

CITY ENGINEERING COLLEGE

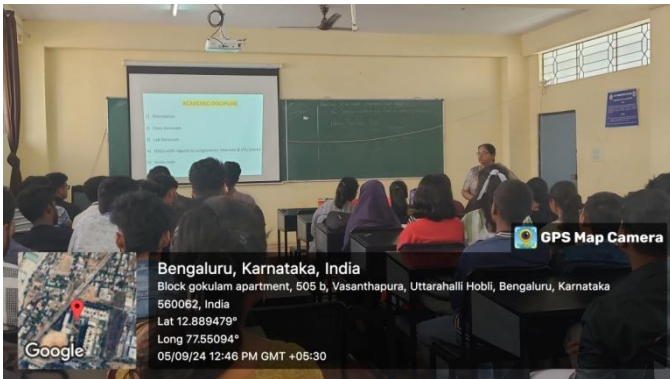

Approved by AICTE New Delhi & Affiliated by VTU, Belagavi
Doddakallasandra, Off Kanakapura Main Road,
Next to Gokulam Apartment, Bangalore - 560 062.

Department of Artificial Intelligence and Machine Learning

List of Workshop/Seminar/Industrial Visit/Orientation sessions/SDP for ACY 2024-25

Sl. No	Event Type	Event Name	Date
1.	Orientation Program	AI-Pathway	05.09.2024
2.	Workshop	Building Bridges: Code Together, Grow Together - Join the Movement	21.10.2024
3.	Skill Development Program	Industrial Readiness Program	04 Nov 2026 - 13 Nov 2024
4.	Workshop	Exploring the Future of AI: Trends, Innovation and Opportunities with Azure	19.11.2024
5.	Industrial Visit	Microsoft Office, Bengaluru	23.11.2024
6.	Workshop	Engineering Inner Strength –One Day Yoga Session	23.12.2024
7.	Workshop	Placement to Paycheck: Lessons Learned and Challenges Overcome	24.02.2025

Activities during 2024-2025

Sl.No	Activity Name	Glimpse
01	<p>Orientation Program on AI-Pathway</p> <p>The orientation program for 3rd semester students, held on September 5, 2024, in Classroom 403, provided essential information about the semester ahead. It covered subjects, assessment criteria, faculty introductions, lab expectations, examination guidelines, and classroom discipline.</p>	
02	<p>Workshop on Building Bridges: Code Together, Grow Together - Join the Movement has been organized by the Department of AIML. This session aims to foster collaboration, innovation, and growth through the power of coding. Let's come together to share knowledge, solve challenges, and create impactful solutions as a united community of passionate coders</p>	
03	<p>Skill Development Program on The 10-day skill development program was designed to provide participants with a deep understanding of key concepts in Data Structures and Java Programming. The course aimed to bridge the gap between theoretical knowledge and practical application, empowering participants to write efficient, optimized code and solve complex programming challenges.</p>	
04	<p>Workshop on Exploring the Future of AI: Trends, Innovation and Opportunities with Azure To explore the latest trends, innovations, and opportunities in AI through the capabilities of Microsoft Azure, empowering participants to harness AI for future solutions</p>	

Activities during 2024-2025
