Performance of the Institution Distinctive to its Vision, Priority and Thrust.

The Institution is performing to fulfil Disseminating Knowledge on Emerging Trends in Engineering Technology. The Institution has been in existence for the last 17 years graduating 13 batches of students under four different programmes. The curriculum revision has taken place five times since the inception of the first batch in 2001-2002. Every revision has seen addition of a number new courses based on the emerging trends in Technology and addition of new Labs. All the Manual Drawing Subjects that were in curriculum earlier got converted in to Computer Aided Engineering Drawing. New Application programmes such as SOLID EDGE was introduced. More of Modelling and Simulation based courses and Labs are introduced. More electives based on the advances in respective programmes were introduced. More value added courses such as Constitution of India, Professional Ethics, Human values and Environment Science were introduced. More of thrust was given to Student Projects and Internships. Innovative projects are encouraged by the Institution which are evident from the number of KSCST funded and VTU funded Students Projects. More distinctive of City Engineering College is the Student Project Exhibitions catering to Innovative needs of Student Community.

Our Institution's Quality Objectives are:

- 1.To provide an opportunity to the student community for learning through recent resources.
2. To inculcate carrier link domain skills for higher studies, entrepreneur and employment.
3. To have zeal for continuous improvement.
4. To develop good leadership activities and good human being for nation building.
5. Institute seeks to inculcate moral and ethical values among students and staff.

All the departments of college have conducted certificate courses and training programmes in the subjects which are not in our curriculum. These training and certificate courses are conducted by the established and qualified trainers. These students have been given certificates for having taken the training programmes. These training courses mainly useful for the students in their future career. This will achieve our vision and mission – M1, M2 M3.
