

## **Department of Training and Placement**

### **Vision:**

To be a leading facilitator of career excellence by empowering students with the skills, knowledge, and opportunities necessary for successful careers, while fostering strong partnerships with industries and organizations globally

### **Mission:**

M1: To equip students with essential technical, professional, and soft skills through comprehensive training programs that align with industry standards.

M2: To build and maintain strong relationships with industries, corporates, and organizations, creating ample internship and job opportunities for students.

M3: To provide personalized career counseling, mentorship, and support to help students make informed career choices.

M4: To focus on the overall development of students, fostering creativity, critical thinking, and ethical values to prepare them for global challenges.

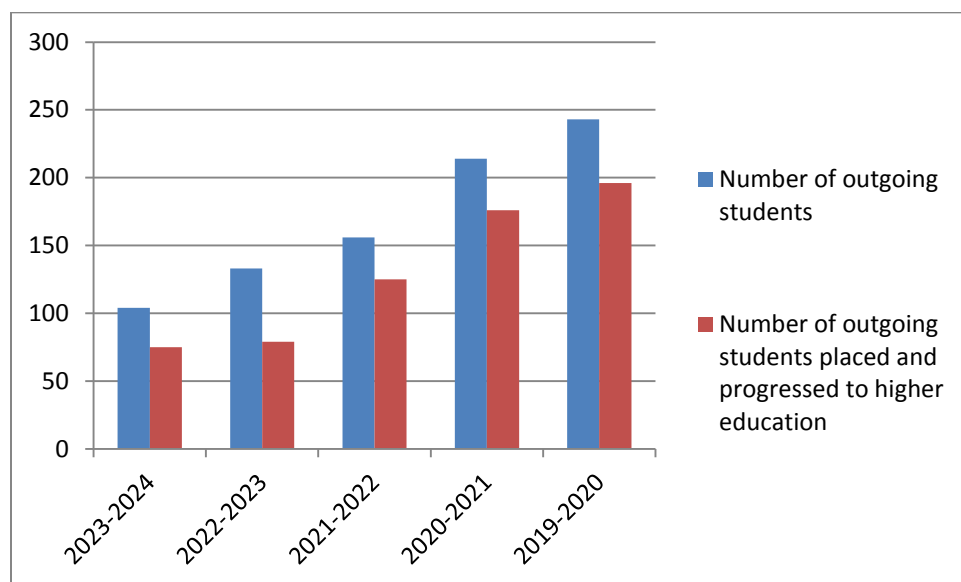

M5: To achieve high placement rates by connecting students with leading employers and facilitating smooth recruitment processes.

M6: To regularly update training methodologies and placement strategies based on evolving market trends and technological advancements.
