the space industry for startups and entrepreneurs. Facilitate networking among industry professionals, investors, researchers, and entrepreneurs to foster collaboration.
- **Knowledge Sharing:** Provide a platform for sharing best practices, experiences, and success stories from established space enterprises. Offer insights into navigating the regulatory landscape of the space industry.
- **Innovation Stimulation:** Encourage innovative thinking and problem-solving approaches to address current and future challenges in space incubation. Connect participants with resources, tools, and support networks essential for developing and scaling space ventures.

Outcomes

- Participants gain a deeper understanding of the key challenges and opportunities in space incubation.
- Practical insights and strategies for overcoming obstacles and leveraging opportunities in the space industry.
- Generation of innovative ideas and solutions to address the unique challenges in the space sector.

PROGRAM					
VENUE:	Admin Block Auditorium	Date:	05.12.22- 14.12.22	Time:	09:30AM
EVENT ORGANISERS					
	1. Dr. Thippeswamy H N, Principal				
	2. Dr. Jyothi P, Vice Principal				
	3. Dr. Sowmya, Executive Officer				
	4. Mr. Sathish Hande, Administrative Officer				
Number of Students present: 235					

The Induction Programme for first semester students, admitted to B.E in the academic year 2022-23 was conducted between December 5th to 14th 2022 from 9:30am-4:30pm. The Induction Programme was conducted as per the guide lines prescribed by the VTU based on AICTE model curriculum. The main objectives of Induction Programme being to have an awareness on academic terminologies, VTU Regulations, Semester System CIE, SEE, new scheme familiarization of the College, Department, Library, Branch, Proficiency Modules, Yoga and Meditation- Health Tips, Extracurricular and Co-Curricular Activities. The orientation details in brief as follows.

SUMMARY REPORT

Day 1 (Monday 05-12-2022)

- Inauguration by Chairman Dr. K.R. Paramahamsa, Chief Guest Dr. C.V. Yelamangaad, and Guest of Honour Dr. N. Ranganath.
- Chairman's address to new students and parents.
- Introduction of department heads and staff.
- Distribution of prizes and cash awards to those who won in Battle of Science event.

Day 2 (Tuesday 06-12-2022)

- Registration of newly admitted students by Applied Science faculty.
- Address by Dr. Jyothi. P. about college vision, mission and infrastructure.
- Presentation on statutory committees, UGC, AICTE, NAAC, etc.
- Familiarization with departments and facilities through videos and presentations.

Day 3 (Wednesday 07-12-2022)

- Explanation of CBCS by Dr. P. Rajashekar.
- Overview of examination system, curriculum changes and mentoring.
- Familiarization with AI&ML, EC, and ME departments.
- Visits to laboratories and departments.

Day 4 (Thursday 08-12-2022)

- Soft Skills session by Prof. Ambika.
- Proficiency module on English by Mr. Arjun.
- Health tips and awareness session by Yoga teachers.

Day 5 (Friday 09-12-2022)

- Career opportunities and placement activities by department faculty.
- Session on Personality Development, Motivation, and Leadership.

Day 6 (Monday 12-12-2022)

- Sports activities organized by Mr. Rangaswamy and team.

Day 7 (Tuesday 13-12-2022)

- Creative Activity with mimicry artist Mr. Mahesh Kumar M.C.

Day 8 (Wednesday 14-12-2022)

- Extracurricular and Co-Curricular activities session.
- Presentation and feedback session concluding the Induction Programme.

OUTCOME: The induction programme successfully integrated academic orientation with personal development, setting a positive tone for the incoming students' academic journey at the institution. Based on the feedback obtained rectification will be done in the upcoming events.

Seminar Report on Employability and Career Opportunities

On November 3rd, 2022, the Department of Electronics and Communication (EC) organized a seminar focusing on "Employability and Career Opportunities" for students of City Engineering College and the event was conducted in Auditorium from 10:30am to 1:00pm. The seminar aimed to enlighten students about various career prospects, skill sets required in the industry, and strategies to enhance their employability.

Speaker: E Ranganathan, C.E.O, E&I Technologies

He shed light on the current trends in the electronics and communication industry, emphasizing emerging technologies such as IOT, AI, and 5G, and how students can align their skills with industry demands. He delivered an insightful session on the essential skills required for a successful career.

Outcomes:

- Awareness of current industry trends and technologies.
- Understanding of essential skills for career success.

Report on BLOOD DONATION AND HEALTH CHECKUP CAMP

Every year countries around the world celebrate World Blood Donor Day (WBDD). The event serves to raise awareness of the need for safe blood and blood products and to thank voluntary, unpaid blood donors for their life-saving gifts of blood.

A blood service that gives patients access to safe blood and blood products in sufficient quantity is a key component of an effective health system. The global theme of World Blood Donor Day changes each year in recognition of the selfless individuals who donate their blood for people unknown to them.

WHO is calling on people all around the globe to give blood in a gesture of solidarity

Safe blood and blood products and their transfusion are a critical aspect of care and public health. They are key in treating people suffering from a range of diseases and as a result of accidents, natural disasters and armed conflict. The need for blood is universal, but access to it is limited - especially in low- and middle -income countries, where shortages particularly impact women and children as these tend to be the people who need blood most.

NSS of City Engineering College, Bengaluru, organized Blood donation and health check-up camp in our college campus on 17th March 2023 in association with ROTARY CLUB KANAKAPURA road and BANGALORE MEDICAL SERVICE TRUST (BMST).

We heartily express our thanks to the principal of our college Dr. KARUNAKARA for his kind and cooperative support all the time and all the staff and students.

The most important and lifesaving activities of Youth Red Cross-CEC is BLOOD DONATION. Our organization pays much importance and endurance to this part of activity, which saves human lives. Our mission is to save mankind by lending our support to those who are ill or on the verge of death just due to lack of blood. A majority of deaths happening daily around the world are mainly due to accidents. Apart from this, during deliveries, blood cancer, and any form of surgeries requires enormous units of blood. We all know that BLOOD is of great importance and its necessity is so vital that one's life is fully dependent on it. On those difficult circumstances, we pledge to stand by the sides of the needy patients. We organized Blood donation camp on 17/3/2023. Our student enthusiastically participated in the activity and more than 100 students participated and gave the blood which is useful for the society

Report on BLOOD DONATION AND HEALTH CHECKUP CAMP

Every year countries around the world celebrate World Blood Donor Day (WBDD). The event serves to raise awareness of the need for safe blood and blood products and to thank voluntary, unpaid blood donors for their life-saving gifts of blood.

A blood service that gives patients access to safe blood and blood products in sufficient quantity is a key component of an effective health system. The global theme of World Blood Donor Day changes each year in recognition of the selfless individuals who donate their blood for people unknown to them.

WHO is calling on people all around the globe to give blood in a gesture of solidarity.

Safe blood and blood products and their transfusion are a critical aspect of care and public health. They are key in treating people suffering from a range of diseases and as a result of accidents, natural disasters and armed conflict. The need for blood is universal, but access to it is limited - especially in low- and middle -income countries, where shortages particularly impact women and children as these tend to be the people who need blood most.

Youth Red Cross and NSS of City Engineering College, Bengaluru, organized Blood donation, EYE check-up camp and health check-up camp in our college campus on 22nd DECEMBER 2023 in association with INDIAN RED CROSS SOCIE.TY and Dr. AGARWAL EYE HOSPITAL

Padmanabhanagar Bangalore.

We heartily express our thanks to the principal of our college Dr. THIPPESWAMY H N for his kind and cooperative support all the time and all the staff and students.

Report on World Environmental Day

Environmental day was celebrated in CEC campus. On June 5th 2022 plantation was held in CEC in view of Environmental day. NSS and YRC volunteers by planting saplings celebrated environmental day and Principal, Administrative Officer, YRC officer participated in this activity. Also wall painting on CEC compound walls were done by our students. Students enthusiastically participated in this activity and shown their talent.

Objectives:

- Increase global awareness about environmental issues and their impact on ecosystems and human health.
- Provide educational resources and tools to help people understand environmental issues and empower them to make informed decisions.

Outcomes:

- Greater public understanding of environmental issues and their global significance. This can lead to more informed and engaged students who are aware of the impacts of their actions on the environment.
- Increased involvement in community-based environmental initiatives and projects, such as clean-up drives, tree planting, and conservation efforts.

Report on Independence Day

75th Anniversary of Indian Independence or Azadi Ka Amrit Mahotsav is an ongoing event, in which the 75th Anniversary of the Independence of India is being celebrated in India

The Government of India decided to celebrate the 75 years of Independence of India, with great excitement and tribute to freedom fighters. So, they decided to do various programs and the government named the celebration as 'Azadi Ka Amrit Mahotsav'. Amrit Mahotsav meaning Nectar of grand celebration which signifies the 75 years of India's independence

In the usual ceremonial practice the Prime Minister of India hoist the flag from Red Fort at Delhi followed by speech on achievements and proud moments as a people of this country.

The government of India also started a campaign Har Ghar Tiranga and told that to hoist a flag at the terrace.

After the flag hoist followed by few events and then sweet and snacks distribution.

In City Engineering College, NSS club organized Independence Day on August 15th 2022 and our respected principal of our college Dr. THIPPESWAMY H N and all the staff members.

We heartily express our thanks toward the head of the institute for his kind and cooperative support all the time.

REPORT ON TALK ON YOGA FOR YOUTH

In City Engineering College, National Service Scheme wing organized **TALK ON YOGA FOR YOUTH** on June 19 2022 and our respected principal of our college **Dr. THIPPESWAMY H N** and all the staff members.

Due to the advance Call Now made by modern medicine there has been an increase in the life span of Indians and also by the recent advancement of YOGA in India. YOGA and its allied therapies like MEDITATION, OMKAR DHYAN are the only way where the normal activity can increase till the last breath with the normal functioning of all the systems and leading a healthy life and thus having an effective increase in the life span.

Dr. S N Omkar is a certified Instructor, as well as an Aerospace Engineer, meshing the need for health and yoga in today's highly technological world. He is a disciple of BKS as well as a published author of the yoga book, Surya namaskar. He also has a strong interest in Sports Dynamics, and he has worked as a yoga teacher for the trophy winning Karnataka State Cricket team, as well at conducting yoga camps for the Indian Cricket Team. His works also include a successful and long running yoga television program, radio talks, and his own instructional CD-ROM. He has given talks on a wide range of topics related to yoga including; Yoga for the Elderly, Yoga and Mental Pressure, and Yoga for Children Growth.

We heartily express our thanks toward the head of the institute for his kind and cooperative support all the time.

FIG 2: Highlights of the session

Objective:

- The primary objective of the "Seminar on Yoga for Youth" is to introduce students to the fundamental principles and practices of yoga, highlighting its numerous physical and mental health benefits.
- The seminar aims to educate students on how incorporating yoga into their daily routine can enhance their overall well-being, reduce stress, improve concentration, and foster a balanced lifestyle.
- By providing practical demonstrations and interactive sessions, the seminar seeks to empower students with the knowledge and skills to practice yoga effectively, thereby promoting a healthy and holistic approach to life.

Outcome:

- The expected outcome of the "Seminar on Yoga for Youth" is a well-informed and motivated group of students who understand the importance of yoga and are equipped with the basic techniques to practice it regularly.
- Students will gain insight into the history and philosophy of yoga, learn various postures and breathing techniques, and appreciate the profound impact yoga can have on their physical and mental health.
- As a result, students are anticipated to integrate yoga into their daily lives, leading to improved physical fitness, better stress management, enhanced concentration, and overall well-being. This initiative aims to cultivate a healthier and more balanced lifestyle among the youth, contributing to their personal growth and academic success.

Report on ONAM Festival

Onam festival was celebrated in the college on 20th August 2022 by the students and faculties. Celebrating Onam in college holds significant importance for several reasons. It goes beyond just festivity; it enriches the cultural, social, and educational environment of the institution.

Onam is a festival deeply rooted in Kerala's culture. By celebrating it in college, students from different regions and backgrounds get to learn about and appreciate Kerala's rich traditions. It fosters a sense of inclusiveness where students from various cultural backgrounds can participate and feel a part of the celebration, promoting unity in diversity. Festivals are a great way to bring people together. Onam celebrations in college allow students, faculty, and staff to bond over shared activities, meals, and traditions, strengthening the sense of community. Organizing the celebration involves teamwork and collaboration, helping students develop these essential skills while building closer relationships with peers.

Organizing the celebration involves teamwork and collaboration, helping students develop these essential skills while building closer relationships with peers.

celebrating Onam in college enriched the cultural fabric of the institution, fosters unity and inclusion, and provides valuable opportunities for learning and personal growth. It creates a festive and joyous atmosphere that benefits everyone involved.
